NEWS RELEASE, From [] A Loyal American citizen, of

b6
b7C

FOR IMMEDIATE RELEASE All Services

Date: _____

I DON'T WANT TO BE A HESSIAN!

A former Marine Corps reservist and University of Wisconsin student, [], has filed suit for an injunction to prevent his draft board from conscripting him. He charged that he would be illegally compelled to serve as a hired mercenary soldier in the service of foreign powers, because of the United Nations and NATC commitments of the U. S. Armed Forces.

b6
b7C

"I don't want to be a Hessian", [] declared. "I am more than willing to defend my land and my people against any foreign aggressor, but I don't want to be a mercenary in the army of the Sultan of Bhutan or the Rajah of Mysore. The American Army today is only a Foreign Legion which may be pressed into service of any foreign power at the whim of the Communists who formulate policy for the United Nations."

b6
b7C

[] complaint, filed with the U. S. District Court, charges that while our army supposedly is preparing to fight Communism, our Commander-in-Chief consorts with Communists and allows American soldiers to rot in Communist dungeons in Russia, Red China, and Communist Korea, in violation of our agreements with those countries. [] said our Commander-in-Chief has conspired with known Communist agents, and persecuted Senator McCarthy of Wisconsin when McCarthy tried to expose an Army medical officer who was actually promoted in spite of the fact that he was known to be a Communist. The Commander-in-Chief also initiated a television farce in 1954 designed to ridicule McCarthy's exposures of Communists in key Army positions.

b6
b7C

The precedent-shattering suit, which may inspire many loyal youths to instigate like action, charges that thousands of Americans were brutally tortured and put to death in Communist prisons during the Korean War, although the Commander-in-Chief did nothing to punish the perpetrators of those horrible war crimes, and that hundreds of American boys were slaughtered in battles deliberately staged for the pleasure of foreign officials and correspondents, in this same "police action".

[] stated that hundreds of our soldiers have been thrown into stinking foreign jails under the illegal NATO Treaties, which allow alien courts to imprison our lads under their barbarous customs without benefit of due process of law guaranteed every American at home or abroad by our Constitution. [] charged that as a forcibly conscripted soldier he would be forced to obey officers whose loyalty has been gravely questioned. Another of the twenty points of the suit cited the Thirteenth Amendment of the Constitution, which guarantees our people against involuntary servitude, especially in the service of foreign powers. The complaint also alleges that neither the Commander-in-Chief nor the Government has any plan for a final and victorious struggle against that world Communism with which it is now involved in mortal contest, but instead wishes to continue the "containment policy" which means intermittent wars for the rest of our lives.

b6
b7C

"I would be the first to volunteer for a preventive war against Communism", [] declared.

DECLARATION OF INDEPENDENCE, Philadelphia, July 4, 1776

FOR IMMEDIATE RELEASE

UNITED STATES DISTRICT COURT FOR
THE EASTERN DISTRICT OF WISCONSIN

Civil Action
No. - 1956

[Redacted]

X

- vs. -

COMPLAINT

UNITED STATES GOVERNMENT SELECTIVE
SERVICE SYSTEM, LOCAL BOARD NO.

Defendant. X

To enjoin defendant
from inducting
plaintiff into the
Armed Forces.

The plaintiff, for his complaint, respectfully shows
to this Honorable Court and alleges:

1. The action arises under the Constitution of the
United States.

2. The plaintiff, [Redacted] is a citizen
of the State of [Redacted] and resides in the City and County of
[Redacted] in said state, at # [Redacted]

3. The defendant, UNITED STATES GOVERNMENT SELECTIVE
SERVICE SYSTEM, LOCAL BOARD NO. [Redacted], is an agency of the United
States Government and maintains an office at # 211 East Detroit
Street, City of Milwaukee and State of Wisconsin. Said defend-
ant as a duly constituted board and agency of the United States
Government is in existence and organized for the purpose of
inducting United States citizens and others in its area into the
Armed Forces of the United States.

4. Under the Selective Service law defendant is about
to have plaintiff inducted into the Armed Forces of the United
States.

5. The said proposed induction of plaintiff into the
Armed Forces of the United States on the part of defendant or
any other individuals and agencies is illegal and in violation
of the Constitution and laws of the United States.

b6
b7C

b6
b7C

62-83296-161

6. The act of conscripting and inducting plaintiff into the Armed Forces violates the Constitution of the United States and particularly the Thirteenth Amendment thereof in that such induction and the military service following thereupon constitute involuntary servitude. No provision of the Constitution allows military conscription.

7. Aforesaid proposed conscription into the Armed Forces of the United States is illegal because it requires hazardous services from American citizens and does not afford them a commensurate protection which is in its power to provide.

8. Although plaintiff, if and when conscripted, must give all his loyalty, devotion and labor to the Armed Forces of the United States, those in control of said Armed Forces are not required to and do not necessarily give the said Armed Forces their loyalty, devotion and labor.

9. About six thousand members of the Armed Forces of the United States were brutally put to death, while they were prisoners of war, at the hands of foreign armed forces personnel in China and Korea, and those in charge of the Armed Forces of the United States completely tolerated these outrages and atrocities, and even quite successfully suppressed information on same from reaching the American people.

10. Other thousands of members of the Armed Forces of the United States were brutally tortured by foreign armed forces personnel in China and Korea and this condition was tolerated by those in charge of the Armed Forces of the United States and the Government of the United States.

11. Hundreds of members of the Armed Forces of the United States are at the present time being held as prisoners in China and Korea in violation of a truce agreement reached between the governments of the United States, Communist China, Communist North Korea and the United Nations.

12. Those in charge of the Armed Forces of the United States and the Executive Branch of the Government of the United States are completely tolerating aforesaid condition of the incarceration of hundreds of American armed forces personnel in the Far East.

13. Under the Status of Forces Treaty of the North Atlantic Treaty Organization, the laws of the United States are violated, in that members of the Armed Forces of the United States are made subject to prosecution and trial by foreign courts and hundreds who have been so tried throughout the world, the said American citizens having been sentenced in many cases without due process of law as guaranteed to every American citizen by the Constitution of the United States.

14. Members of the Armed Forces of the United States are at this present time being held as prisoners in various areas of Soviet Russia, and the Commander-in-Chief of the Armed Forces of the United States, as well as the Executive Branch of the Government of the United States, have instituted no measures to set them free. On the contrary, the Commander-in-Chief of the Armed Forces of the United States remains on the most cordial terms with leaders of the Soviet government.

15. It has been the practice of the Commanders-in-Chief of the Armed Forces of the United States to commit the said Armed Forces to military engagements and to prevent and prohibit them from winning same, but nevertheless with the result that great numbers have been daily killed in battles which were not allowed to come to a final and successful conclusion.

16. The Commander-in-Chief of the Armed Forces of the United States has conspired with those who advanced the cause of Communism inside the Government of the United States and has

shielded known Communists in said Government from public exposure. The said Commander-in-Chief has aided the cause of the promotion in the Armed Forces of a medical officer who was a known Communist, and the said Commander-in-Chief from the White House initiated a persecution of the Honorable Joseph R. McCarthy, a United States Senator, because the said Senator brought such a fact to light. The said Commander-in-Chief instituted a nationwide television farce in early 1954 designed to ridicule the aforesaid Senator and all efforts to effectively combat Communism in the Government of the United States.

17. The Armed Forces of the United States are being committed to attack Communism on the battlefield, while the Commander-in-Chief of the Armed Forces of the United States consorts with Communist figures and allows Communists to infiltrate the Government of the United States and to influence its decisions.

18. If plaintiff were conscripted by the Armed Forces of the United States, he would, according to the practices of the leaders of the said Armed Forces, and the international agreements of the Executive Branch, be illegally compelled to serve as a mercenary soldier in the service of foreign powers and on their behalf.

19. Defendant proposes to induct plaintiff, who is of the Caucasian race, into armed forces whose character is such that it represents a policy of racial integration, which is by nature disagreeable and repulsive to every normal, self-respecting and sanely-thinking individual of Caucasian race.

20. The leaders of the Armed Forces of the United States are prone, when publicity purposes are served, or the ideological ends of their superiors, to conduct military operations for exhibition purposes, wherein American citizens are needlessly killed, one example of such a public spectacle, paralleling exhibitions of degenerate Rome, being the military maneuver which was put on by said leaders for a corps of

correspondents in Korea, in which action six hundred Americans who were members of the Armed Forces of the United States were killed or wounded, according to plaintiff's information and belief.

21. The Commander-in-Chief of the Armed Forces of the United States and the Executive Branch of the United States Government are under the control of a Fabian-Socialist-oriented group of individuals, according to plaintiff's information and belief, and such a group of individuals as well as the philosophy they represent are incapable of successfully leading armed forces against world Communism and of combatting it effectively in any field or phase of activity, since such individuals lack the desire and enthusiasm for same and are intellectually unsuited and unequipped to cope with such a problem.

22. Neither the Commander-in-Chief of the Armed Forces nor the Government of the United States has any plan for a final and victorious struggle against world Communism with which they are now involved in a mortal contest, but instead wish to continue a "containment policy" which would mean at best intermittent wars for the rest of the lives of every American now living. This is not the purpose for the organization and existence of the Armed Forces. There is no plan in operation and no intention to wage a decisive war and no plan and no intention of winning a war.

23. If inducted into the Armed Forces of the United States, plaintiff would be compelled to undergo involuntary servitude at an unnecessary and artificially created peril to his life and safety, and he would be made to suffer great financial damages.

WHEREFORE, premises considered, plaintiff prays:

1. That a decree be entered enjoining defendant from ordering plaintiff to be inducted into the Armed Forces of the United States and from inducting him into same and ordering defendant to refrain from calling on plaintiff to prepare for

such an induction.

2. That it be declared by this Honorable Court that it is illegal for any agency or department or individual of the United States Government to induct plaintiff into the Armed Forces.

3. That this Honorable Court grant such other and further relief as shall be deemed just and equitable in the premises.

The records of the Board of Elections, New York City, were checked on February 29, 1956, by SE [redacted] and no record was located indicating that JAMES MADOLE, 10 West 90th Street, had registered for the years 1952 through 1955.

T-1 indicated on January 20, 1956, that EUSTACE MULLINS, 126 Madison Place, Staunton, Virginia, a former member of the NRP, had allegedly written a letter to FREDERICK WEISS which indicated that MULLINS had reproduced a racist United States Army recruiting poster which he claimed to have sent to Germany through EINAR ABERG, notorious anti-Semite in Sweden, in hopes of forcing colored occupation troops from Germany and England. In this letter MULLINS urges WEISS to distribute this material to his sources abroad. T-1 added that MULLINS had recently been writing articles for "Woman's Voice" an anti-Semitic Chicago newspaper. (S)(u)

T-1 also indicated on March 5, 1956, that MULLINS had received a letter dated February 27, 1956, from [redacted]

[redacted] of the "South African Observer" indicating he had received a news item from ABERG in Sweden about MULLINS' United States Army recruiting poster. [redacted] said he put this item in his "Letters to the Editor Column" and would publish the poster if he received it. (S)(u)

T-1 indicated on February 13, 1956, that
FREDERICK WEISS, a member of the NRP, has been receiving
information through the following sources abroad:

A. RUHLAND of Germany

Major HUFUSS (ph.) a former Nazi in Hitler's
Army who presently resides in Barcelona, Spain.
HUFUSS informed WEISS that he had spent two
weeks in East Germany where the people are
making great progress.

NEUBAUER of Germany who advised WEISS that
Nationalism is at its lowest ebb in West
Germany and that he and his men need funds
very badly.

RUDEL of Argentina who advised WEISS that
the police there had picked him up twice
recently and are also bothering Doctor
FRITSCH who is associated with the publication
"Der Tag." RUDEL inquired of WEISS if the
United States Jews are putting pressure
on the Argentine Government in connection
with the Germans down there.

This informant added that WEISS recently
had commented "it is true that the Nazi movement
in West Germany is very low but every important Nazi
is secretly working for a united Germany under Soviet
domination. According to this informant, WEISS also
stated "only through a union with the Soviets can
Germany be saved" and "ADENAUER'S USA-Vatican dominated
West Germany is doomed." This informant also advised
that WEISS had recently printed an article entitled
"Life Magazine - the Pravda of America?" which
concerned a recent article appearing in "Life Magazine"
about the American production of Porgy and Bess
currently in Russia. The informant said this article

was printed by KEITH THOMPSON but THOMPSON had no part in its writing.

T-1 added that WEISS had used the 200 nares on the mailing list of JAMES MADOLE'S NRP for the mailing of this article. This article is signed with the initials XYZ which is a commonly used pseudonym of WEISS.

T-1 on March 1, 1956, furnished a copy of a press release dated February 28, 1956, from JUSTACE MULLINS. This release indicated that MULLINS, 60 East 4th Street, New York 4, New York, had filed suit against JOHN H. BIVINS and the American Petroleum Industries Committee (API) before the Supreme Court of New York seeking \$50,000 in wages and damages. In this statement MULLINS alleged that he became the leading anti-Zionist writer while working for the American Petroleum Institute (API) and had prepared more than 100 speeches and articles on Israel and delivered weekly talks at the street meetings of JAMES MADOLE'S ultra-conservative NRP in Yorkville as well as Facts Forum gatherings. He indicated that as a result of this work he was cited four times in a report of the House Committee on Un-American Activities on Neo-Fascist groups.

T-1 indicated that MULLINS had been associated with the NRP long before he was employed by the API, and that he has maintained contact with other fascist groups since he was dismissed from the institute.

T-1 added on March 9, 1956, that MULLINS had filed a complaint against the API in New York County on February 28, 1956. He added that this suit appears to be nothing more than a shakedown by MULLINS to obtain a settlement from the API.

On March 26, 1956, T-1 furnished a copy of a news release entitled "I Don't Want to be a Hessian" by [redacted]

[redacted], as well as a copy of a complaint issued by [redacted] against the United States Government Selective Service System in Milwaukee. This paper indicated that [redacted] would attempt to prevent the Selective Service Board at Milwaukee from inducting him into the United States Army.

b7C

This press release is a condemnation of the United States Government Foreign Policy and included the statement that the Commander in Chief of the United States Army consorts with Communists and conspired with known Communist agents. T-1 indicated that these papers were drawn up by EDWARD A. FLECKENSTEIN, an attorney in Weehawken, New Jersey, without [redacted] knowledge. The informant indicated that FLECKENSTEIN has been active in Nationalist organizations in the past and recently drew up similar papers for EUSTACE MULLINS in his legal action against the API.

C. STATED AIMS AND OBJECTIONS OF THE NRP

The February 1956 National Renaissance Bulletin contained the following statement on its masthead, "Official organ of the NRP devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice." T-1 on February 2, 1956, furnished a copy of the pamphlet entitled "Right." The masthead of this pamphlet stated it was a "monthly news letter of, by and for the American Right Wing." The editor of this publication was listed as C. W. THOMAS, 418 Ellis Street, San Francisco 2, California.

This pamphlet contained the following paragraph regarding the NRP:

"The NRP is a very controversial group. Badly smeared by the Velde Committee report of some months back and which has since been shown to be highly inaccurate, if not outrightly fraudulent and the NRP has actually prospered by the attack. James H. Madole, National Director, reports that the organization is fervently nationalist and strongly anti-Communist and has a large youthful membership. Address is 10 West 90th Street, New York City."

D. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

1. Meetings

T-1 on January 27, 1956, indicated that on January 19, 1956, a small gathering of the NRP was held at the apartment of JAMES MADOLE. He stated that JOSEPH RUDDEN appeared at this gathering for the first time in quite a few months and there were four or five other individuals present. He stated that nothing of importance transpired and they had a meaningless discussion of racial purity, segregation, and the Poujade movement in France. T-1 further indicated on February 3, 1956, that the subject organization had held an informal meeting at Madole's apartment on February 2, 1956. He stated that only three or four people attended this meeting and nothing of significance was discussed. N.Y.

~~Madole National Director~~
T-1 indicated on March 26, 1956, that MADOLE had held a small meeting of the subject organization at his apartment on March 22, 1956. He stated that RUDDEN was present at this meeting in a very drunken condition and three other individuals were also present.

2. Publications

T-1 on February 20, 1956, furnished a copy of the National Renaissance Bulletin dated January 1956. This bulletin was composed of one article entitled "Jewish Labor Czars Call for Military Invasion of Mississippi," by JAMES F. MADOLE. He stated that this article dealt with the segregation problem in the South, and was the usual pro-Nationalist, anti-Semitic writing of MADOLE. This bulletin also advertised free copies of pro-Egyptian literature to be sent to individuals who would mail \$2.00 to the NRP for subscription to the National Renaissance Bulletin. T-1 added that he did not know who had printed this bulletin inasmuch as the former printer had declined to handle this work.

T-1 on March 26, 1956, furnished the February 1956 issue of the National Renaissance Bulletin which consisted of one article entitled "The Jewish Enigma," by E. V. STOUT. T-1 said he believed that STOUT had furnished articles for National Renaissance Bulletins in the past. However, MADOLE claimed that this current article had been received anonymously from STOUT and he was not aware of STOUT'S identity.

T-3, who has furnished reliable information in the past, indicated on February 3, 1956, that the Mary Ellen Clancy Agency, 250 Park Avenue, New York City, which had formerly printed the bulletins for the NRP, had returned the proof copy of the January bulletin to JAMES MADOLE and indicated to him that they would not handle his work henceforth. T-3 added that the employees of the Clancy Agency had refused to work on this bulletin because of its anti-Semitic, anti-Negro content.

T-1 indicated on February 6, 1956, that MADOLE had received a Special Delivery letter from the Clancy Agency indicating that the union help in the printing shop had refused to print the latest issue of the National Renaissance Bulletin because it is anti-labor.

T-1 said that IADOLE stated that he would have to find someone else to do his printing from now on. T-1 believed that IADOLE would attempt to have his printing done by one of the following individuals:

HAROLD K. THOMPSON; a person named PETRIE in Brooklyn; [redacted] who formerly had done printing of the bulletins; or an unknown printer on East 98th Street, New York City, who formerly had done work for IADOLE but who had charged such a large fee that IADOLE had discontinued using him.

T-1 indicated on March 26, 1956, that IADOLE indicated he was working on a new bulletin which would include information which was supplied to him by the Arab Information Center. He stated that the forthcoming bulletin would deal exclusively with Arab information. T-1 added that IADOLE had indicated he is now obtaining a lot of data from a [redacted] who according to IADOLE "heads up the students from the mid-East." The informant said that actually [redacted] of the Palestine-Arab Refugee Office at 801 2nd Avenue, New York City. T-1 said that IADOLE is still experiencing difficulty in having his bulletin printed and will make an effort to have the work done by CONDE MC GINLEY, publisher of "Common Sense" in Union, New Jersey.

3. Other NRP Groups in the United States and Association of the NRP with Other Nationalist Groups

T-1 indicated on February 3, 1956, that WEISS had met with MADOLE at 10 West 90th Street, New York City, on February 2, 1956. MADOLE related to WEISS a story about a group of teenagers, who had called on him on January 30, 1956. MADOLE stated these people were sent by WEST HOOKER and stated that HOOKER wanted to meet MADOLE alone, and that HOOKER desired MADOLE to join his organization and to speak at their meetings. MADOLE indicated that he refused this offer at which time these individuals told him he should either cooperate or suffer the consequences.

T-1 added that HOOKER is head of the Nationalist Party, an anti-Semitic, pro-Nationalist group in New York City.

T-1 further indicated on February 20, 1956, that MADOLE, accompanied by JOSEPH RUDDEN and four or five other members of the NRP, had attended a meeting of the Nationalist Party held at the Hotel Lincoln, New York City, on February 17, 1956. The informant said that HOOKER was the only speaker at this meeting and stated he was going to "get" MADOLE and other nationalist leaders that had "sold out to the Jews." The informant added that there was no indication from anything which transpired at this meeting that MADOLE had decided to cooperate with HOOKER.

The Bureau's attention is directed to the last page of this Bulletin which contains the following sentence:

"Any Presidential Candidate who attempts this monstrous treason should be dragged from the White House and Given a taste of old-fashioned Pioneer Justice."

It is felt that this sentence might be submitted to the Justice Department as one in which the NRP advocates force and violence, which was previously requested by the Department, however; this Bulletin has been reviewed in the light of Bureau letter to San Diego dated 4/20/56, entitled "Anti-Negro and Anti-Semitic Publication - Information Concerning (Internal Security)" and it is believed that no violations exist as set forth in the attached departmental memorandum dated 4/13/56.

NATIONAL RENAISSANCE BULLETIN

Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic; the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

Published in New York, N.Y.
\$2.00 per 12 issues

March, 1956
Volume 7, No. 3

"The revelations of the scandals of espionage in the U.S. which allowed the Russians to obtain the atom secrets increased tremendously the horrified feelings of the people against them when it was revealed that the majority of the spies who engaged themselves in such operations were Jews. From that day on, the idea of associating Judaism and Communism started in America. The series of campaigns, started in order to fight McCarthy in his struggle against Communism, increased this feeling since it appeared to public opinion that those suspected of communism were Jews to the extent of 90%. The general statistics prove that the average American believes that the Jew is a clever man but sly and unreliable in his general attitude."

"The Jews have a strength in American life because of their great influence in government circles and among the very wealthy...and it is known that those who have influence in the U.S. fear the Jews and try always to be nice to them in order not to provoke their fury and not to face their terrible revenge...Among the plans which the Jews use in order to strengthen themselves is to obtain unity with other minorities like the Negroes, making them believe that they are persecuted. They have actually succeeded in winning many of them to their side, although the statistics prove that the majority hate the Jews, distrust them and try to avoid them."

From the Egyptian newspaper, "AL GOMHOURIA"
organ of the Egyptian Army, June 26, 1955.

SHALL AMERICAN BOYS SERVE AS CANNON FODDER FOR ZIONIST AGGRESSION IN THE HOLY LAND?

James H. Madole

American wives and mothers grow pale with fear as once more their sons and husbands are torn from loving arms to serve in the role of World Policemen for the protection and support of the Zionist aggressors in Palestine. Draft quotas of American boys are being increased monthly as our Democratic and Republican legislators prepare to bathe the Holy Land in a crimson sea of American blood in order to obtain the Jewish vote for their respective partys in the 1956 presidential election. Our politicians are heedless of the fact that for every Jewish vote obtained at the polls on election day a young American boy will die or lie screaming in agony, perhaps maimed or blinded for life on the scorching sands of the Arabian or Sahara desert. Oceans of mothers' tears or the empty places left at family dinner tables mean nothing in comparison to VOTES and the ALMIGHTY DOLLAR to these political vultures. Hence the world is treated to the disgusting sight of watching political harlots like Eisenhower, Kefauver, Stevenson and Harriman crawling on their bellies to American Jewish leaders and seeking to outdo each other in promises of aid to the aggressor state of Israel.

62-53296-165

Just as Americans were called upon to shed their blood and expend their resources in a "sacred war" to preserve World Jewry against Nazi Germany; so today our sons are again enlisted by our traitorous politicians in a new "HOLY WAR" against the people of the Arab States whose people have suffered grievous injuries at the hands of alien Jews who moved into Arab Palestine, massacred 900,000 peaceful Arab citizens, confiscated all property and bank assets, and to climax these foul deeds drove 1,000,000 men, women and children into the surrounding deserts after stripping them of all their earthly possessions save the clothes on their backs. These hapless refugees were then left to starve by the same gang of Jewish usurers and hock-shop proprietors who once stirred up a world-wide holocaust by wailing about injustices and sins committed by "that fiend Adolf Hitler". The most disgusting fact of all is the sight of sacred American honor and the proud American eagle, once admired and envied by the entire world, now shackled to the Zionist Star of David and dragged in the dust by a howling pack of crude, vulgar and completely rapacious Jewish gangsters in Palestine. By our support of the bastard-state of Israel we have incurred the hatred of 300,000,000 Moslems and driven the whole of Asia and the Middle East into the open arms of Soviet Russia and Red China. What price Israel?

To give you an understanding of America's involvement in the planned conquest and rape of Arab Palestine by a foreign people, the Jews of Europe, we quote from the Catholic publication, "THE POINT", March, 1956 edition, entitled, "Foreign Allegiance of American Jews": "On the night of May 14, 1948, the Jews of America staged a celebration. From New York to Los Angeles, great roaring throngs of them, waving strange flags and bellowing strange anthems, shoved and shouted their way through city streets. Bystanders who had seen the headlines of late-edition newspapers were well aware of the cause of this Jewish rejoicing. For at 6:11 P.M. of that spring evening, President Harry Truman, tossing diplomatic precedent to the winds, had accorded official U.S. recognition to a foreign power established just eleven minutes before: the brash, brawling, Jewish State of Israel. The complacency with which Americans accepted this event was the final flowering of an attitude that had prevailed here ever since the Jews revealed their intention of snatching up the Holy Land as their own domain. It was not, however, an attitude prompted by a single motive. Many Americans smiled upon Zionist ambitions by way of expressing their condolence for the sufferings the Jews said they had endured under the Nazis. But for other Americans, the acquiescence to Jewish schemes was inspired by the wild, desperate fancy that setting up the State of Israel would somehow spell an end to America's own increasingly-urgent Jewish problem."

"The root of this problem lay in the familiar axiom that Jews everywhere are part of a single, inseparable nation, living in many Gentile lands but belonging to none of them. "Jews are a distinctive nationality," said Jewish Supreme Court Justice Louis Brandeis, "of which every Jew, whatever his country, his station, or his shade of belief, is necessarily a member." During the twentieth century, as hordes of Jewish immigrants swarmed into America, the truth of Brandeis' Statement came painfully home. The Jews were a people apart, bristling and intransigent. The notion of America as a melting pot, blending together all peoples and cultures, thus had to be modified with the significant exemption, "But Jews don't melt." (The National Renaissance Party does not accept the view that America should become

a melting pot for non-assimilable and inferior racial groups and cultures. This "melting pot" theory is acceptable to many clerical authorities whose sole concern is the conversion of uneducated savages to their particular brand of clerical dogma. The party believes in preserving and elevating the superior racial stock to mastery of the nation and its destiny.)

"With the State of Israel about to enter its ninth year of impassioned existence, there are more Jews in America than ever before, and more Jewish nationalism. Besides, it is Israel itself, the country to which the Jews of America have deliberately chosen not to go, that excites and benefits most from their labors. Every day come fresh reports of Jewish demands, ranging from indignant cries for American arms to exploratory requests for American troops. The Jews of America were once instructed by David ben-Gurion, Israel's Prime Minister, that they must have "neither friendship nor sympathy but love of Israel, of the State of Israel...it must be an unconditional love. There must be complete solidarity with the State and the people of Israel." This admonition has been taken fervently to heart. Though nearly half the world's Jews live in the U.S., their loyalty is to Israel, the political expression of that fierce and blood-bound thing: the Jewish nation."

"Since 1939, the Jews who live in the U.S. have contributed \$1,100,000,000 to what they call the United Jewish Appeal. To get some small idea of just how successful the U.J.A. has been, we call attention to the relative receipts of that most familiar of all solicitors, the American Red Cross. In the year 1954, drawing upon a Jewish population which the Jews say is only five million, the United Jewish Appeal was able to set a goal that exceeded by \$35,000,000 the amount sought by the entire Red Cross organization, which draws upon one hundred and fifty million Americans...By the Jews' own boast, we are assured that millions of these dollars, wooed from Gentile pocket-books on the Jewish-owned Main Streets of America, have gone into the building of their new country in Palestine."

"A frightening sidelight on this matter of steady income from Israel's non-resident citizens came in September of 1954, when a special "Reparations" fee of \$715,000,000 was extorted by Israel from the government of West Germany. Fantastic as it sounds, this money (being paid in installments of \$60,000,000 per annum) is to compensate for the fact that several years before the State of Israel even existed, German citizens mistreated some fellow German citizens of Jewish blood. The clear claim of the State of Israel in all this is that the German Jews who suffered under Hitler were not Germans at all, but citizens of the Jewish State. And the only conclusion to draw from such a precedent is that, if the Jews have their way, anyone who offends any Jew, in any country, will be responsible to the government of the State of Israel, and liable for whatever "reparations" the Israelis may demand."

At a news conference in New York a few weeks ago, Yaacov Liberman, a member of the executive committee of Israel's powerful Herut Party, announced that Jews must soon seize by force the strategic coastal strip near Gaza and the entire Arab kingdom of Jordan. Liberman's apparent excuse for declaring such a war is that the Jews had actually intended to conquer these additional Arab lands anyway, back in the 1948-49 fighting--when Jewish "regulars" on the Jerusalem front, using Communist arms purchased from Czechoslovakia with American dollars, were under military command of American citizen, and West Point office Colonel David Marcus."

"American Jews have been indicating of late that when their war in the Holy Land is resumed, they want everyone in the American Army to take part, not just the Jewish officers. For, encouraged by the U.S. Government's past financial generosity to the new State of Israel (\$400,000,000 in outright gifts, as of last summer) the Jews are confident that Uncle Sam can be high pressured into being equally generous with his armed forces. If such help materializes, Mr. Liberman will have no difficulty with his modest proposal to annex Gaza and the Jordan kingdom. Indeed, the Jews will unquestionably make the most of the opportunity and grab up much more--all in the spirit of Prime Minister David Ben-Gurion's frank "war policy" statement in January of this year: "We have come a long way without peace. We can go a long way in the future without it."

"The prospect of American boys dying for the cause of Jewish imperialism is hardly a comforting one. It is eclipsed in the minds of American Catholics only by the more devastating prospect of what will happen to the Holy Land's churches and shrines in those not-yet-Jewish areas which, in a future war, would pass into Jewish hands. Readers of "THE POINT" are familiar with the previous Jewish desecrations of the Dormition Abbey, the Convent of Mary Reparatrix, the parish churches of Galilee, and countless others--sacrileges financed and approved by Israel's citizens-in-exile, the Jews of America. The story of the Crucifixion comes to us with new and stark clarity this Lenten season, in the knowledge that the immediate path of Israeli expansion takes in all the sacred shrines of Our Lord's Passion and Death, the Holy Places of the First Good Friday."

While Zionist publications throughout the Western World make political hay out of the fact that Premier Nasser's Egyptian Government received considerable war material from Red Czechoslovakia, they conveniently forget the fact that "the great democracy of Israel" was stocking up arms from the Soviet-controlled Skoda munitions works in 1948. Zionist apologists also neglect to mention that the Arab States tried to obtain arms from the United States for the last three years, ALWAYS WITHOUT SUCCESS. These pertinent facts were brought out by Dr. Fayez Sayegh in a radio debate on the Barry Gray program. Dr. Sayegh is one of the leading defenders of the Arab cause in the United States. He works at the Arab Information Office, 450 Park Ave. N.Y.C. Copies of Dr. Sayegh's writings and speeches may be obtained from that address. We advise our members to write for this material.

As absolute proof of plans for Zionist aggression in the Middle East we quote mimeographed leaflet handed out by the thousands in front of Madison Square Garden on the Jewish holiday of Chanukah by members of the militant Zionist youth group, Brit Trumpeldor of America--Betar:

"How does our victory look today? Are we worthy of our Maccabean heritage? Three-quarters of our homeland is still occupied by foreign armies. (Editorial Note: These militant Zionists consider the Biblical boundaries of ancient Israel to be the legitimate boundaries of the new state of Israel. For this reason the Zionist aggressors consider it their right to seize the Gaza strip, now occupied by Egypt, and the kingdom of Jordan. The term "foreign armies" refers to Arab forces defending their own borders. These ridiculous claims to ancient Biblical territories is tantamount to the American Indians demanding that all Americans return to Europe or be slaughtered. These Jewish Zionists would put Hitler to shame in their invention of fantastic excuses for unwarranted aggression, rapine and murder.)

We continue to quote the handbill of Brit Trumpeldor: "Our ancient capital (Jerusalem) remains in the hands of the Jordan Arab Legion...For the first time in 2000 years, a Jew may not enter the site of the Holy Temple or pray at the Wailing Wall...On this holiday devoted to Jewish victory, let us make a frank appraisal of Israel's situation."

1. The Arabs will never make peace so long as Israel remains a narrow strip of territory.
2. A tiny Israel cannot survive in an Arab sea.
3. England, the Arabs and the Communists are mobilizing to destroy Israel.
4. The United States will orient its foreign policy on Israel only if it is strong and secure--an asset and not a liability.

"By the nature of its historical borders, Israel will call for respect from its neighbors, rather than be a perpetual invitation to invasion. A Jewish state on both sides of the Jordan will be an impregnable bastion of democracy in the Middle East. Let us, on this Chanukah, rededicate ourselves as the Maccabees did in the past-- not to rest until the integrity of the whole of the Land of Israel is reassured."

The above declaration of militant aggression was signed Brit Trumpeldor of America--Betar, 156 West 44th St., N.Y.C. Their phone is listed as Judson 6-2490.

America cannot win a third World War if the entirety of Africa and Asia stand united with the Soviet powers. Our seeking vainly to appease vicious Zionist aggression at the expense of losing the support of 300,000,000 Moslems spread across Asia and Africa, from India and Pakistan to Algeria and Spanish Morocco, may sound the death knell for Western civilization. To illustrate the Arab viewpoint we quote briefly from the speech of Dr. Izzat Tannous, Secretary General of the Arab Palestine Office, made before the Ad Hoc Political Committee of the United Nations on November 25, 1954:

"By brutal force, Israel has been created in the midst of Arab territory. It is literally a wedge separating the Asian from the African part of the Arab world, thus cutting off all land communications between them. Great Britain and the United States of America were the hammer to drive this wedge in this most inconvenient and unhappy position. The Middle East has for many decades been the scene of imperialistic exploitation by the Western Powers. The implantation of this foreign body--Israel--in the centre of an Arab territory is another form of this imperialistic infiltration which all free peoples of the world vehemently resist."

"It is indeed illogical and impractical to expect the Arabs to tolerate this foreign body--foreign in every way: language, religion, culture and most important of all, aspirations. No foreign body may remain in a body unless it can prove its practicability and usefulness. I give a practical life example: for instance, an artificial limb is foreign, but useful. If this foreign body does not prove its usefulness and even more, if it proves its harmfulness--all forces around it will consciously and unconsciously be working for its isolation, and then its eradication. From the way the Israelis have been carrying out their persistent aggressive policy since 1948, they have been asking for isolation and trouble. One may tolerate a harmless growth but not a malignant one. The consequences are unavoidable!"

A CALL TO OUR PARTY SUPPORTERS FOR MILITANT ACTION
IN 1956.

Very soon indoor mass meetings and possibly outdoor street meetings of the National Renaissance Party will begin. You have been reading our publications for many months, some of you for at least six years. Our party which had its beginnings in January, 1949 has entered its seventh year of constant struggle and hardship. We have overcome many obstacles, endured many lies and clanders, not only from enemies but from friends who might have known better. Despite our enemies, the party enters the crucial election year of 1956 with more dues-paying members than ever before.

We urge all our supporters to purchase at least 10 extra copies of this vital edition on the Middle Eastern crisis. Get them into the hands of your friends, Congressmen and local businessmen.

Do not allow our boys to be slaughtered in order to
promote Zionist aggression in the Holy Land. Remember
the Korean Debacle. Any Presidential Candidate
who attempts this monstrous treason should be dragged
from the White House and Given a taste of old-fashioned
Pioneer Justice.

There is being furnished you herewith for your information one Photostat of the March 1956 issue of the "National Renaissance Bulletin."

Your attention is directed to the last page of this issue, which contains the following sentence: "Any Presidential Candidate who attempts this monstrous treason should be dragged from the White House and Given a taste of old-fashioned Pioneer Justice."

A confidential informant, who has furnished reliable information in the past, has advised that the National Renaissance Party is a neo-Nazi, anti-Semitic, anti-Negro organization with activities generally confined to the New York City area. According to this informant its principal activities consist of holding outdoor meetings and the distribution of literature throughout the United States and abroad. The National Renaissance Party was the subject of a "Preliminary Report on Neo-Fascist and Hate Groups" published by the Committee on Un-American Activities, United States House of Representatives, on December 17, 1954, which revealed that this organization's activities are subversive and un-American.

SHALL AMERICAN SOLDIERS SERVE AS CANNON FODDER FOR JEWISH AGGRESSION

IN THE HOLY LAND

Once more the Jews of America are calling upon the American people to enlist their sons and national resources in a new "SACRED WAR" to save World Jewry from persecution and possible extinction. This time we are urged to defend the illegitimate state of Israel against the righteous anger of the Arab States, nations which have always maintained friendly relations with the United States and her people. The Arab people have suffered grievous injuries at the hands of foreign Jews who moved into Arab Palestine, massacred 900,000 peaceful Arab citizens of that little nation, confiscated all property and bank assets, and to climax these foul deeds, drove 1,000,000 men, women and children into the surrounding deserts after stripping them of all their earthly possessions save the clothes on their back.

Traitorous American politicians seeking votes in the 1956 election campaign are preparing to offer up a vast human sacrifice by offering to bathe the Holy Land in a crimson sea of American blood in order to obtain Jewish gold and Jewish votes for the Democratic and Republican political machines. THESE ROYAL POLITICAL PROSTITUTES WILL CAUCIFY THE PROUD AMERICAN EAGLE ON A JEWISH CROSS OF GOLD JUST AS JESUS CHRIST WAS CRUCIFIED AND FOR THE SAME REASON; NAMELY, IN ORDER TO APPEASE THE JEWS.

By our support of the Bastard-state of Israel, we have driven 300,000,000 Moslems into the open arms of Soviet Russia and Red China. Remember the vicious "HATE CAMPAIGN" which American Jewry launched against Adolf Hitler and Nazi Germany as early as 1933? They wanted American boys to serve as cannon fodder to destroy the Fascist nations and to open the path for Soviet expansion in Eastern Europe and Asia. Our traitorous politicians led us into four years of living hell, destroyed nearly 1,000,000 American lives and destroyed the only forces in Europe and Asia capable of destroying World Communism. NOW THE JEWS WANT US TO FIGHT ANOTHER WAR FOR THEIR INTERESTS.

American wives and mothers grow pale with fear as once more their husbands and sons are torn from loving arms to serve as WORLD POLICEMEN for the protection and support of Jewish aggression in the Holy Land. Our politicians are heedless of the fact that for every Jewish vote obtained at the polls on election day, a young American boy will die or lie screaming in agony, perhaps maimed or blinded for life on the scorching sands of the Sahara or Arabian desert.

We urge all readers of this leaflet to send for further informative literature on this subject. Write to:

CALLING ALL AMERICAN NATIONALISTS

Are you opposed to using American soldiers as World Policemen for the benefit of the so-called "United Nations"? Should American soldiers be used as cannon fodder to help perpetuate Zionist aggression against the Arab States in the Holy Land? Would you like to belong to a political party which places the needs and interests of the sovereign American people ahead of all foreign considerations? Are you tired of attending conservative rallies wherein "no controversial subjects" are discussed for fear of antagonizing powerful Red-dominated pressure groups?

If so, we urge you, as an American patriot, to attend the mass meeting of the NATIONAL RENAISSANCE PARTY to be held on FRIDAY EVENING, MAY 18th at 8 P. M. in the NOLA STUDIOS, STUDIO 601, 113 WEST 57th STREET, NYC (NEAR 6th AVENUE). A great quantity of patriotic literature and dynamic speakers will be on hand; speakers who will defend the interests of the United States, not Israel or the United Nations. COME AND BRING YOUR FRIENDS. Patriotic organizations are invited to send delegates.

THE PRO-NEGRO PHASE OF THE RED REVOLUTION IN AMERICA
Stanley F. Morse.

(The following article is the text of an address made by Stanley F. Morse, President of the Grass Roots League, Inc. to the White Citizens Councils of Johns Island and Wadmalaw Island, South Carolina on April 27, 1956)

"None of you has ever gone through a real revolution- -a vindictive, brutal bloody revolution inspired by hatred, greed and lust for power. Yet, we have a real revolution in America- -a revolution made in Russia. Most citizens do not know it, or will not face this fact. Just because you do not believe such a disaster could happen to America does not alter the hard, cold FACT."

"The pro-Negro drive, now part of this revolution, started over 50 years ago when Dr. W.E.B. DuBois, mulatto radical, led the formation of the "Niagara Movement" to combat the teachings of Booker T. Washington and to work for complete social equality. Also, in 1905, American Negro agitators (mostly preachers) helped found the "Ethiopian Church" movement in Africa. This was an anti-white movement, suspected of having instigated several serious native uprisings, and was banned by the authorities. Then in 1909 Dr. DuBois, together with four white leftwingers, organized the NAACP. The revolutionary character of DuBois' leadership is revealed by a quotation from his article in the "ATLANTIC MONTHLY", May, 1915:

"These (colored) nations and races...are going to endure this treatment just as long as they must and not a moment longer. Then they are going to fight, and the War of the Color Line will outdo in savage inhumanity any war this world has yet seen"

"That was in 1915- -40 years ago."

"The Communist Party, under orders from Moscow, in 1920 started the Red drive among U.S. Negroes, and in 1928 published its program which is the same as followed by the NAACP. Although the NAACP denies it is pro-Communist, its old leader, DuBois, and its present "Negro" board chairman, Channing H. Tobias, have long records of affiliation with Communist and Communist-front organizations; and over 75 of its officers, directors, attorneys, etc., have Red records. Meanwhile, in 1925, the Communists reported they had penetrated the NAACP. The National Urban League, another effective pro-Negro organization working with the NAACP, also claims it is anti-Communist. Yet these and other pro-integration organizations like the Southern Regional Council follow the "Communist line". F.B.I. director, J. Edgar Hoover, in recent testimony before a Congressional committee, stated that a few trained Communists in key positions were able to control organizations not officially cited as subversive".

"In my opinion, the mounting evidence indicates that the NAACP and other inter-racial groups are not only subversive but also their activities appear to be planned and directed by the Red Soviet plotters against America. This means that they are

our deadly enemies aiming to stir up dissension, promote the mongrelization and degeneration of White Americans, and overthrow our government through revolution. Unfortunately, the Administration, influenced by its determination to gain the Negro vote at any cost and pressured by Reds within the government itself, is aiding and abetting these pro-Negro enemies of our nation. Loyal American Negroes are hereby warned that if this Communist revolution should destroy our free U.S. Republic, they will lose all their gains and be reduced to slavery under Russian masters. If we wish to survive and preserve our liberty, property, savings and our children's heritage, we must demand that our public officials and legislators take stern, determined measures to halt these revolutionaries before they have gained control of America."

THE SCIENTIFIC AND HISTORICAL BASIS FOR RACIAL SEGREGATION.

James H. Madole

The National Renaissance Party was erected upon the solid immutable laws of Nature which have governed the universe throughout eternity. These laws were in effect long before the first one-celled life forms crawled and swam through the steaming seas of Earth's youth. The laws of Nature were enforced throughout the far-flung starry galaxies long before there was a mind of man to comprehend them. Ever since life appeared on our planet nearly 300,000,000 years ago there has been a ceaseless struggle for survival and the right to reproduce. Entire species and races of living creatures have been erased from the face of the Earth because they have been weighed in the balance by Nature and found unfit to survive. What applied to the nightmare monsters of the Age of Dinosaurs and the early mammals of the Eocene Period applies also to the races of man. To better understand this process of natural selection we quote from "The Outline Of History" by the English historian H.G. Wells: "Consider then what must happen to a new-born generation of living things of any species. Some of the individuals will be stronger or sturdier or better suited to succeed in life in some way than the rest, many individuals will be weaker or less suited...The better equipped individuals will live and grow up and reproduce themselves and the weaker will as a rule go under. The latter will be less able to get food, to fight their enemies and pull through. So that in each generation there is a picking over of a species, a picking out of most of the weak or unsuitable and a preference for the strong and suitable. This process is called Natural Selection or the SURVIVAL OF THE FITTEST."

The process of Natural Selection or Survival of the Fittest applies not only to animal and plant life but to the races, nations and individuals of mankind as well. Between 40,000 and 25,000 years ago the first races of human creatures roamed the Earth. There were two distinct and separate divisions of man's ancestors in existence at that time, namely; the Neanderthal Man, a sub-human creature closer to the ape than to humanity and the Cro-Magnon man described by historians and anthropologists as a tall people with very broad faces, prominent noses and astonishingly large brains. The Cro-Magnons refused to mingle with the hopelessly backward Neanderthal race and proceeded upon a single-minded campaign of exterminating the inferior race. We quote the "OUTLINE OF HISTORY": "Unlike most savage conquerors, who take the women of the defeated side for their own and interbreed with them, it would seem that the true men (Cro-Magnons) would have nothing to do with the Neanderthal race, women or men. There is no trace of any intermixture between the races, in spite of the fact that the newcomers, being also flint users, were establishing themselves in the very same spots that their predecessors had occupied--we know nothing of the appearance of the Neanderthal man, but this absence of intermixture seems to suggest an extreme hairiness, an ugliness, or a repulsive strangeness in his appearance over and above his low forehead, his beetle brows, his ape neck, and his inferior stature. Says Sir Harry Johnston, in a survey of the rise of modern man in his "VIEWS AND

REVIEWS": "The dim racial remembrance of such gorilla-like monsters, with cunning brains, shambling gait, hairy bodies, strong teeth, and possibly cannibalistic tendencies, may be the germ of the ogre in folklore."

Thus we find that the earliest natural instincts born within man are loyalty to the family unit, the tribe, the nation and ABOVE ALL, the RACE! The earliest tribal chief was always the patriarch or elder of the tribe. Early tribes of men fought for grazing lands and rich soil in which to plant his crops. The strongest members of each tribal unit survived, mated with the fairest women and produced children to carry on the battle for survival against competing tribes and savage beasts. Weak tribes, nations and races were invariably exterminated. Those nations which have sought to integrate members of the culturally-creative white race with inferior conquered people have vanished into the mists of bygone history. We have as examples the Macedonian Empire of Alexander the Great which perished after his early death because he sought to force the Greeks, who had brought the beauty of Hellenic art, philosophy and science to Asia in the wake of Alexander's Macedonian legions, to intermarry with the tribesmen of Central Asia. No trace of Alexander's empire remains today save in musty tomes of forgotten history. We have the example of Imperial Rome whose mighty legions, immense wealth and barbaric splendor evoked the saying, "All roads lead to Rome". The Romans kept themselves as a race apart, a conquering, MASTER RACE, and enslaved the less talented or weaker nations and tribes throughout most of Europe and Asia Minor. The flood of Jewish slaves which poured into the Roman Empire from conquered Judea as savants introduced the poisonous doctrines of democracy, equality, meekness and economic usury into the intellect and bloodstream of the proud Roman Eagle and brought that proud symbol crashing into the dust. The American Eagle faces the same fate at the hands of the hordes of gold-laden Jewish Communist refugees which fled here from "The horrors of Nazi persecution" in Europe.

As opposed to the doctrine of racial nationalism and natural selection of superior individuals, nations and races for survival through competition and struggle, the man-made doctrines of liberal democracy, socialism and communism substitute quantity for quality and seek to drag all men down to a common level in the gutter of racial integration. Just as in the days of Imperial Rome these economic, political and spiritual creeds which seek to glorify weakness, pacifism and mediocrity are invariably promoted by Jewish intellectuals. As campfollowers they have enlisted a horde of starry-eyed clerics and Gentile idealists who envision a World State with a universal religion created through the blending of Buddhism, Christianity and good old African Mumbo-Jumbo.

They wish to break down all racial and national barriers thus creating "a universal brown-skinned race of the future". In this outrageous task the opponents of racial nationalism are aided by the apostles of a particularly abhorrent form of mental syphilis known as "MODERNIST CHRISTIANITY", the Bolsheviks in clerical collars, both Protestant ministers and Catholic priests who preach the doctrine of universal brotherhood and seek to break down all racial barriers in order to convert illiterate savages to their particular brand of clerical dogma. All these disciples of democracy worship weakness, indecision and mediocrity. They hate true leadership or individual genius which are the twin cornerstones of national greatness. Just listen to any of our puny American, British or French politicians as they hurl slander, filth and invective during the course of every election campaign. We quote the famous Greek philosopher Plato as he denounced the politicians of his day:

"They distribute praise and censure with a view to their own interests; they say that dishonesty is shameful and unjust--meaning by dishonesty the desire to have more than their neighbors; for knowing their own inferiority, they would be only too glad to have equality...But if there was a man who had sufficient force, he would shake off and break through and escape from all this; he would trample under foot all our formulas and spells and charms, and all our laws, that sin against nature."

Many of the world's leading scientists, historians and philosophers have opposed the doctrine of racial equality but have been buried in a blanket of silence by our Jewish-controlled publishing industry, press, cinema and television networks. To prove our point conclusively we will quote some leading world authorities.

David Hume, a great English philosopher, was a profound thinker and wrote on philosophy, psychology, ethics and economics. The following quotation is from "ESSAYS, MORAL and POLITICAL", Vol. II:

"I am apt to suspect the Negroes to be naturally inferior to the whites. There scarcely ever was a civilization of that complexion, nor even any individual, eminent either in speculation or action."

Edward Gibbon was one of the world's greatest historians. Here is his observation on the Negro race from Volume 3, Page 277 of "THE DECLINE and FALL of the ROMAN EMPIRE":

"These gloomy terrors (the invasion of Rome from the south by Negro barbarians) would indeed have been dispelled by a more intimate acquaintance with the character of their African enemies. The inaction of the Negroes does not seem to be the effect either of their virtue or of their pusillanimity. They indulge, like the rest of mankind, their passion and appetites, and the adjacent tribes are engaged in frequent acts of hostility. But their rude ignorance has never invented any effectual weapons of defense or destruction; they appear incapable of forming any extensive plans of government or conquest; and the obvious inferiority of their mental faculties has been discovered and abused by the nations of the temperate zone."

The following statement is taken from a speech by Abraham Lincoln in his debate with Douglas at Ottawa, Illinois on August 21, 1858:

"I have no purpose to introduce political and social equality between the white and black races. There is a physical difference between the two, which in my judgment, will probably forever forbid their living together upon the footing of perfect equality; and inasmuch as it becomes a necessity that there must be a difference, I am in favor of the race to which I belong having the superior position."

Thomas Huxley, English scientist and naturalist, was a popular interpreter of Darwin's theory of the origin of species and both a brilliant thinker and writer. This quotation is from his book, "EMANCIPATION, BLACK and WHITE".

"It may be true that some Negroes are better than some white men; but no rational man, cognizant of the facts, believes that the average Negro is the equal, still less the superior, of the average white man. And, if this be true, it is simply incredible that when all his disabilities are removed, and our prognathous relative has a fair field and no favour, as well as no oppressor, he will be able to compete successfully with his bigger-brained and smaller-jawed rival, in a contest which is to be carried on by thoughts and not by bites. The highest places in the hierarchy of civilization will assuredly not be within the reach of our dusky cousins, though it is by no means necessary that they should be restricted to the lowest."

William Archer is a well known English critic, writer and publicist who has travelled in the United States, South America and India and made observations on the problems of race in all these areas of the globe. The following excerpt is taken from "INDIA and the FUTURE":

"In moving among Negroes, one has constantly to avow--perhaps to struggle against a sense of their fundamental, inherent, ineradicable inferiority. Whatever may be their amiable and even admirable qualities, one cannot resist the conviction that

they are some degrees nearer the brute; nor can one wonder at their proved incapacity to evolve for themselves any approach to civilization."

Oliverira Vianna is a member of the Brazilian Academy of Letters. He is, himself, of mixed blood. The following translation of a paragraph from one of his books is taken from Donald Pierson's "NEGROES IN BRAZIL": "The pure Negroes never will be able, not even the most advanced representatives of the race, to be assimilated completely into the white culture: their capacity for civilization--their civilizability, so to speak--does not extend beyond merely imitating, more or less imperfectly, the habits and customs of the whites. Between the Negro's mentality and that of the Caucasian lies a substantial and irreducible difference which no social or cultural pressure, no matter how long it may be continued, can possibly overcome."

We owe the above quotations to a splendid new book, "THE CULT OF EQUALITY" by Mr. Stuart O. Landry.

NRP LAUNCHES OUTDOOR MASS MEETINGS IN YORKVILLE

On June 22nd, 1956 the National Renaissance Party held its first outdoor mass meeting on the southeast corner of York Ave. and 84th Street. This was the first invasion of the New York streets by party forces since May, 1954 when two large rallies were held in the Red Hook section of Brooklyn. During this vital election year the NRP is concentrating its major effort on capturing a large percentage of the vote in the Yorkville section of Manhattan. Yorkville is composed largely of German, Hungarian, Irish and Puerto Rican nationality blocs. In previous years the Yorkville voting district has been dominated by the left-wing American Labor Party led by the deceased Congressman Vito Marcantonio. This is due to the fact that Yorkville is a working-class neighborhood most of whose residents live in cold water flats and are regimented in Jewish-dominated labor unions.

At our very first meeting, Mr. Madole, director of the NRP, ripped into the American labor union setup as a Jewish owned racket which even forced the great majority of Gentile workers to pay for Israel bonds in open support of an aggressive foreign state and the Jewish-dominated NAACP (National Association For the Advancement of Colored People) which seeks to break down all forms of racial segregation. These same Gentile workers are being forced to support a Jewish sponsored BOYCOTT OF ALL GOODS MANUFACTURED BY THEIR FELLOW GENTILE WORKERS IN THE AMERICAN SOUTH. Despite heckling from a few school kids who had been paid by two leftist agitators in the crowd, the vast majority of the people were in favor of the speaker's words and accepted party leaflets.

We urge EVERY MEMBER IN THE NEW YORK-NEW JERSEY area to attend these weekly mass meetings. THERE WILL BE AN OPEN AIR RALLY EVERY THURSDAY EVENING AT 8 P.M. ON THE SOUTHEAST CORNER OF YORK AVE. AND EAST 84th ST., N.Y.C. COME, BRING ALL YOUR FRIENDS, AND MAKE YOURSELF HEARD IN BEHALF OF YOUR PARTY. WE ARE CARRYING THE FIGHT TO THE ENEMY AND INVADING HIS TERRITORY. GET IN THE FRONT LINE AND HELP.

"More than thirty years have now passed since in 1914 I made my modest contribution as a volunteer in the First World War, which was forced upon the Reich. In these three decades I have been actuated solely by love and loyalty to my people..."

"It is untrue that I, or anyone else in Germany, wanted the war in 1939. It was desired and instigated solely by those international statesmen who were either of Jewish descent or looked for Jewish interests. I have made too many offers for the control and limitation of armaments, which posterity will not for all time be able to disregard, for the responsibility for the outbreak of this war to be laid on me. I have further never wished that, after the fatal First World War, a second against England or against America, should break out. Centuries will pass away, but out of the ruins of our towns and monuments hatred will grow against those finally responsible for everything, International Jewry and its helpers...I have also made it plain that, if the nations of Europe are again to be regarded as mere shares to be bought and sold by those international conspirators in money and finance, then that

62- 83296-174

race, Jewry, which is the real criminal of this murderous struggle, will be saddled with the responsibility..."

"After six years of war, which in spite of all set-backs will go down one day in history as the most glorious and valiant demonstration of a nation's life purpose, I cannot forsake the city which is the capitol of the Reich...I have decided, therefore, to remain in Berlin and there of my own free will to choose death at the moment when I believe the position of Fuehrer and Chancellor can no longer be held..."

"I die with a happy heart aware of the immeasurable deeds of our soldiers at the front ...That from the bottom of my heart I express my thanks to you all is just as self-evident as my wish that you should, because of that, on no account give up the struggle, but rather continue it against the enemies of the Fatherland...From the sacrifice of our soldiers and from my own unity with them unto death will spring up in the history of Germany the seed of a radiant renaissance of the National Socialist movement and thus of the realization of a true community of nations."

Adolf Hitler's Last Political Testament
April 29, 1945

(Editorial Note:) Since 1914 the American people have been taught to blindly hate and vilify everything of Germanic origin. We have been the victims of a brainwashing campaign unprecedented in human history. It should be obvious that anti-Semitism did not originate with either Adolf Hitler or the German people but is a result of Jewish actions which have antagonized the citizens of every nation in which they have resided at one time or another. The Jews have kept themselves as a race apart thus constituting a state within a state in all nations. We quote Max Nordau, a prominent Zionist leader: "We are neither Germans nor English nor French. We are JEWS. Your Christian mentality is not ours." We quote Gerald Soman, Chairman of the World Jewish Fellowship in its official manifesto of January 1, 1935: "We are a race, and only as a race can we perpetuate. YOU CANNOT BE ENGLISH JEWS. Our mentality is of a Hebraic character, and differs from that of an Englishman. Enough subterfuges. Let us assert openly that we are International Jews."

The internationalist doctrines of the Jew have caused friction within the ranks of all nations. We quote the Jewish writer, Alter Brody, in the "NEW MASSES" of May 12, 1936, pg. 14: "The undeniable problem of the Jew can only be solved in a socialist society. No agitators did more to bring in the French Revolution of 1848 than the two Jews, Heinrich Heine and Ludwig Borne. It was a Jew, Leon Trotsky, who led the Red Army which saved the Communist cause in Russia. It was a Jew, Karl Liebknecht, aided by a Jewess, Rosa Luxemburg, who led the Spartacist insurrection in Germany. It was a Jew, Bela Kun, who set up the Red regime in Hungary. It was a Jew, Kurt Eisner, who led the Socialist Putsch in Bavaria. To the Jew, revolutionary activity seems to be the one road to ultimate freedom."

The Jew has also stirred up international "hate campaigns" and instigated worldwide economic boycotts against those nations or regimes which have refused to tolerate interference in their internal and foreign affairs by this race of international parasites. One million Americans were killed or maimed for life because World Jewry demanded American boys as cannon fodder in a "SACRED WAR" against Hitlerism. Who else had reason to hate Germany and the Nazi Regime except the Jews of America. Since 1945 we have experienced similar "Hate Campaigns" and threats of economic boycott against Franco, Spain, the Peronista Regime in Argentina, the segregationist policies of Premiers Malan and Strijdom in South Africa and the devilish agitation launched against our own American South. The latest attempt by World Jewry to involve America in another foreign war is the constant vilification of the Nasser regime and the Arab States for refusing to permit continued Zionist aggression in the Holy Land. In Palestine the Jews have committed every possible crime of which they accused the Nazis but still THEY ARE UPHELD BY THE "KEPT PRESS" OF AMERICA AND THE POLITICAL WHORES IN WASHINGTON. In light of these facts we ask you to read the following article, originally published in the May, 1953 NRP Bulletin. This was one of the very few articles

ever published in the U.S. favorable to the Hitler regime. When next you think of World War II and its aftermath perhaps you will ask yourself, WAS THIS WAR REALLY NECESSARY?

ADOLPH HITLER, THE GEORGE WASHINGTON OF EUROPE.
James H. Madole.

In May, 1945 the Jewish vultures plunged low over the prostrate ruins of Nazi Germany as hordes of Jewish bureaucrats from Washington and Moscow fought for the cultural and military spoils of Central Europe. Beautiful cultural centers like Berlin, Cologne and Dresden had been reduced to smoking ash heaps, their civilian population converted into screaming human torches as a result of the phosphorus bombs dropped from the bombing squadrons of Jewry's American and British errand boys in Europe. Our Twentieth Century liberal democrats and apostles of brotherly love laughed when thousands of lovely German and Austrian girls were dragged from their mother's arms by lustful Red savages from the steppes of Asia and by panting Senegalese Negroes, hired as mercenaries by our French allies. Captured German soldiers were used for homosexual purposes by these same Senegalese savages during the North African campaign. Awake of suicides, syphilis, and illegitimate mulatto children swept Central Europe and England while the Jewish occupational officers and prosecutors led by Eisenhower, the boy with the Ipana toothpaste smile, gloated with the report of each new outrage.

In a final burst of savagery and hatred the Jews manipulated the legalized murder and torture of Germany's top military, political and economic leadership at the infamous Nuremberg Trials. This trumped up infamy will live in history as a black smirch on the records of American justice. Since the war's end these trials have been denounced by such prominent Americans as Senator Robert Taft, Senator Joseph McCarthy and Judge LeRoy Van Roden, one of the few Gentile judges involved. Despite the inhuman hardships and cruelties inflicted upon them, the German people remained loyal to the memory of their heroic Chancellor, Adolf Hitler. Only a few cowards and traitors joined hands with Jewry's political puppet, Konrad Adenauer and his Jewish wife of the Zinsser family. Even before the rise of Hitler, Adenauer was one of the Rhineland Separatists who favored giving the vital Rhine industrial centers to Germany's mortal enemy, France. Adenauer was a leader of the Catholic Centre Party which placed the interests of their church ahead of the interests of their fellow Germans. These clerical parties in Germany, Italy, Belgium and Austria became the Christian Democratic coalition parties of the post-war period which, with Allied backing, today rule Italy, Germany and Belgium.

We have on record the last words of seven German soldiers hung at Landsberg Prison by the Jewish Occupational authorities. They were guilty of two great crimes, love of country and racial pride. The young hero of the American Revolution, Nathan Hale, when captured by the British was offered his life in exchange for vital military information. His immortal reply was: "I regret that I have but one life to give for my country." Compare this statement with the final words of German soldier, Werner Braune, spoken at the foot of the gallows:

"Germans. Obedience and faithfulness to my supreme chief of state brought me under the gallows. I cannot regret my obedience. In place of being shot at the front by comrades, I deem it to be more honest to be killed at the gallows by the hands of the enemy. My love was devoted to my people. My struggle was for truth and justice. My last idea is Germany. My last greeting is for my brave wife, my children, my old parents, my beloved brother and all my relations and friends. My last prayer is: God, forgive my murderers."

Despite the horrors of rape, famine and legalized murder the German people dug out from the ruins and commenced the hard and arduous task of reconstruction. The

militant Fascist spirit awaited only the exit of Allied occupational forces before taking the reins of power from the feeble puppets of Western Democracy known as Konrad Adenauer in Germany and Alcide de Gasperi in Italy. To understand the revival of European Fascism in post-war Europe requires a basic understanding of the beauty and glory essentially inherent in sacrificing one's personal interests to the greater needs of the race and nation which are the twin cornerstones of Fascist or racial nationalist philosophy as compared to the decadent democracy of Western Europe which serves as a media for the economic and political exploitation of the Gentile masses by the Jewish Race.

The two political titans of Twentieth Century Fascism were Benito Mussolini and Adolf Hitler. These two men created a political and economic philosophy which swept the mental shackles of Jewish Bolshevism from the minds of untold millions of European workers, intellectuals and shopkeepers. These two men created order out of chaos and prevented the final extinction of Western Civilization at the hands of a barbarian Asiatic horde led by the Jewish Commissars of the Kremlin. When his liberal critics referred to him as a "ruthless totalitarian dictator," Mussolini replied as follows:

In what consists the Liberalism which today inspires all the enemies of Fascism? Does Liberalism stand for universal suffrage and such conceptions? Does it mean keeping Parliament permanently sitting so that it may continue to present the ignoble spectacle which has evoked general disgust? Does it, in the name of Liberty, allow the minority to destroy the freedom of the majority? (Has not the American Supreme Court proven the truth of Mussolini's words with its decision to abolish segregation thus forcing Negro rights ahead of the rights of the White majority?) Does it mean making way for those who declare their hostility to the State and who are working actively to destroy it? (Remember the horde of Communist kikes who have hidden behind the fifth Amendment or screamed about violations of their civil liberties. The latest being Marilyn Monroe's Jew-boy, Arthur Miller.) Is this Liberalism? Well, if this be liberalism, it is a theory and practice of surrender and ruin. Liberty is not an end, it is a means. As a means it needs to be controlled and dominated. Here we come to the question of force."

"I beg my friends the liberals to tell me if ever in all history there was a government which was based exclusively upon the consent of the people and which was ready to dispense altogether with the use of force. There has never been and never will be such a government. The consent of the people is as mutable as the sands of the seashore. The consent of the people is never permanent. There never was a government that made all the governed happy. And granted this fact, however far-seeing the government may be, there must always be malcontents, how shall you prevent their feelings from growing and from becoming a danger to the State? You must have recourse to force."

"Now Fascism throws the noxious theories of so-called Liberalism upon the rubbish heap. The truth, manifest to all whose eyes are not blinded by dogmatism, is that men are tired of liberty. They have had an orgy of it. Liberty is today no longer the chaste and severe virgin for whom fought and died the soldiers of World War I. For the youths of today, intrepid, eager, stern, who envisage the dawn of a new era, there are words which exercise a more potent fascination and these words are: Order, Hierarchy, Discipline..."

The collapse of the Imperial German Army in 1918 was brought about by the great munitions strike fomented by Communist Jews in control of the well organized German Trade Union Movement. The most prominent of these Jewish leaders were Rosa Luxemburg and Karl Liebknecht. These Jewish labor leaders, assisted by a host of "liberal" Jewish journalists and professional red revolutionists, were seeking to create a Soviet Germany to act as a buffer state for Lenin's newly created Soviet Russia which had

been established in 1917. The attempted Red Revolution in Germany failed due solely to the heroic efforts of Adolf Hitler and the National Socialist Party. In Sept. 1928 Hitler spoke to his party leaders in Munich. The problems confronting Germany in 1928 were similar to the problems of America today. In order to save Germany from financial and moral collapse, Hitler postulated the following program:

"In the first place our people must be delivered from the hopeless confusion of international convictions and educated consciously and systematically to fanatical Nationalism...Second, insofar as we educate the people to fight against the delirium of democracy and bring it again to the recognition of the necessity of authority and leadership, we tear it away from the nonsense of parliamentarianism. Third, insofar as we deliver the people from the atmosphere of pitiable belief in possibilities which lie outside the boundaries of one's own strength--such as the belief in reconciliation understanding, world peace, the League of Nations, and international solidarity--we destroy these ideas. There is only one right in the world and that right is one's own strength."

Thus Hitler explained to his people the futility of seeking international cooperation with those nations which were bent on exploiting a defeated and occupied Reich. How could there be reconciliation and friendship with a French government whose troops occupied the key German industrial areas of the Saar Basin and Rhineland? Could there be international solidarity with an England who had jealously stripped Germany of her African colonies and overseas trade? Only strong nations can afford to bargain in the great game of power politics. Hence Hitler's primary goal was the creation of a strong, independent, self-confident Germany.

The racial philosophy of the Nazi Movement was completely at variance with the doctrine of liberal democracy, which had emerged from the Red ghettos of Eastern Europe and the Masonic Lodges of France at the time of the bloody French Revolution. Liberal democracy was based on the mythical claims of racial, political and economic equality laid down by Jewish intellectuals like Adam Weissaupt, founder of the semi-mystical Illuminati Society and spiritual mentor of the French Revolution as well as Karl Marx, author of the Red Bible, "DAS KAPITAL", and founder of World Bolshevism. This democratic creed of universal equality was used by its spiritual founders, the Jewish Race, to break down the racial and national pride of the culturally dominant White Aryan Race. The Jew, like the Biblical serpent tempting Eve in the Garden of Eden, seeks to lure the Aryan Race into polluting its pure blood and creative ingenuity by mixing sexually with Zulu Hottentots and Asiatic ancestor worshippers. Hitler spoke as follows concerning the National Socialist conception of race:

"National Socialism takes as the starting point of its views and its decisions neither the individual nor humanity. It puts consciously into the central point of its whole thinking the Race. This Race is for us a blood-conditioned entity in which we see the God-willed building stone of human society. The individual is transitory, the Race is permanent. If the Liberal viewpoint in its deification of the single individual must lead to the destruction of the racial community, National Socialism, on the other hand, desires to safeguard the Race, if necessary even at the expense of the individual. It is essential that the individual should slowly come to realize that his own ego is unimportant when compared with the existence of the whole people...Above all we must realize that the freedom of the mind and will of a whole nation are to be valued more highly than the individual's freedom of mind and will."

The Nazi Party took power in 1933 and inaugurated the most rapid economic recovery program in European history. Vast public housing and road building projects were undertaken successfully. American soldiers returning from occupied Germany have remarked about the high standard of living and cleanliness prevalent in German towns and cities under the Hitler regime. How was it possible for the Nazi Party to raise Germany from the depths of unemployment and financial ruin to the heights of economic

prosperity in three short years? This problem was solved by substituting the productive capacity of the German worker for the Capitalist inspired Gold Standard. Hitler explained it to the German workers of Berlin on December 10, 1940 as follows:

"The German capacity for work is our gold and our capital, and with this gold I can compete successfully with any power in the world...My whole economic system has been built upon the conception of work. We have solved our problems while, amazingly enough, the capitalist countries and their currencies have suffered bankruptcy. Sterling can find no market today. But our Reichsmark, which is backed by no gold, has remained stable. Why? It has no gold cover, it is backed by you and your work ..German currency, with no gold coverage, is worth more today than gold itself. It signifies unceasing production."

"Work alone can create new work; money cannot create work. Work alone creates values, values with which to reward those who work. The work of one man makes it possible for another to live and continue to work. And when we have mobilized the working capacity of our people to its utmost, each individual worker will receive more and more of the world's goods."

The success of the Nazi regime in substituting a goods standard for the gold standard threatened the security of international finance throughout the civilized world. The golden shackles, forged originally by the Jewish Rothschild financial empire, which had held the world in bondage for generations were seriously weakened. This fact combined with Hitler's world-wide exposure of the Jewish Race as the motivating financial and intellectual force behind World Communism spelled the final doom of Nazi Germany. The press, radio and cinema of every nation in Europe and the Americas were geared to an unceasing campaign of vilification and hatred against everything of Germanic origin. All German goods and shipping was boycotted by order of the Jewish millionaire, Samuel Untermyer, president of the World Jewish Economic Federation. Woolworths, Macys, Gimbels and other major department store chains destroyed millions of dollars worth of German goods rather than face the wrath of Jewish customers and wholesalers.

Although the World Almanac attests to the fact that fewer than 600,000 Jews ever lived in Germany, the Jews persisted in their monstrous lie that Nazi Germany had cremated six million of their co-racials. This lie was used as a basis for demanding over \$850,000,000 indemnity to be paid to the aggressor state of Israel in order that the Zionists can continue their campaign of extermination against the Arabs. Many Jews allegedly roasted by Hitler are now turning their talents to butchering Arab women and children in the Gaza strip.

That Hitler and his regime were loved and honored by the German people is proven by the fact that it took the combined manpower and resources of the entire world five long years to defeat a mere sixty million Germans. Although Adolf Hitler is dead, his philosophy lives again in the growing strength of Fascist forces in America, Europe and the Middle East. What Hitler accomplished in Europe, the National Renaissance Party shall yet accomplish in America.

SHALL AMERICAN SOLDIERS SERVE AS CANNON FODDER FOR JEWISH AGGRESSION

IN THE HOLY LAND

Once more the Jews of America are calling upon the American people to enlist their sons and national resources in a new "SACRED WAR" to save World Jewry from persecution and possible extinction. This time we are urged to defend the illegitimate state of Israel against the righteous anger of the Arab States, nations which have always maintained friendly relations with the United States and her people. The Arab people have suffered grievous injuries at the hands of foreign Jews who moved into Arab Palestine, massacred 900,000 peaceful Arab citizens of that little nation, confiscated all property and bank assets, and to climax these foul deeds, drove 1,000,000 men, women and children into the surrounding deserts after stripping them of all their earthly possessions save the clothes on their back.

Traitorous American politicians seeking votes in the 1956 election campaign are preparing to offer up a vast human sacrifice by offering to bathe the Holy Land in a crimson sea of American blood in order to obtain Jewish gold and Jewish votes for the Democratic and Republican political machines. THESE ROTTEN POLITICAL PROSTITUTES WILL CRUCIFY THE PROUD AMERICAN EAGLE ON A JEWISH CROSS OF GOLD JUST AS JESUS CHRIST WAS CRUCIFIED AND FOR THE SAME REASON; NAMELY, IN ORDER TO APPEASE THE JEWS.

By our support of the Bastard-state of Israel, we have driven 300,000,000 Moslems into the open arms of Soviet Russia and Red China. Remember the vicious "HATE CAMPAIGN" which American Jewry launched against Adolf Hitler and Nazi Germany as early as 1933? They wanted American boys to serve as cannon fodder to destroy the Fascist nations and to open the path for Soviet expansion in Eastern Europe and Asia. Our traitorous politicians led us into four years of living hell, destroyed nearly 1,000,000 American lives and destroyed the only forces in Europe and Asia capable of destroying World Communism. NOW THE JEWS WANT US TO FIGHT ANOTHER WAR FOR THEIR INTERESTS.

American wives and mothers grow pale with fear as once more their husbands and sons are torn from loving arms to serve as WORLD POLICEMEN for the protection and support of Jewish aggression in the Holy Land. Our politicians are heedless of the fact that for every Jewish vote obtained at the polls on election day, a young American boy will die or lie screaming in agony, perhaps maimed or blinded for life on the scorching sands of the Sahara or Arabian desert.

DETAILS: All information set out in this report as furnished by T-1, who has furnished reliable information in the past, was obtained by him from a source which he declined to identify, but whom he termed reliable and a member of the captioned organization.

I. GENERAL ACTIVITIES OF THE NATIONAL RENAISSANCE PARTY

T-1 indicated on July 2, 1956, that the National Renaissance Party (NRP), continues to maintain its headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its national leader. He stated that recent activities of the party have been the holding of public meetings, both indoors and on street corners in the Yorkville section of New York City. He further stated that the party has distributed National Renaissance Bulletins which continue to be anti-Semitic in content.

T-1 said that MADOLE continues as head of the party and there has been no significant change in its membership in recent months. He said that MADOLE plans to hold outdoor street meetings throughout the summer months and to continue to publish the bulletin on a regular monthly basis.

T-1 indicated on May 15, 1956, that JAMES MADOLE had held a meeting of the NRP at his apartment on May 10, 1956. He said that nothing of importance was discussed except that MADOLE had announced the next meeting of the party would be held May 18, 1956, at Steinway Hall on West 57th Street, New York City. T-1 also indicated that JOSEPH RUDDEN, a member of the NRP had obtained a large amount of literature for the NRP at the Egyptian office at 900 Park Avenue. He indicated that this literature would be displayed at the forthcoming meeting of the NRP on May 18.

N.Y.
National Renaissance Party

NY 105-6112

T-1 stated that it is believed that the printer of the post card announcement for the forthcoming meeting is Zeidler Press, at 246 East 84th Street, New York City.

T-1 indicated on June 2, 1956, that JAMES MADOLE had recently become quite friendly with BENJAMIN FREEDMAN. He said that MADOLE had explained to FREEDMAN that the distribution of the party literature was limited because of lack of funds and that FREEDMAN had promised financial aid to MADOLE pointing out to him however that FREEDMAN himself would supply the funds. FREEDMAN advised MADOLE that he should use a photo offset for printing the party bulletin as it looked much better than a mimeographed job. FREEDMAN also stated that he knew a place that would do this printing for MADOLE. N.Y.

T-1 added he believes FREEDMAN meant CONDE MC GINLEY and that FREEDMAN did not know that MADOLE is presently having his mimeographing done at Mc Ginley's printing firm. T-1 added that FREEDMAN gave MADOLE about \$35.00 to help with the publication of the next National Renaissance Bulletin. T-1 said that the cost of the April bulletin, which was printed by MC GINLEY, had been \$24.00. T-1 stated that one part of this bulletin was an address by STANLEY F. MORSE, President of the Grass Roots League, Incorporated, to the White Citizens Council of John's Island and Wadhalaw Islands, South Carolina, on May 27, 1956. T-1 also indicated that MADOLE had established an exchange of information with the Grass Roots League, Box 551, Charlotte, South Carolina, and is receiving their mail regularly. N.C.?

T-1 indicated on June 18, 1956, that the NRP had planned to hold its first street meeting of the year on June 14, 1956, at the corner of York Avenue and 86th Street, New York City. However, inasmuch as they were unable to obtain police protection on that night, the meeting had been called off. T-1 said that MADOLE had made frequent inquiries of the Police Captain at the East 67th Street Precinct regarding the holding of meetings in his area and MADOLE had

NY 105-6112

requested permission to hold these meetings on or near the vicinity of 86th Street. The Police Captain had advised him that if any meetings were held, they should be held at York Avenue and East 84th Street.

T-1 said that MADOLE had rescheduled his meeting for June 21, 1956, at the corner of 84th Street and York Avenue and had been promised police protection. T-1 also stated that MADOLE had recently paid another of his regular visits to the Egyptian office, 900 Park Avenue, and had left with a large bundle of literature, including "The Scribe" for May, 1956. T-1 said it is MADOLE's practice to advertise these booklets and magazines which he receives from the Syrians, Egyptians and others for sale in his National Renaissance Bulletin.

T-1 added that WEST ~~HOOKER~~^{HOOKER}, leader of the Nationalist Party, has met with JAMES MADOLE frequently within the past month attempting to persuade him to cooperate with the Nationalist Party. He stated that MADOLE still refuses to combine forces with HOOKER and it does not appear that these two organizations will ever be combined. He added however that MADOLE has changed his regular meeting night to Thursdays, inasmuch as HOOKER's group plans to have meetings on Friday nights and he does not desire to conflict with these meetings. T-1 described the Nationalist Party as a New York City group headed by WEST HOOKER which advocates Fascism and anti-Semitism.

T-1 indicated on June 2, 1956, that JAMES MADOLE had attended a meeting on April 27, 1956, held at the headquarters of CONDE MC GINLEY in Union, New Jersey. He said that while at this meeting, MADOLE collapsed and was taken to a hospital in Irvington, New Jersey. T-1 said that this was another attack of asthma which MADOLE has suffered with for many years. He stated, however, that these attacks have been occurring much more frequently within recent months and are of a more serious nature. He said it was believed that MADOLE would have died during this most recent attack if he had not received oxygen in time. T-1 said that MADOLE had been taken to his home from the hospital on Monday, May 28, and that his vacation had started on that day and would last for two weeks.

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF
THE NRP

A. Meetings

b6
b7C

[REDACTED]
indicated on April 12, 1956, that he had received literature by mail from the NRP announcing a meeting at Nola Studios, 113 West 57th Street, New York City, to be held on April 14, 1956, at which Dr. OMAR KHADRA, Saudi Arabian Delegate to the United Nations, would be the guest speaker.

T-1 indicated on April 10, 1956, that the NRP had mailed out postcard announcements of a meeting to be held April 14, 1956, which card was entitled, "Must American Boys Die in Palestine". He stated this card indicated that Dr. OMAR KHADRA of the Saudi-Arabian Delegation to the United Nations would present the views of the Arab States on the Palestine question. A list published by the United States Mission to the United Nations listing members of the Delegations to the United Nations entitled to diplomatic and ^{privileges} immunity listed Dr. OMAR ABU KHADRA, 1 Gracie Terrace, New York 28, New York, as Cultural Attache, Alternate Representative, Saudi-Arabian Delegation, 405 Lexington Avenue, New York City.

T-1 added that Dr. KHADRA had furnished JAMES MADOLE a list of people to whom to send announcements of this meeting and that some people at the United Nations had received such announcements.

T-1 also advised on April 12, 1956, that MADOLE had been notified by members of the Nationalist Party that they would "bust into his meeting and kick his teeth in". MADOLE indicated that he would make sure that he had some individuals present at the meeting on April 14, 1956, that could defend him.

T-1 advised on April 19, 1956, that the NRP had held a meeting on April 14 at Nola Studios, 113 West 57th Street, New York City. He stated that about 50 persons attended

T-1 added that several policemen in plain-clothes were stationed in the corridor outside of the meeting hall and that several other policemen were outside on the street. T-1 stated that WEST HOOKER of the Nationalist Party did not attend this meeting and is believed that the presence of so many policemen had discouraged his attendance. However, seven or eight youngsters associated with HOOKER's group had attended the meeting with [redacted]

b6
b7C

T-1 said that MADOLE was the only speaker and had made a vicious attack on the President of the United States indicating that he was controlled by the Jews and that his wife is a Jew. MADOLE indicated to the group that Dr. OMAR KHADRA, who had been scheduled to speak at this meeting, informed him that unavoidable circumstances had taken him away from New York City and he would not be able to appear. MADOLE indicated that this was caused by the pressure which the Jews had put on the United States State Department.

T-1 said that MADOLE had stated during his speech that HITLER and MUSSOLINI are the two great martyrs to their cause. T-1 added that about \$27.00 was received at a collection and that Mrs. MADOLE was in charge of a literature table at which old copies of the National Renaissance Bulletin were sold.

T-1 said that after MADOLE's speech, during a period of questions and answers, that [redacted] had asked MADOLE why he would not cooperate with Mr. HOOKER, who wants to work with Nationalist groups. MADOLE replied that he is willing to cooperate with HOOKER and others, depending on what is meant by cooperation.

b6
b7C

NY 105-6112

T-1 added that there were no incidents at this meeting and MADOLE appeared to be in complete control at the proceedings. T-1 added that after the meeting when MADOLE returned to his apartment he observed an automobile parked in front of his building which was marked with an insignia of HOOKER's group and that MADOLE believed this was meant to be a warning to him and an effort to intimidate him by the HOOKER group.

T-1 added that it seems apparent that MADOLE will never give up sovereignty over the NRP and, therefore, will not cooperate with any other groups and will combat any interference by persons who attempt to take over or control the NRP.

[redacted] Steinway Company, 113 West 57th Street, New York, indicated on May 9, 1956, that JAMES MADOLE had reserved the Nola Studios for a meeting on May 18, 1956. She said that he had paid in advance \$18.00 by check on the Manufacturers Trust Company, 1511 3rd Avenue, New York City, which was signed by MADOLE on the account of the NRP.

b6
b7C

SAS of the FBI observed approximately 10 persons entering the Nola Studios on the evening of May 18, 1956, for a scheduled meeting of the NRP. This meeting began about 8:30 PM and was conducted by JAMES MADOLE. JOSEPH RUDDEN was observed assisting MADOLE at this meeting and GRACE MADOLE and LOUIS MOSTACCIO were identified in attendance at this meeting.

T-1 indicated on May 21, 1956, that a meeting of the NRP was held on May 18, 1956, at Steinway Hall, New York City. He stated this meeting was a failure because only about 11 people were present including JAMES MADOLE, GRACE MADOLE, LOUIS MOSTACCIO, CARL SCHMIDT, JOE RUDDEN, MAX HUDDLE and several youths from the HOOKER organization. T-1 added that EUSTACE MULLINS appeared for about 15 minutes at the meeting but left without making any comment. T-1 said that MADOLE was the only speaker and made his usual comments concerning anti-Semitism. He indicated that the EISENHOWER government is controlled by the Jewish race and the Jewish minority will lead this country into war.

T-1 indicated on July 2, 1956, that the NRP had held a meeting on June 22, 1955, at the corner of York Avenue and 84th Street, which was given police protection at MADOLE's request. He indicated the following persons associate with the party appeared:

JAMES MADOLE
GRACE MADOLE
LOUIS MOSTACCIO
JOE RUDDEN
MAX HUDDLE

He added that a Chinese boy (FNU) ~~WANG~~ also appeared at this meeting and assisted MOSTACCIO with the flag and in the distribution of literature. He added that he had no background information on WANG and this is the first time he appeared at an NRP meeting. He said that MADOLE, MOSTACCIO and WANG wore the red arm brassards of the NRP.

T-1 said a leaflet was passed out entitled, "Shall American soldiers serve as cannon fodder for Jewish aggression in the Holy land?". He said that MADOLE was the only speaker at the meeting and his entire speech was anti-Semitic and critical of the government's policy in the Middle-East. He said that only about 35 people attended, which consisted of teen-age children from the neighborhood who ridiculed MADOLE's speech.

T-1 also indicated on July 2, 1956, that the NRP held a street meeting at York Avenue and 84th Street on June 28, 1956. He said that the only party members to appear were MADOLE, who was the only speaker, LOUIS MOSTACCIO, who held the American flag and JOSEPH RUDDEN, who distributed literature. T-1 said that this meeting was afforded police protection and that MADOLE's speech was typically anti-Semitic, stating that all the stores were owned by Jews and that only Jews could obtain civil defense jobs. T-1 said at one time during his speech MADOLE was struck on the arm by an egg and when he was verbally attacking the presidential candidates, a woman walked out of the crowd and punched him in the jaw. A policeman immediately took the woman away from the crowd, and asked

NY 105-6112

if
MADOLE/he desired to press charges which MADOLE declined stating that this woman was insane. T-1 said that about 35 youngsters were in attendance during this meeting, but after the above incident the crowd increased to about 90 people. He said this meeting lasted only about 30 minutes and MADOLE stated there would be no meeting on the following Thursday because it was too close to the Fourth of July.

T-1 added that prior to this meeting MADOLE stated that he had written a letter to the Police Captain of the East 67th Street Precinct requesting the police to maintain order at his street meetings and citing the conduct of the youngsters who had ridiculed his speech at the meeting on the previous Friday night. MADOLE said that if he failed to obtain proper ^{order} at his meetings, he would visit police headquarters with a committee and file a formal complaint.

T-1 added that after the disturbance at the meeting on June 28, 1956, [redacted] of the East 67th Street Precinct had indicated to MADOLE that he would not allow any future meetings to be held if MADOLE could not assure him that they would be held in an orderly fashion and that MADOLE would not attempt to incite the people in attendance.

B. Publications

T-1 indicated on April 18, 1956, that MADOLE stated that CONDE MC GINLEY, Publisher of "Common Sense" Union City, New Jersey, had printed 200 copies of the March, 1956, issue of the National Renaissance Bulletin. MADOLE indicated these copies were delivered to him on April 14, 1956, by [redacted] who are associated with the MC GINLEY publication. T-1 added that this was a mimeographed job which was done by KAY LITTIG, who was MC GINLEY's secretary, but there is no indication as to whether or not MC GINLEY will continue to do the printing for the NRP. 11.4

T-1 stated this bulletin consisted of one article by MADOLE entitled, "Shall American Boys Serve As Cannon Fodder For Zionist Aggression In The Holy Land?" This article was completely anti-Semitic in content and contained

NY 105-6112

a number of quotations from a speech of [redacted] of the Arab-Palestine Office. This bulletin indicated that indoor mass meetings and possible outdoor street meetings of the NRP would begin soon. This bulletin concluded with an appeal for all supporters of the party to purchase extra copies of this edition on the Middle Eastern crisis and send them to friends, Congressmen and local businessmen. This bulletin concluded with the following statement:

b6
b7c

"Do not allow out boys to be slaughtered in order to promote Zionist Aggression in the Holy land. Remember the Korean Debacle. Any Presidential Candidate who attempts this monstrous treason should be dragged from the White House and Given a taste of old fashioned Pioneer Justice".

T-1 indicated on May 9, 1956, that MC GINLEY had printed 5,000 copies of a sheet entitled "Shall American Soldiers Serve As Cannon Fodder For Jewish Aggression in the Holy Land?" This sheet was signed by the NRP, 10 West 90th Street, New York City, and its context was pro-Arab and anti-Jewish. T-1 said that MADOLE had requested the printing of these sheets, but according to MADOLE, the content and the money for the printing had been furnished to him by an individual who called himself WILSON. MADOLE claimed he did not know the identity of this person but was willing to have the printing done because the NRP's name would appear on the sheets. T-1 added that MADOLE attempted to pay MC GINLEY for this printing with a check for \$49.00, drawn on the account of the NRP at the Manufacturers Trust Company, 1511 3rd Avenue, but MC GINLEY refused to accept the check and stated he desired to be paid in cash. T-1 said that MADOLE stated that when he received these sheets from MC GINLEY, he had turned the entire 5,000 copies over to WILSON except for 500 which WILSON urged him to retain.

T-1 advised on June 5, 1956, that the April, 1956, National Renaissance Bulletin is presently being distributed by the NRP. He stated it contains two articles, one entitled, "The Pro-Negro Phase of the Red Revolution in America" by STANLEY F. MORSE and "The Scientific and Historical Basis for Racial Segregation", by JAMES H. MADOLE. He said

NY 105-6112

this bulletin also urged readers to purchase various Arab and Egyptian literature which was listed for sale by the NRP.

C. Other NRP groups in the United States and Association of the NRP with other Nationalist groups

T-1 indicated on April 25, 1956, that MADOLE had indicated on April 19, 1956, that he had received an order for 250 copies of the February, 1956, National Renaissance Bulletin from a [redacted]. MADOLE stated that [redacted] is a leading clansman in Florida, who also [redacted] the White Citizens Council in Florida, and that his address is [redacted].

T-5, who was in a position to furnish reliable information, indicated that [redacted] had stated on May 10, 1956, that he is now [redacted] of the pro-Southerners, which group has the following statement of purpose on its stationery:

b6
b7C

"For Segregation and our American way of life -- stop the niggers now -- forever. Let none but Americans stand guard over our homeland".

T-1 indicated on June 7, 1956, that WEST HOOKER had recently made a special appeal to JOSEPH RUDDEN, a member of the NRP, to have RUDDEN attempt to convince MADOLE that an advisory board should be set up which would coordinate the activities of the Nationalist Party of the NRP. T-1 said that it does not appear that MADOLE would be influenced by this offer of cooperation by HOOKER.

T-1 added that a [redacted] who was believed to have offices on Broadway, New York City, had been visiting at the Nationalist Party Headquarters recently and had attempted to convince MADOLE that he should join with HOOKER and the Nationalist Party for a common action against the Jews.

T-1 indicated on July 2, 1956, that MADOLE had indicated he had attended a meeting on June 16, 1956, at the Nationalist Party Headquarters, East 83rd Street, New York City. MADOLE had indicated that he was requested to attend this meeting by HOOKER and the only persons in attendance were HOOKER, [REDACTED], LOUIS MOSTACCIO and three youngsters from HOOKER's group. MADOLE said that HOOKER ordered MOSTACCIO to leave this meeting and accused him of being an agent of the Zionist League of America. T-1 added that HOOKER apparently is continuing his efforts to take over the NRP and therefore is seeking MADOLE's friendship.

Reference is made to my memorandum dated February 16, 1956, in which you were furnished information regarding a racist United States Army recruiting poster which Eustace Mullins, 126 Madison Place, Staunton, Virginia, claims to have reproduced and to have sent to Germany in the hope of forcing Negro occupation troops from Germany and England.

In connection with this matter there is being furnished you herewith one Photostat of an article in German captioned "SOS-Rufe aus den USA! Die kommende rote Diktatur!" which was made available to this Bureau by a source who has furnished reliable information in the past. According to this source the article was published in Germany by Widar-Verlag, Guido Roeder, (13b) Oberammergau Obb, and is a German translation of an anti-Semitic article written by Cende McGinley which was printed in McGinley's newspaper "Common Sense."

The source stated that McGinley had not given anyone in Germany permission to reprint this article but that he had received a letter from Hans Dieter Heise, Holzwinden a.d. Weser, Germany, Furstenberg Str-18, who had praised this article and requested more information from McGinley.

The source said that it is possible that Eustace Mullins had furnished this article to the German publisher inasmuch as a book by Mullins is advertised in the article and Mullins has previously furnished anti-Semitic articles to persons in Europe.

SOS-Rufe aus den USA! Die kommende rote Diktatur!

Asiatisch-marxistische Sataniden*) beherrschen die ganze Welt, sobald der letzte Weltkrieg beginnt. Tausende von Verschwörern wurden seitens der unsichtbaren Regierung in Schlüsselstellungen gebracht, nur wenige dafür gewählt. Weitere Tausende sind im Anmarsch.

1. Du wirst erschossen!

2. Oder, wenn es gut geht, in die Konzentrationslager kommen, die sie für Dich errichtet haben bei Avon Park, Florida; Allenwood, Pennsylvania; Florence, Arizona; Tulsa Lake, Florida; und El Reno, Oklahoma.

3. Es sei denn, daß Du sofort handelst, um dieser Verschwörung Einhalt zu tun, welche ständig seit vielen Jahren an Umfang zunimmt und jetzt ihre Führer in den erwünschten Machtpositionen hat, bereit, um die Stricke anzuziehen, welche die christliche Menschheit für immer fesseln sollen.

4. Jeder Senator und jedes Mitglied des Kongresses weist dauernd auf die Fragen hin, welche sich auf Grund der Weltkrisis ergeben, doch wenige haben den Mut, dem Volke zu sagen, welches die Gründe der allgemeinen Weltkrisis sind, und Maßnahmen zu empfehlen, die dagegen unternommen werden könnten.

5. Lieber als den Schmutz zu ertragen, der auf ihrem Wege liegen würde, sind viele Kongreßmitglieder gewillt, ihre eigenen künftigen Nachkommen in die Sklaverei zu verkaufen. Rückgratlose Kreaturen, erfüllt von einer Selbstüberheblichkeit auf Grund der vermeintlichen Wichtigkeit ihrer

9. Es ist die Verschwörung der Sataniden, um die Christen zu versklaven und über sie als Könige über Sklaven zu herrschen.

10. Die Sataniden sehen darin ihre Bestimmung als das vermeintlich „auserwählte Volk.“

11. Um dies zu erreichen, entfesseln sie Kriege, Revolutionen und Wirtschaftskrisen mit der Absicht, während des dann eintretenden Chaos, die Macht an sich zu reißen.

12. Dieser Plan besteht seit 400 Jahren auf Grund der Anordnungen durch den großen Sanhedrin von Konstantinopel in seinem Rache-Protokoll von 1492.

13. Um dies durchzuführen, haben sie die vorhandenen Goldvorräte der Welt zusammengetragen und haben der Welt die Wahnvorstellung beigebracht, daß Gold Reichtum sei, anstatt daß Land und Wohnstatt als Reichtum anerkannt werden. Durch ihre Herrschaft über das Gold haben sie alle Völker versklavt, indem sie ihnen Anleihen gaben. Sie halten die Welt in einer wirtschaftlichen Zwangslage.

14. Durch ihre Herrschaft über das Gold sind sie Herren aller Mittel der Propaganda. Sie bestechen alle Zeitungen und sonstigen Nachrichten-

Deutschland, (mit dem wir damals im Kriege waren) mit Erlaubnis von Paul Warburgs Bruder, der des Kaisers Spionage-Chef war, und mit der Erlaubnis des deutschen Reichskanzlers v. Bethmann-Hollweg (Satanide). Trotzki und Lenin waren die Führer. Alle verurteilten Morde und die Morde von Zaren wurden von Sataniden ausgeführt.

18. Bernhard Baruch gab Dollar 50.000.— für Woodrow Wilson's Wahlkampf, welcher auch von Warburg und der Bankfirma Kuhn, Loeb Co. gestützt wurde, und zwar auf das Versprechen hin, daß er Paul Warburg's Federal Reserve-Gesetz von 1913 zur Annahme bringen und unterzeichnen werde. Was er denn auch tat. Dies Gesetz lieferte die Bankguthaben in den Vereinigten Staaten der Beherrschung durch die internationalen satanidischen Bankiers aus, das sind die Rothschilds, Kuhn, Loeb, Lehmann usw.

19. Das Volk ist der Meinung, daß die Federal (—Bundes—) Reserve-Banken der Regierung gehören, doch sie befinden sich in Privatbesitz. Die geographische Verteilung der zwölf Banken erfolgte, um eine Dezentralisierung vorzutäuschen, doch sie ist nichts anderes als eine Schaufensterdekoration, denn sie sind alle von der Federal Reserve Bank in

Stellungen und im Glauben, sie seien die allwissenden Führer der Nation, wenn sie sich mit ihren lebenswichtigen Fragen beschäftigen, sind sie der größten Heuchelei aller Zeiten schuldig, indem sie die eine und allerwichtigste Aufgabe meiden, welche das Fundament aller Fragen ist. Sie tragen die Verantwortung für die weiße Rasse.

6. Viele Mitglieder des Kongresses haben den Wunsch, ein Leben der Heuchelei zu führen und sich ihrer eigentlichen Aufgabe zu entziehen. Sie überlassen dies anderen, die in gleicher Art darauf bedacht sind, es anderen zu überlassen, und alle rühren keinen Finger. Aus diesem Grunde hat der innere Feind ein freies, unbegrenztes Feld, auf dem er rasch vorwärts strebt bis zum Gipfelpunkt.

7. Erforderlich ist ein gleichzeitiges Vorgehen einer großen Gruppe von Senatoren und Kongreßmitgliedern, um dieses Komplott aufzudecken, denn es gibt viele Helfershelfer. Dieserart könnte die Bevölkerung aufgerollt werden, und wenn erst aufgebracht, würde sie ihnen Unterstützung bieten, und ein Auswurf der Menschheit könnte sich nicht breit machen, wenn eine große Zahl gleichzeitig handeln würde.

8. Kommunismus ist eine satanische Weltherrschaftsverschwörung.

Organe, die sich nicht ihren Wünschen beugen. Auch unterbinden sie alle Nachrichten aus dem Auslande, welche die Bevölkerung eines Staates nicht erfahren soll. Jede gewöhnliche Zeitung im Lande spricht von der Weltkrisis, aber keine wagt es, die Öffentlichkeit davon in Kenntnis zu setzen, daß dahinter die Verschwörung der Sataniden steht. Sie fürchten den Verlust der Anzeigen.

15. Der internationale Rat der Sataniden trat 1905 in Basel, Schweiz, zusammen und verfaßte die „Protokolle der Weisen von Zion“, als Grundlage für den Plan, die Weltherrschaft zu erringen.

16. Die Sataniden behaupten, die „Protokolle“ sind Fälschungen. Eine Fälschung ist eine unerlaubte Wiedergabe eines Originals. Die Sataniden stellen niemals die Richtigkeit der ursprünglichen Protokolle, die in hebräischer Sprache geschrieben waren, in Frage. Die entscheidende Tatsache ist, daß die Sataniden ihre Verschwörungsabsichten bis auf den Buchstaben genau durchführen.

17. Die russische Revolution wurde von Sataniden finanziert, nämlich von Jacob Schiff, Otto Kahn und Paul Warburg von der Firma Kuhn, Loeb Co., Bankiers in New York. Sie schwen 48 Millionen Dollar vor und bildeten 276 satanidische Revolutionäre in New York, untere Ostseite, aus, die 1917 nach Rußland verschifft wurden, um den Sturz der Regierung zu leiten und die derzeitige kommunistische Regierung einzusetzen. Sie reisten durch

New York abhängig, welche von den internationalen satanidischen Bankiers beherrscht wird.

20. Sie stecken die Gewinne ein, welche aus den Zinszahlungen der US-Regierung auf ihre Anleihen bestehen, die sie an die Federal Reserve Banken verkaufte. Ein Kauf, für den die Depostengelder der Handelsbanken im ganzen Lande verwendet wurden — Euer Geld!!! Die US-Regierung zahlt Zinsen auf ihren eigenen Kredit und die internationalen satanidischen Bankiers stecken sie ein. Im Jahre 1946 beliefen sich die Zinsen für eine nationale Verschuldung von 246 Milliarden auf 14 1/2 Millionen Dollar je Tag. Heute, 1953, beträgt die nationale Schuld 276 Milliarden Dollar. Können Sie daraus ersehen, in welchen Händen sich die Geldmacht befindet? Durch die Beherrschung des Goldes werden die internationalen satanidischen Bankiers immer reicher, während die in ihren Augen heidnischen Amerikaner ärmer und ärmer werden. In den „Protokollen“ sagen sie, daß sie das ganze Produkt aus Material und Arbeitskraft den Ländern entziehen und es in ihre Schatzkammern leiten werden.

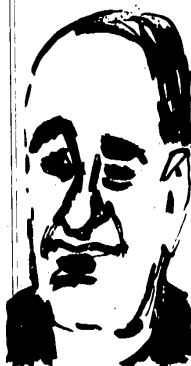

21. Der Kongreß dankte 1913 ab, als er das Federal-Reserve-Gesetz annahm. Der Rat der Gouverneure der Reserve-Banken tritt hinter verschlossenen Türen zusammen und hat eine größere Gewalt als der Kongreß der Vereinigten Staaten. Besagter Rat der Gouverneure ist dem Volke nicht

*) Sataniden siehe Offenbarung Johannes Kap. 2 u.

verantwortlich, auch nicht dem Kongreß, und es hat sich wiederholt gezeigt, daß er unter der Kontrolle der internationalen Bankiers steht. Durch Heraussetzen der Reduktions-Zinsen (eine wohlüberlegte Maßnahme) in den Jahren 1921 und 29 verursachten sie die Wirtschaftskrisen. (Der Plan der Sataniden entsprechend den „Protokollen“). „Protokolle XX, 20. Wirtschaftskrisen bei den Christen sind von uns durch keine anderen Mittel hervorgerufen worden, als durch eine Minderung der umlaufenden Geldmenge.“

Dies wurde 1905 geschrieben und dabei auf die Wirtschaftskrise von 1893 Bezug genommen, die dadurch verursacht wurde, daß man einfach und plötzlich einen großen Betrag von Gold der New Yorker Effektenbörse entzog und ihn nach Montreal sandte. Mullins Buch über die Federal-Reserve-Verschöpfung bringt dokumentarisch belegte Einzelheiten dieser Machenschaften, welche er Wirtschaftszeitungen und wenigen, veröffentlichten Kongreßuntersuchungen entnahm. Die Geldkrisen von 1907 (diese in einem Jahre allgemeiner Hochkonjunktur), 1921 und 1929 wurden in gleicher Weise verursacht und die Einzelheiten sind ähnlich dokumentarisch festgelegt.

schöpfung“). Ohne solche Darlehen wäre kein Krieg geführt worden, denn keine der beiden Seiten hätte es sich leisten können. Aber die Sataniden wollten den Krieg, damit die Christen einander umbrächten und ein Chaos geschaffen werde, damit sie in Zeit des von ihnen geschaffenen Notstandes die Macht ergreifen könnten.

23. Wilson schickte die Vereinigten Staaten in den Krieg, um die Bankvorsüsse der Sataniden zurückzuerstatten, welche seine Wahl ermöglichten und er übergab die alleinige Verwaltung der Vereinigten Staaten an drei aus des Satans Schule — Bernhard Baruch, als dem Vorsitzenden des Kriegs-industrie-Ausschusses, Paul Warburg, als dem Vertreter der Bankinteressen und Eugene Meyer, der jetzt die pro-kommunistische Zeitung „Washington Post“ besitzt und auch den Vereinigten Chemie- und Farben-Trust beherrscht, machte er zum Chef des „Liberty Loan“ (Freiheitsanleihe) -Raubzuges. Baruch gab 10 Milliarden Dollar vom Gelde der Alliierten in der Form aus, daß er mit seinen eigenen Gesellschaften die vorteilhaftesten Verträge abschloß, wobei er auch die Preise festsetzen konnte. Er machte sich selbst zum Multimillionär, indem er dem Volk der USA das Fell abzog.

24. Baruch hat sein Leben dafür eingesetzt, um das Komplott entsprechend den „Protokollen der Weisen von Zion“ durchzuführen, während er sich der Öffentlichkeit gegenüber als „erfahrener Staatsmann“ und „Ratgeber der Präsidenten“ ausgab. Er gibt vor, ein Patriot zu sein, wenn er Amerika anrät, was es tun soll, um sich vor Wirtschaftskrisen im Kriege zu schützen, in welche er selbst und seine Bande das Land durch ihre Verschöpfung gebracht haben. Baruch gab Dollar 10.000.— aus, um kommunistische Kirchenbrandstifter aus Spanien zurückzuführen, wo sie Priester lebendig verbrannt hatten, nachdem sie vorher mit Kreolin bestreut worden waren. (Time Magazin 2. Januar 1939).

25. Der zweite Weltkrieg wurde Deutschland durch die internationalen, satanidischen Bankiers aufgezwungen, das sie zu diesem Zwecke finanziell bedrückten. Der Satanide Samuel Untermyer verurteilte den Boykott Deutschlands im Jahre 1933.

ine Revolution anzetteln und den Kommunismus einführen.

27. Der dritte Weltkrieg wird von den Sataniden vorbereitet, um die ganze Welt dem Kommunismus zu unterwerfen; der nichts anderes ist, als ein satanischer Überkapitalismus, wobei die Sataniden die Regierung in den Händen haben; wie jetzt in der Sowjet-Union und allen anderen kommunistischen Ländern, wie Polen, Ungarn, Tschechoslowakei, Rumänien, (Estland, Lettland und Litauen sind von den satanidischen Kommunisten verschlungen worden) mit einigen wenigen christlichen Statisten, um das Gesicht zu wahren. Zweieinhalb Millionen Sataniden haben in Rußland fast alle Regierungsstellen inne und leben mit den elegantesten Autos und Nerzpelzen in Saus und Braus, während die eingeborene Bevölkerung unter Zwangsherrschaft und im Schmutz als ihre Sklavenhorde lebt. Lazarus Kaganowitsch, der satanide Schwiegervater von Stalin jr. und Schwager von Stalin sen. ist der führende Mann der Sowjet-Union hinter den Kulissen. Der Zweck des dritten Weltkrieges ist es, die Völker derart zu erschöpfen, daß sie mit der Weltherrschaft der Sataniden einverstanden sein werden. Die von den Sataniden beherrschten „Vereinten Nationen“ — U. N. — sind dazu bestimmt, die Welt zu regieren. Die Fahne der „Vereinten Nationen“ ist aus den Fahnen von Israel und Sowjet-Rußland zusammengesetzt.

28. Die Weltkrise wurde hervorgerufen durch: Bernhard Baruch, Felix Frankfurter, Lehmann, James Paul Warburg, Lewis L. Strauß (von Kuhn, Loeb & Co., der kürzlich von Eisenhower zum Vorsitzenden der U. S. Atomenergie-Kommission ernannt wurde), den Familienverband der Rothschild, Morgenthau, Einstein und den Rest ihrer satanischen Verschörer.

29. Warum sprechen die Sataniden von einer Spannung, die zwischen uns und Rußland besteht? Sie beherrschen die Regierungen von Rußland, England, Frankreich, Deutschland, Israel und den Vereinigten Staaten. Die Spannung ist ihr eigenes Werk, von ihnen geschaffen, um uns zu ihrem eigenen Vorteil in eine militärische Zwangsjacke zu stecken.

30. Warum hat Truman 1945, als er einen aus fünf Zivilisten bestehenden Ausschuß der Atomenergie-Kommission ernannte, vier Sataniden als Mitglieder dazu genommen? Der Vorsitzende David Lilienthal, welcher sich damals als Mitglied von zwei kommunistischen Formationen erwies, wurde trotzdem von Baruch gedeckt. Andere satanidische Mitglieder waren: W. W. Waymack, Lewis L. Strauß und R. F. Bacher.

31. Warum ernannte Eisenhower jetzt Lewis L. Strauß, den satanidischen Kuhn, Loeb-Bankier, zum Vorsitzenden der USA-Atomenergie-Kommission? Die Hearst-Zeitungen spenden Strauß Beifall, weil er Truman veranlaßte, die H-Bombe herzustellen zu lassen. Selbstverständlich tat er dies. Er wußte, daß auf diese Weise Rußland die Geheimnisse erhalten und so auch die Bombe herstellen würde. Das wird die Weltkrise noch schneller herbeiführen.

32. Warum erwähnte Eisenhower den satanidischen, in Österreich geborenen Prof. Arthur F. Burns zu seinem Wirtschaftsberater? (Die „Protokolle“ besagen, daß die Sataniden die Stelle von Wirtschaftsberatern besetzen sollen.)

33. Warum hat Eisenhower die Satanidin Freda B. Hennock zum Bundesverkehrskommissar ernannt und den Sataniden Samuel B. Groner zu ihrem Assistenten? Die „Protokolle“ besagen, daß sie alle Verkehrsmittel unter Aufsicht haben müs-

sen. Joseph de Sola 10.000 Leute für das Manhattan (Atomenergie) Projekt angestellt. (Der „New Yorker“ vom 15. September 1945). Unter diesen befanden sich die Spione Julius und Ethel Rosenberg, Greenglass, Sobel, Gold, Klaus, Fuchs und andere. Sydney Fields beschreibt als Mitarbeiter des New-York Mirror am 15. November 1950 die Macht, welche Anna hatte, als ihr die Wehrkraft der Nation unterstand; „Morgen übernimmt Mrs. Anna Rosenberg ihre Pflichten als Mitarbeiterin der Verteidigung im Dienste der nationalen Wehrkraft. Es sind nahezu 115 verschiedene Agenturen der USA-Regierung mit der Wehrkraft verbunden.“ Mr. Field zitiert Mrs. Rosenberg: „Heute und wir im Amt, um eine lange währende Aufgabe zu erfüllen — ich möchte es nicht wagen, zu schätzen, wie lange. Niemand würde mir glauben. Aber es wird eine reichliche Zahl von Jahren dauern.“ Anna kannte die Pläne der Protokolle: Sie überwachte die Einstellung von mehr als einer Million Menschen während sie im Amt war. Es wird zehn Jahre dauern, um das rote Netzwerk zu entflechten, das sie spann, sofern nicht Amerika vorher ausscheidet.

35. Sie wurde von Bernhard Baruch in ihrer Stelle gehalten. Sie ist mit Eisenhower befreundet. Baruch ist der geheime Präsident der USA. Eisenhower ist nur sein Sprechwerkzeug. Eisenhower lehnt auf Anordnung von Baruch das Zusatz-Ge-

setz von Bricker ab. So kann nunmehr unsere Verfassung beiseite gelegt, eine Weltregierung eingesetzt und die weiße Rasse vernichtet werden.

36. Der Satanide Einstein veranlaßte, daß der Atomenergie-Verräter Klaus Fuchs aus dem Gefängnis in Kanada entlassen und nach den US gebracht wurde, wo er als der Welt führende Atom-Spion tätig war. Einstein war ein mächtiger Förderer der Verräter Julius und Ethel Rosenberg. In einem Brief an den Sataniden William Fraun-Glass, Lehrer in New York, gab Einstein allen Zeugen den Rat, die Beantwortung aller Fragen vor dem Kongreß zu verweigern.

37. Internationale satanidische Bankiers, die Eisenhower zum Präsidenten machten, standen auch hinter Stevenson. Truman gehorchte den Anweisungen der Sataniden. Die internationalen satanidischen Bankiers, welche den Kommunismus im Einklang mit dem satanidischen Weltherrschaftsplan förderten, wie es in den „Protokollen der Weisen von Zion“ aufgezeigt ist, haben die absolute Macht über die beiden Parteien, die demokratische und die republikanische. Mit ihren unbegrenzten Geldmitteln können sie alles kaufen. Protokolle III, Abs. 11 besagt: „Mit Hilfe des Geldes, das in unseren Händen ist, werden wir weltweite Wirtschaftskrisen verursachen, welche die Industrie zum Stillstand bringen werden.“

Protokolle IV, 4. „Um den Christen keine Zeit zum Nachdenken zu lassen, müssen sie abgelenkt werden — so werden alle Völker ihrem gemeinsamen Schicksal keine Aufmerksamkeit schenken.“

38. Die Vereinigten Staaten sind bereits erobert. Ihre Regierung ist völlig unter der Aufsicht von 11 Millionen Sataniden, an deren Spitze die Baruch-Frankfurter-Lehman-Morgenthau-Warburg-Bande steht.

160 Millionen amerikanische Nicht-Sataniden von 11 Millionen Sataniden beherrscht. Eine Nation in der anderen. Und auf Erden werden Milliarden aller Völker durch 16 Millionen satanidische Polybasterde beherrscht.

39. David Senter, politischer Mitarbeiter der Hearst-Zeitungen, stellte am 6. Juli 1953 fest, daß das Manöver des Kollapses der Eisenhower-Reg-

offensichtlich, daß das Kabinett Eisenhower von Weinberg's Mann, General Luzius Clay zusammen- gestellt wurde, den Weinberg dann zum Vorsitzenden der kontinentalen Zucker-Kompagnie macht. Die Sataniden Weinberg und Baruch beherrschen Eisenhower. Das steht fest.

40. Während wir unsere Aufmerksamkeit auf unseren äußeren Feind lenkten, hat der innere Feind die Regierung der Vereinigten Staaten er- obert. Die Macht ging vom Volke an den Staat vor- ungefähr zwanzig Jahren über. Die drei Teile der Regierung: Gesetzgebung, Rechtsprechung und aus- führende Gewalt haben keine gleiche Macht mehr. Wie es von den unseren Staat gründenden Vätern beabsichtigt war.

41. Nur die Form einer Republik ist beibehalten, so das Volk betrügend, indem man es in dem Glauben läßt, eine Republik zu haben. Sie haben sie nur in der Ortsgemeinde, nicht im Ausmaß der der ganzen Nation.

42. Die ausführende Gewalt ist mächtig. Der Kongreß ist machtlos. Mit Hilfe von Gönnern und Geschicklichkeit macht der Mann der Exekutive seinen Weg. Er kann die Gesetzgeber kaufen. Die Mitglieder des Kongresses geben es offen zu, daß sie keine Möglichkeit haben, die astronomischen Zahlen im Staatshaushalt herabzusetzen, für die sie ihre Stimme abgeben und abgaben. Die Exekutive

d) Ein Verbot der Rassenentrennung, um Heiraten zwischen der weißen und den farbigen Rassen zu fördern und so den Untergang der Weißen zu erzwingen, einer Rasse, welche die Sataniden als das einzige Hindernis für die Erfüllung des in den „Protokollen“ niedergelegten Planes ansehen, da sie das Gefühl haben, daß ihre überlegene Intelligenz (wie sie es nennen) sie in den Stand versetzen wird, eine Welt von farbigen Rassen leicht zu regieren.

e) Unsere Verfassung durch Vertragsgesetz mit den „Vereinten Nationen“ beiseite zu schieben, und dann eine Weltregierung der Vereinten Nationen einzusetzen, welche eine Weltregierung des Satans sein wird.

f) In jeder Weltregierung werden wir sieben Prozent der Stimmen haben, da wir sieben Prozent der Weltbevölkerung ausmachen. Sie werden uns überstimmen und werden Millionen von Schwarzen und Gelben in die Vereinigten Staaten verschiften und infolge des Nicht-Absonderungs- Gesetzes wird die weiße Rasse dahinschmelzen, was der Sataniden-Plan ist.

g) Die Kommission für geeignete Arbeitsbedingungen, FEPC, der Völkermord-Vertrag, das Abkommen betr. die Menschenrechte und die universale Militärausbildung, sind alle satanidisch-kommunistische Maßnahmen, welche durch die von den

Hierfür erdient Baruch vor einem Komitee des Kongresses und dafür sprach er in der Öffentlich- dem Präsident die Vollmacht zu erteilen, je- am 17. bis zum 70. Lebensjahr im Falle des Angriffes oder versuchten Angriffes durch Rußland zu mobilisieren. Ein Versuch, den er und seine Bande zu erwünschter Zeit hervorrufen werden, denn sie beherrschen die Regierung der Sowjet- Union ebenso, wie die von England, Frankreich, Israel und den Vereinigten Staaten.

Vernichtung der weißen Rasse

48. Die Sataniden halten sich selbst abgesondert und heiraten nicht Angehörige anderer Rassen, aber sie wollen, daß die Mitglieder der weißen Rasse sich mit anderen Rassen vermischen. Warum dann nicht die Sataniden auch? Ach, nein, sie halten sich für das „auserwählte Volk“ und für berechtigt, über alle Rassen der Erde zu herrschen.

Diese Verschwörung könnte keine Fortschritte machen, wenn die Zeitungen aller Länder die Be- völkerung davon in Kenntnis setzen würden. Täglich sprechen die Zeitungen von der Weltkrise, aber nicht eine der bekannten Tageszeitungen für Handel und Industrie hat den Mut, mit der Wahrheit über die Sataniden herauszukommen. Sie würden Anzeigen, der Sataniden einbüßen. Also möchten

Arthur F. Burns, David Lilienthal, Isador J. Morris, Simon B. Scheff, Louis L. Brandeis
Wirtschaftsberater unter Eisenhower, 1. Vorsitzender der Atomkommission, Verbindungsmann zwischen dem Weißen Haus und dem Kongreß, Generalstabschef und Funktionär des amerikanischen Sataniden-Kongresses, Vorsitzender der Atomkommission

kann sie ausgeben nach eigenem Ermessen, ohne daß ihr Einhalt geboten werden kann. Die Exekutive ernannt die Richter des Obersten Gerichtshofes und beherrscht ihn auf diese Weise auch.

43. Die unrichtbare Regierung der Sataniden hat die Macht über die Vereinigten Staaten seitdem F. D. Roosevelt sein Amt antrat, und ebenso beherrscht Winston Churchill England, Frankreich, die Sowjet-Union, Israel, Ungarn, die Tschechoslowakei, Polen, Rumänien. (Neuerdings auch Deutschland.)

44. Das Land in Israel gehört der Palestine-Potash Corporation und die Palestina-Wirtschafts-Korporation wird in den USA durch den National-Fond der Sataniden vertreten. Die Araber haben einen Teil des Landes 1300 Jahre im Besitz und den anderen 1700 Jahre. Die Sataniden drangen von anderen Teilen der Welt ins Land, ermordeten die Araber und vertrieben nahezu eine Million in die Wüste, wo noch 850 000 von ihnen vorhanden sind.

45. Winston Churchill sandte während des Krieges seine Nachrichten an Roosevelt über Baruch, der im Waldorf Astoria Hotel, New York, seinen Wohnsitz hatte.

46. Anthony Eden erholte sich von einer Krankheit auf dem Rhode Island-Besitz der Tochter des Sataniden Otto Kahn, einer von jenen, welche die russische Revolution finanziert hatten. Frau Otto Kahn wurde vom bolschewistischen Rußland wie eine Kaiserin gefeiert.

47. Der Plan der Sataniden.

a) Kriege heraufbeschwören, um die Wehrkraft der amerikanischen Christen zu vernichten, welche die Saat unseres Landes sein sollte.

b) Die gefallenen amerikanischen Christen durch satanidische Einwanderer zu ersetzen.

c) Das Geld der amerikanischen christlichen Bevölkerung, welches durch direkte und indirekte Steuern aufgebracht wird, dazu zu verwenden, um Zinsen an die internationalen Bankiers für die nationalen Schulden zu zahlen und weitere Beträge an den Staatshaushalt, soweit es sich um die Kosten Kriege und die Vorbereitung von Kriegen

Sataniden beherrschen „Vereinten Nationen“ er- zwungen wurden.

h) FEPC bedeutet, die Arbeitgeber zwingen, Kommunisten und Farbige ohne freie Wahl einzustellen, um so die weiße Herrschaft über die Industrie zu brechen und um gleichzeitig Mischhehen zwischen Weißen und Farbigen zu erzielen, weil die Rassenentrennung in der Industrie fortfällt und so die Auslöschung der weißen Rasse gefördert wird.

i) Der Völkermord-Vertrag ermöglicht es, jeden zu zwingen, nach Rußland gebracht und dort verurteilt zu werden, ohne den Schutz der US-Gerichte und der US-Verfassung und ohne gesetzliche Verfahren. Er macht es zu einem Verbrechen, irgendwas in Bezug auf irgendeine Rasse oder eine Völkerguppe zu sagen. Dies Gesetz brauchen die Sataniden, damit sie ungehindert ihre Verschwörung weiter verfolgen können. Es wird strafbar sein, sie anzuklagen.

j) Universale militärische Ausbildung erfolgt zu dem Zweck, die jungen Männer von Amerika, während einer Dauer von acht Jahren unter die Kontrolle der Sataniden zu bringen und sie mit der militärischen Peitsche über ihnen, zu zwingen, kommunistische Propaganda zu studieren und sich zu eigen zu machen. Diejenigen, welche darauf eingehen, werden in höhere Ränge aufsteigen und es wird ihnen erlaubt sein, zu studieren, um Ärzte, Zahnärzte, Anwälte usw. zu werden, aber diejenigen, welche rebellieren, werden als Fußbodenreiner eingesetzt.

k) Das Abkommen betreffend die Menschenrechte, welches von Eleanor Roosevelt, Dean Acheson und zwei Russen entworfen wurde, gibt der Regierung von jeder Mitgliednation das Recht, wenn sie sich bedroht fühlt, die Freiheit der Presse zu beschränken und Kriegrecht zu verkünden, sowie alle Industrien und Arbeitskräfte zu übernehmen.

Dies sind die Mittel, welche sie anzuwenden beabsichtigen, um die Falle für die USA zu schließen und die Regierung in Form ihrer Diktatur zu übernehmen. Sie sind auch bemüht, dies dadurch zu erreichen, daß sie auf die Annahme eines Gesetzes,

sie lieber Kriege haben und den Untergang der USA, sowie den der weißen Rasse, als die kostbaren Anzeigen-Dollar der Sataniden zu verlieren. Auch die Zeitungen sollten eine gemeinsame Aufdeckung des Komplottes vornehmen.

49. Sataniden entfesselten den zweiten Weltkrieg und seine Nachlese zwang uns zum Kampf, um die Hindernisse für Rußlands Ausdehnung, nämlich Deutschland und Japan, zu beseitigen und auch die derzeitige Weltkrise auszulösen.

50. Sataniden veranlaßten ihre Helfershelferbande Truman-Acheson Rußland aufzubauen, um eine Gefahr für die Vereinigten Staaten zu werden, die sie dann dazu benutzen könnten, die USA in die Zwangsjacke einer Militärdiktatur zu stecken, welche schon eifrig auf dem Wege ist.

51. Sataniden veranlaßten F. D. Roosevelt, die Mandschurei und Polen den Kommunisten auszuliefern und Deutschland und Korea aufzutreten. Man beachte die Folgen!! Frankfurter, als Leiter des Staatsdepartement, überließ China den Kommunisten und sandte General Marshall, ihren Liebling, aus, um in dreizehn Monaten die Feinde des Kommunismus niederzuschlagen.

52. Sie verursachten den Krieg in Korea, der folgen mußte, weil sich die USA weigerten, die Südkoreaner zu bewaffnen, obwohl sie wußten, daß Sowjet-Rußland die Nordkoreaner bis an die Zähne bewaffnet hatte, und auch infolge des Abzuges unserer Truppen und der Erklärung, daß wir Korea nicht verteidigen würden. Oberst Alfred Katzin ist der UNO-Repräsentant von Korea. Warum soll man sich Sorgen um militärische Geheimnisse machen, wenn sich Sataniden in solchen Schlüsselstellungen befinden?

53. Dies verursachte die ihnen erwünschte Invasion von Nord- nach Südkorea. Erst dann warfen sie unsere Soldaten dort in den Kampf ohne die Zustimmung des Kongresses und somit unter Verletzung des Gesetzes 462. Doch sie veranlaßten die Durchführung jener Politik, auf Grund deren es uns nicht erlaubt ist, einen Krieg zu gewinnen.

In den „Protokollen“ Teil II, Abs. 1 ist gesagt: „Es ist unerlässlich für unsere Absichten, daß Kriege

zwingen. Beseitigt wird der Krieg auf das wirtschaftliche Gebiet verlagert. — Unsere internationalen Rechte werden dann die nationalen Rechte beseitigen im eigentlichen Sinne des Wortes, so werden die Völker genau so regiert, wie das bürgerliche Recht der einzelnen Staaten die Beziehungen ihrer Untertanen untereinander regelt.

54. Eisenhower trat für das durch Lehman angeregte Gesetz ein, welches weitere 214.000 Einwanderer zufließt (meist Sataniden, wie wir sehen werden), um die christlichen Amerikaner zu ersetzen, die im Koreakrieg vernichtet wurden. 18 leichtgläubige Senatoren übernahmen die Bürgschaft für dieses Gesetz, gegen das sie im vorangehenden Jahre gestimmt hätten, wenn es von Truman eingebracht worden wäre, doch jetzt sagten sie sich, daß sie einen republikanischen Präsidenten haben. Seit dem Ende des zweiten Weltkrieges ließ Adelson fünfmal soviet Einwanderer ins Land, als es gesetzlich erlaubt ist und 77 % von ihnen waren Sataniden. Der Kongreß sieht nachlässig zu, während dies alles vor sich geht, als wäre er ein kleines Kind und nicht berechtigt, etwas davon zu wissen.

55. Henry Morgenthau jun., Staatssekretär des Schatzamtes, mit Harry Dexter White als Unterstaatssekretär und Kommunist (der Selbstmord beging, als er entlarvt wurde) und Harold Glasser — alle drei Sataniden im Dienste des Schatzamtes — lieferten den Kommunisten die Druckplatten für Dollar-Banknoten mit drei vollen Ladungen geheimer Tinte und vier Ladungen im Geheimverfahren hergestellten Papiers, um unser Geld in Ostdeutschland zu drucken, mit dem sodann in Ostdeutschland zwei Jahre die Löhnung von kommunistischen Soldaten bezahlt wurde. Satanidische Flüchtlinge brachten Millionen dieses Geldes nach den USA und begannen damit ihre Geschäfte.

56. Mehr Korea wird es in Zukunft geben, um mehr amerikanische Manneskraft zu verschleifen, die ansich die Saat der Nation sein sollte. Wir haben z. Z. unsere Männer in 49 Staaten verstreut.

57. Eine weitere Lockerung der Einwanderungsgesetze soll kommen, um mehr Sataniden herein zu lassen und um die Plätze der verbrauchten amerikanischen Nicht-Sataniden einzunehmen.

58. Wenn die Vereinigten Staaten hinreichend herum gewirtschaftet sind und der Vorratshaufen von russischen Wasserstoffbomben hoch genug ist, sodaß Sowjet-Rußland einen Krieg gewinnen kann, dann werden die Sataniden den 3. Weltkrieg auslösen, um die weiße Rasse soweit zu vernichten, daß die Überlebenden sich in Verzweiflung der Weltregierung unterwerfen, die eine Weltregierung Satans sein würde.

59. Sie sagen, daß sie Heiraten unter Weißen verbieten werden. Weißen wird es nur erlaubt sein, Farbige zu heiraten, um so die weiße Rasse auszulöschen.

60. Nachdem sie das Abkommen betreffend die Menschenrechte im Bereich der „Vereinigten Nationen“ erreicht haben, welches allen Regierungen der Mitgliedsstaaten das Recht gibt, das Kriegswort zu erklären, wenn sie sich bedroht fühlen, werden sie ihre Freunde in Rußland zu einem Schritt veranlassen, den sie eine nationale Bedrohung nennen werden, und es damit der Regierung ermöglichen, die Vereinigten Staaten unter Kriegsrecht zu stellen. Dann werden wir tatsächlich die Diktatur der Sataniden verwirklicht sehen, deren Funktionäre sich schon jetzt in den Machtstellungen befinden, aber die Zügel noch nicht angezogen haben.

61. Eisenhower ist den satanischen Verschwörern völlig zu Diensten und fördert ständig ihre den „Protokollen“ entsprechenden Pläne. Dies ergibt sich daraus, daß:

a) er gegen das Bricker-Zusatz-Gesetz ist, weil er wünscht, daß es den „Vereinigten Nationen“ möglich sei, unsere Verfassung zu beseitigen, was den Untergang Amerika's zur Folge haben würde und die gleichzeitige Einsetzung der Weltregierung Satans in Form der „Vereinigten Nationen“.

b) er Abkommen vorschlug und ihre Annahme sicherte, durch die unsere Soldaten fremden Gerichtshöfen unterworfen werden. Sicherlich macht er sich nicht die geringsten Sorgen, um den Schutz unserer amerikanischen Jungen;

c) daß er sich weigerte, Rot-China zu blockieren;

d) er sich weigerte, die Hilfeleistungen einzustellen, die unseren sogenannten Verbündeten zufließen, die mit Rot-China Handel treiben;

e) er sich weigerte, es Chiang Kaishek zu ermöglichen, in das eigentliche China einzudringen;

f) er sich weigerte, den Korea-Krieg zu gewinnen;

g) er den Kommunisten alles zugestand, was sie bei den Waffenstillstandsverhandlungen verlangten, einschließlich der strategisch wichtigen Insel Chou und zwei weiteren;

h) er sich weigerte, die Roten aus den Regierungstellen zu entfernen;

i) er gegen McCarthy ist und nie von einem inneren Feind, sondern nur vom äußeren spricht. (Entsprechend den „Protokollen“, worin sie sagen, daß sie die Aufmerksamkeit des Volkes ablenken wollen, während sie ihr Werk der Verschwörung durchführen.) Um den Christen keine Zeit zum Nachdenken zu geben, müssen ihre Gedanken abgelenkt werden. Dieserart werden alle Nationen ihrem gemeinsamen Feind keine Beachtung schenken;

k) er für die „Vereinigten Nationen“ ist, woraus sich die Weltregierung der Sataniden ergeben wird;

l) er den pro-kommunistischen Präsidenten der Harvard-Universität Conant zum Hochkommissar in Deutschland machte;

m) er den von Baruch und Weinberg ausgewählten Bohlen zum Botschafter in Rußland machte, der ein Günstling von Roosevelt und Truman als ihr Berater und Dolmetscher war und noch der Meinung ist, daß die Entscheidungen von Yalta und Teheran richtig waren;

n) er den Roosevelt-Truman-Günstling General Walter Bedell Smith zum Unterstaatssekretär ernannte, welcher einer von den fünf Männern ist, die wußten, daß die Japaner auf dem Wege waren, um Pearl Harbour anzugreifen und unsere Truppen dort nicht benachrichtigte;

o) er Pate des Gesetzes war, welches es 214.000 weiteren Ausländern erlaubt, in den nächsten Jahren in die Staaten einzuwandern und ihre Überfahrt sicherte;

p) er gegen das Einwanderungsgesetz von Walter-McCarran ist;

q) er dafür ist, die Verschuldungsgrenze zu erhöhen;

r) er dafür ist, die Auslandsspenden aufrecht zu erhalten, um sozialistische Regierungen in anderen Ländern zu finanzieren, während er die Vereinigten Staaten zugrunde richtet;

s) er dagegen ist, Bücher zu verbrennen, aber die amerikanischen Bürger mit Steuern belasten will, um „rot“-gefärbte Bücher ausländischen Büchereien zu stiften;

t) er für eine allgemeine militärische Ausbildung ist und ein Komitee ernannt hat, um das Problem zu klären. Ein Komitee, welches er aus jenen zusammensetzte, die seine Ansicht teilen. Er ernannte Julius Adler, einen Sataniden, zum Vorsitzenden.

62. Eisenhower hat die Sataniden in Spitzenstellungen unserer Regierung gebracht, in Bereitschaft für den Tag, an dem sie die Felle schließen werden.

a) Er ernannte den Sataniden Lewis L. Strauß zum Vorsitzenden der Atomenergie-Kommission. Strauß ist ein Mitglied von Kuhn, Loeb & Co. Bankiers.

b) Er hat den Sataniden Arthur F. Burns zu seinem Wirtschaftsberater gemacht.

c) Er hat den Sataniden Meyer Robert Guggenheim zum Botschafter in Portugal gemacht.

d) Er hat den Sataniden Louis Rothschild zum Vorsitzenden des Schiffsahrts-Ausschusses gemacht.

e) Er hat die Satanidin Freda Hennock zum Bundesverkehrs-Kommissar ernannt.

f) Er hat den Sataniden Samuel B. Groner zum Assistenten des Bundesverkehrs-Kommissar gemacht.

g) Er hat den Sataniden Max Raab zu seinem Assistenten im Weißen Haus ernannt.

h) Er hat den Sataniden I. Jack Martin zum Verbindungsmann zwischen dem Weißen Haus und dem Kongreß ernannt.

i) Er hat den Sataniden Clarence D. Dillon (Lapowski) zum Botschafter in Frankreich ernannt.

63. Die christlichen Amerikaner waren gewillt, Amerika mit den Sataniden zu teilen, aber die Sataniden sind nicht gewillt, Amerika mit den Christen zu teilen. Die Sataniden wollen alles haben und die Christen zu ihren Sklaven machen.

64. Die Sataniden schreien „Antisemitismus“, wenn sie angeklagt werden, aber der richtige Name ist statt dessen „Satanentlarvung“. Wenn eine Gruppe eines Verbrechens gegen eine andere schuldig ist, dann sollte sie als solche in Verruf geraten, genau so wie Ihr die Bande von Capone oder die Mafia in Verruf bringt.

Mitglieder des Kongresses! Erwacht jetzt oder Ihr werdet erschossen. Es bietet sich jetzt die letzte Möglichkeit. Wenn die Sataniden die Diktatur errichten, werden sie Euch erschießen oder in Konzentrationslager stecken. Ihr ward Inhaber der Macht zur Zeit des Unterganges der Vereinigten Staaten und der weißen Rasse. Ihr liebt es gesehen. Jetzt tut Euch zusammen zu einer machtvollen Tat, um ein „Halt“ zu gebieten. Es sind alles Tatsachen, die hier gesagt wurden. Euch bleibt nur noch eine Möglichkeit übrig und das ist ein

gemeinsamer Aufruf seitens einer Gruppe Eurer Gottesknechte als Mitglieder des Kongresses, um diese Angelegenheit zur Anklage zu bringen, deren Umfang gegenüber die Capone-Bande und Mafia-Kinder sind. Die Liga der Sataniden zur Abwehr der Verleumdung, der Orden B'nai B'rith, der amerikanische Sataniden-Kongreß sind unmitzelnische Verschwörungen für die Ausführung des Planes der Sataniden. Sie stellen eine „Gestapo“ in jeder Gemeinde dar. Die Gemeinden der Sataniden arbeiten überall restlos zusammen. Jeugnen es auch nicht ab. Es wurde ihnen in hunderten von Jahren so gelehrt. Die Protokolle der Weisen von Zion sind im Begriffe erfüllt zu werden. Handelt jetzt oder Eure Zukunft wird Sklaverei für immer sein. Benjamin Franklin sagte dies in einer Konvent-Rede voraus im Jahre 1784 und Ihr habt es ausgeführt und brachtet es bis zu der Lage, in der die Falle im Begriffe ist, zuzuschlagen. Kommt sofort zusammen und beseitigt sie oder seid bereit, die Folgen zu tragen, derart, daß Ihr und Eure Nachkommen beseitigt werdet oder für immer in die Sklaverei geht. Es ist keine Zeit mehr zu zögern.

Für den Fall, daß Ihr der Meinung seid, wir hätten Vorurteile, zeigt es Euch die Geschichte von mehr als tausend Jahren, daß, wo immer dieses Volk sich niederließ, es notwendig war, es zu vertreiben, z. B. in Babylon, Spanien, Frankreich, England und erst kürzlich in Deutschland. Und dies wird in Amerika geschehen.

Was Ihr tun könnt!

An die Senatoren und Mitglieder des Kongresses!

1. Schließt Euch zu einer Gruppe zusammen, um Amerika durch ein gemeinsames Vorgehen zu retten.
2. Erklärt den Kommunismus für ungesetzlich.
3. Erklärt Verrat in Friedenszeiten als ein mit dem Tode zu bestrafendes Verbrechen.
4. Erklärt die satanidische Liga zur Abwehr der Verleumdung für ungesetzlich.

An die Staatlichen Gesetzgeber in 48 Staaten!

1. Bildet Gruppen von Abgeordneten, die gewillt sind, Amerika zu retten, indem sie gemeinsam vorgehen.
2. Erklärt die Liga gegen Verleumdung für ungesetzlich und ebenso den amerikanischen Kongreß der Sataniden.
3. Sie haben Einheiten für eine Militär-Regierung ausgebildet und bei einem Versuch, der in neun Städten erfolgte, im Namen der „Vereinigten Nationen“ das Kriegsrecht eingeführt und aufgelegt.
4. Eisenhower's Reorganisation des Verteidigungssystems ist ein Plan Baruchs, durch welchen die letzte Entscheidung in die Hände eines Mannes, des Vorsitzenden der Stabschefs-Versammlung, gelegt wird.
5. Die Einheiten der staatlichen Nationalgarden sind überall vorsätzlich behindert worden, Munition und Ausrüstung von der Bundesregierung zu erhalten. Dies geschah, um es ihnen unmöglich zu machen, der „Übernahme“, wenn sie kommt, Widerstand zu leisten.

An Jedermann!

Die wirkungsvollste Tat, welche man vollbringen kann, um die Freiheit unseres geliebten Vaterlandes zu schützen ist die, aufmerksam die Protokolle der Weisen von Zion zu lesen, um so den Plan der Weltverschwörer kennen zu lernen und dann diese Protokolle weiter zu verbreiten. THE DEMOCRATIC PARTY, ARCH-FOE OF WHITE CIVILIZATION IN AMERICA

Ever since Franklin Delano Roosevelt recognized Soviet Russia and inaugurated the socialist planning of the New Deal regime in 1933, the Democratic Party has become the instrument of highly organized, well-financed racial minority pressure groups with Communist tendencies. The intellectual mentor of Franklin D. Roosevelt was the late Rabbi Stephen S. Wise, formerly the leading Jewish rabbi in the United States and author of the immortal statement, "SOME CALL IT COMMUNISM, BUT I CALL IT JUDAISM". In his autobiography, Rabbi Wise admits that Roosevelt always consulted him on problems affecting racial minorities.

It was Roosevelt and the Democratic Party which led us into World Jewry's HOLY WAR against Hitler and National Socialist Germany. One million Americans perished or were maimed for life in Roosevelt's "GREAT CRUSADE TO SAVE DEMOCRACY". At Yalta, Potsdam and Teheran, the Democratic Party sold out the whole of Eastern Europe, Sakhalin Island and Eastern Germany to the Jewish Commissars of the Kremlin.

Later Harry S. Truman saw to it that our soldiers' hands were effectively tied behind their backs in the Korean War, the most disgraceful betrayal of courageous American soldiers by the traitorous POLITICAL WHORES OF THE DEMOCRATIC PARTY that has yet besmirched the proud record of American history. At this point GENERAL DOUGLAS MACARTHUR was fired like a common office-boy rather than betray his own fighting men at Truman's orders.

Now, in order to gain Negro and Puerto Rican votes, the infamous political gangsters of the Democratic Party have nominated two left-wing intellectuals, Adlai (Hole in the Shoe) Stevenson and Averill (Let's Buy the Negro Vote) Harriman. Stevenson was the Illinois governor who permitted the State Militia to use their steel bayonets on white citizens of Cicero, Illinois, whose only crime was seeking to prevent a Negro family from moving into an all-white community. Everyone knows that once Negroes gain access to a community, property values start to sink and a deluge of colored people descend on the area. STEVENSON HOPES THE SOUTH WILL FORGET HIS BLACK RECORD.

We quote "N.Y. DAILY NEWS" columnist John O'Donnell and his description of life in desegregated Washington, D. C. of July 3, 1956.

"This physically beautiful capital of our Republic-capital of the free world and city of "magnificent vistas" - has fallen on evil days . . . Here the racial problem has become tense. The desegregation of the District of Columbia schools in the last two years has worked only to the extent that members of Congress, government workers and Army officers stationed here in the district have withdrawn their children from the public schools and sent them to private schools." (Obviously lower-income white people without political connections still have to permit their children to be mauled, sexually molested and beaten up by semi-literate Negro savages in the public schools to enhance the experiments in racial integration fostered by vote-seeking politicians.)

"When this reporter came to Washington at the beginning of the FDR regime in 1933, the number of Negroes in the district's public schools was 33%, today the Negro percentage in the same schools approaches 70%. In a carefully documented survey of the present situation in Washington, U.S. NEWS AND WORLD REPORT points out:

"The white, middle-income population of Washington is shrinking rapidly . . . to escape the problems and tensions of Washington residence well-off families have fled by tens of thousands to Maryland and Virginia. Latest statistics show that 45% of the district population is now Negro. Within 10 years, census experts say, white residents will be in the minority. Even now, so many white families with children have moved away that almost two-thirds of the students in the city's public schools are Negroes."

ANY SOUTHERN DEMOCRAT WHO VOTES FOR STEVENSON OR HARRIMAN IS HELPING TO SPREAD THE BLACK FLAG OF THE DEMOCRATIC PARTY THROUGHOUT THE LENGTH AND BREADTH OF AMERICA. ABANDON THE DEMOCRATIC PARTY. PLACE THE INTERESTS OF AMERICA AND YOUR CHILDREN'S HERITAGE AHEAD OF SELFISH POLITICAL GAIN.

REURLET - 8
Reurlet August 17, 1956, in which you requested the Bureau to advise if all future reports concerning the captioned organization should be unclassified and if copies of all future reports should be disseminated to local intelligence agencies.

The Bureau cannot set out a rule for the classification of reports which would cover every conceivable situation. Each report must be considered individually on the basis of the data contained therein and a determination made as to whether there is any information in the report which should be classified. In the past the trend has been to classify reports concerning such organizations as the National Renaissance Party; however, Executive Order 10501, which contains instructions relative to the classification of material, indicates no material should be classified unless it contains information "the unauthorized disclosure of which could be prejudicial to the defense interests of the nation." With this criterion in mind reports submitted in the future concerning captioned organization should not be classified unless they contain information affecting the defense interests of the country.

It is desired that in the future you disseminate copies of all reports on this organization to local intelligence agencies. Copies should also be disseminated to other agencies such as the Immigration and Naturalization Service and Secret Service if the information in the report is of interest to those agencies.

ISRAELI SCIENTISTS ADMIT THAT THE JEWISH PEOPLE ARE A RACIAL GROUP

James H. Madole

For thousands of years the forces of World Jewry have lived among the Gentile people and conducted their nefarious revolutionary activities and divisive tactics under the cloak of religious immunity. By artfully accusing others of their own crimes and by setting the world aflame with cries of bigotry and religious intolerance whenever some monarch or national-minded leader has caught them in the act of fomenting discord within the national borders, the Jews have successfully hidden themselves beneath the guise of a religious community. World Jewry cannot afford to be exposed as a tightly bound RACIAL COMMUNITY existing independently within the boundaries of all national states but owing their primary loyalty to the Jewish World Community and lastly, if at all, to the nation of their birth. For this reason the Jewish intellectual has always played a primary role in such internationalist ideologies as Marxism, Socialism, Communism and the World Government Movement in America and Western Europe.

The names of Jewish revolutionary leaders like Trotsky, Bela Kun, Leon Blum, Daniel De Leon, Kurt Eisner and Ana Pauker have become associated with anti-Christian pogroms, mass murder of innocent Gentiles and bestial immorality throughout the length and breadth of Europe. When Gentile populations rebel against Jewish exploitation and oppression their leaders, ranging from the Pharaohs of Ancient Egypt and Haman of Persia to the late German Chancellor Adolf Hitler and Premier Nasser of Egypt, are accused of religious persecution and GENOCIDE. The Jews conveniently forget their own record of GENOCIDE ranging from the Biblical slaughter and rape of the Canaanites to the horrors of the Jewish-dominated NKVD, Soviet Secret Police, in Eastern Europe. This fiendish record will be exposed in historical sequence in a forthcoming issue of the "National Renaissance Bulletin".

In their own Jewish publications, written for and by Jews, this "Chosen People Of God" tell a far different story to the Yiddish masses than they tell to the gullible American Gentile who sees the Jews portrayed daily as a poor, misunderstood little people who love all mankind and desire to bring the somewhat dubious blessings of inter-racial brotherhood to all mankind. In Jewish publications, this so-called "religious group" throws away all pretext at camouflage and admit they are a racial group. Any Gentile who refers to the Jews as a RACIAL GROUP will immediately arouse the cry of bigotry and persecution from the Jewish masses. Thus we quote from page 5 of "THE AMERICAN HEBREW", August 10, 1956 edition, the article entitled "JYVS' ORIGIN TRACED THROUGH FINGERPRINTS":

"COPENHAGEN....The Jews in all parts of the world are members of a Mediterranean racial group having distinct genetic factors not found among non-Jews, two Israeli scientists reported here at the first International Congress of Human Genetics...The Israeli scientists, Dr. Leo Sachs of the Weizman Institute, and Dr. M. Bat-Miriam of the Israeli Institute for Biological Research, used fingerprint

patterns in their investigations. After examining 400 prints of immigrants to Israel from Poland, Germany, Iraq, Egypt, Morocco, Yemen, Bulgaria and Turkey, the scientists found a unique pattern of loops, whorls and arches which could not be found in samples of fingerprints of non-Jews which they studied. (Dr. Milislav Demerek, director of the genetics department of Carnegie Institute in Washington and a noted expert on racial science, declared that he never before knew that fingerprints could be used for establishing racial origin. "It is entirely a new approach," Dr. Demerek said. "I know Dr. Sachs. He is a noted scientist and I have complete confidence in him.

THE SUEZ CANAL, GATEWAY TO WORLD WAR III James H. Madole.

Once again the American people are being urged to sacrifice their heroic sons and boundless resources on the blood-stained altars of English imperialism and Zionist greed. This time, instead of the German Kaiser or the Nazi Fuehrer, our victim is to be a devout Moslem leader, Premier Gamal Abdel Nasser of Egypt, whose only crime against humanity lies in his defiance of English imperialist ambitions in the Middle East and his steadfast refusal to bow to English, French and American pressure to recognize the aggressor state of Israel. American politicians, catering to Zionist pressure groups during this critical election year, compromised the honor of the American people by reneging on their promise to supply funds for the building of the vital Aswan Dam by the Nasser regime. The building of this dam would have utilized the life-giving waters of the Nile River for irrigating vast tracts of desert which would have allowed a tremendous increase in the living standard and economy of the Egyptian people. The Moslem people of the entire world would have looked to the West as a friend and ally rather than as an oppressor and exploiter of their economically backward people.

The Republican Party was becoming fearful that the entire financial and voting power of the Zionist pressure bloc in the United States would be thrown behind a Democratic New Deal candidate like Adlai Stevenson or Averill Harriman thus virtually assuring the defeat of Eisenhower in the 1956 election. To appease the American Zionist element pressure was brought to bear on Secretary of State John Foster Dulles who promptly proceeded to dismiss Assistant Secretary of State Henry Byroade for his defense of the Arab states. As an example Mr. Byroade made the following statement in an address before the American Council For Judaism on May 1, 1954:

"The Arab refugees read every day of transactions whereby the "abandoned property" left behind in Israel is being transferred, bought and sold (by Jews). They have heard many statements made of the intentions of Israel, but such statements in empty space are not reassuring. The fact that Israel has obtained and is now using restitution from Germany, while doing nothing towards the compensation of Arab refugees, understandably adds to their bitterness."

For such statements of obvious truth Mr. Byroade went the way of General Douglas MacArthur and all other men of honor and ideals. A parliamentary democracy has no place for either ideals or honor. Only cheap, vote-grubbing political prostitutes and two-bit ward heelers can survive in this atmosphere of stale cigar smoke and underhanded political intrigue. Thus a nation is controlled by its lowest elements while noble men avoid democratic politics as a clean man avoids a leper.

After firing Henry Byroade, Mr. Dulles proceeded to break America's solemn word and compromise our national honor by reneging on our promise to supply funds for the construction of the Aswan Dam. Startled by this open display of political chicanery, Premier Nasser sought to obtain the necessary capital in the form of a loan from

several Swiss banks only to find that Zionist financial pressure from New York and London had slammed this door in his face. Mr. Dulles made it quite plain that American funds to aid in the Aswan Dam project would be denied the Egyptian government until they adopted a more conciliatory attitude toward the aggressor state of Israel. Congressman Abe Muler of Brooklyn stated openly that DULLES SHOULD HAVE AGREED TO FINANCE THE EGYPTIAN PROJECT ON CONDITION THAT EGYPT MAKE PEACE WITH ISRAEL. Thus the United States government, for the first time in its majestic history, played the part of an international blackmailer on behalf of World Jewry. How low has American honor sunk in this maze of political coorruption?

To understand Egyptian and Arab League reaction to this high-handed act of Zionist sponsored blackmail we must understand the factors in Middle Eastern politics which led to the Egyptian Revolution of July 23, 1952. The former Egyptian monarch, King Farouk, is world-renowned for his corrupt and licentious actions. During the Palestine conflict this master of harems sent his soldiers defective and aged weapons while he basked in the sunlight of the French Riviera growing fat on the profits of innumerable black market deals. While his soldiers' bodies laid festering in the desert as a result of his betrayal of their trust, this overstuffed replica of Harry S. Truman concluded a deal with the Western Powers whereby French, British and American troops would land in Egypt, if necessary, to guarantee Farouk's throne providing that Farouk Became The First Arab Ruler To Recognize The Legitimacy Of The State Of Israel. In short American, British and French soldiers were once again, as in Roosevelt's great WAR TO SAVE DEMOCRACY, to serve as errand-boys and cannon fodder for World Jewry in forcing a corrupt regime on an unwilling people.

A group of Egyptian Army leaders, led by young Colonel Gamal Nasser, formed a revolutionary junta, seized the palace, confronted the fat, sweating Farouk with proof of his crimes against the Egyptian people and gave him 24 hours to pack his amodorous carcass out of the country. Farouk fled and Jewish ambitions, based on the inner corruption and weakness of small, petty men, crumbled as always when faced by a strong, national-minded leader who has arisen from the people and shared their suffering.

When Premier Nasser refused to bow before Zionist pressure exerted by Eisenhower-Dulles & Co. in order to secure their reelection in 1956, the American and British press began referring to him as a lackey of the Communists. This was a unique tactic for the American press when you consider that all our major newspapers have made it a profitable habit to smear and ridicule Senators Jenner, McCarthy and Knowland, General Douglas MacArthur and every other individual or group who has had the temerity to expose Reds in our government, schools or churches. Considering that the American press IS A KEPT PROSTITUTE, paid for by the advertising of JEWISH-OWNED DEPARTMENT STORES AND WHOLESALE HOUSES, we can be sure that their opposition to the Nasser regime DOES NOT arise because he is pro-Communist but because he opposes the slaughter of his fellow-Moslems by the Zionist butchers in the Holy Land. While accusing Nasser of accepting arms from Red Czechoslovakia, our four-eyed journalists of the Jewish press conveniently forget that Israel WAS RECEIVING ARMS FROM THE CZECH SKODA WORKS AS EARLY AS 1948 while Egypt and her Arab League allies spent three years vainly trying to obtain weapons on a cash basis in Washington. We might add that ISRAEL PAID THE SOVIETS IN YANKEE DOLLARS FOR HER 1948 ARMS DEAL. This money was collected from American Jews and by forced contributions through our labor unions. Not one word was said against this transaction by the so-called "FREE" American Press.

When all other means were exhausted in his attempt to raise capital for the Aswan Dam, which means the hope of fertile land and homes to millions of destitute Egyptian fellaheen, Nasser was forced to nationalize the Suez Canal as a last source of potential revenue. When we consider that 120,000 Egyptian workers died constructing this vital "crossroads of the world" and that only foreign nations and alien stockholders have reaped profit from the blood, sweat and agony of these destitute Egyptian people, we can understand the righteous wrath of any patriotic Egyptian

leader at these atrocious conditions. Americans remember only too well how our forebears were driven into revolution against the English tyrants who sought to milk our people of their gold and resources in the form of tribute to an ALIEN KING. "NO TAXATION WITHOUT REPRESENTATION" is a battle-cry that has echoed down the ages and become an immortal part of American history. Neither can we forget the high-handed cruelty of the English tyrants when they halted American ships on the seven seas and forcibly removed American citizens and sailors to serve, against their will, in the British fleet. We put a stop to this practice by trouncing the Redcoats in the WAR of 1812.

Now that England threatens to invade Egypt with military forces in order to overthrow the Nasser regime and reopen the Suez Canal all the fluttering, Anglophile fairies and the powerful Zionist clique in our U. S. State Department will band together to send American boys as a blood-offering to "dear Old Mother England" in her hour of need. No one is particularly interested in the Suez Canal but England, France the United States and the Zionists all want Nasser's scalp for reasons of their own. After all, the poor man just won't be bought and in this Western World where Jewish "hock-shop diplomacy" is rapidly replacing Christian ethics, any man with nobility of character and fundamental honesty threatens the world ruled by our cheap, vulgar politicians and diplomats who live off the Jewish pocketbook.

Dr. Fa rid Zeineddine, Syrian Ambassador to the United States, declared as follows: "For the French, the real issue is Algeria and North Africa. For the British, south-east Arabia, oil and strategic position are the real issue. For Zionism, the real issue is to keep the Arabs down so as to consolidate previous expansion and ensure further expansion with basic Zionist philosophy and strategy. For the United States, the issue is NATO, Zionism and the need to continue the domination of the Middle East by Western allies of the United States and its influential and guiding Zionist friends.

The Egyptian Revolution of July 23, 1952 and its leader, Premier Gamal Abdel Nasser have set the entire Moslem world afire with the brilliant flame of fanatical nationalism. From Morocco and Tunisia in Northern Africa to distant Pakistan bordering the slopes of the mighty Himalayas in Far Asia to the tropical isles of Indonesia, the name Nasser is coupled with the rebirth of the Islamic Faith and the hopes for a mighty new civilization which will bind together the huge Moslem masses of the world. What Adolf Hitler was to the Nordic, Aryan people, Gamal Nasser is to the mighty horde of Islam. Many Germans who were loyal to the highest racial ideals of National Socialism can now be found in the ranks of Nasser's advisors and confidantes.

Americans must decide whether our foreign policy should be continually bound to the decadent and swiftly decaying empires of Great Britain and France or whether we should seek to oust World Communism from Africa and Asia by the simple expedient of befriending the Moslem and African people who are seeking to throw off the cruel yoke of colonialism and obtain their freedom just as America did in 1776. Nasser is to Africa and Asia what George Washington was to the United States. We can hardly blame him if, after threatening his people with military aggression and outright blackmail, he should turn to the East for help. Should this happen our traitorous politicians, in search of Zionist cash and votes, may well be responsible for causing the FINAL abdication of the American Eagle from the mighty storm-tossed arena of world history.

"To my mind the most dangerous doctrine that can be preached to the people of America is that social equality, mixed marriages, mixed schools, and political equality offer the solution of the Negro Question. Experience has forced upon me the conclusion that the true way out of our troubles is to give to the Negroes, fully and universally, those absolute rights which the law of Nature is said to give every human being. But political privileges--voting and office-holding--HE SHOULD NOT HAVE AT ALL. To exclude him utterly from affairs of government, would mean peace, to him and to us. As to social equality, that would inevitably breach the walls of racial purity. Mixed marriages would become more common, the hybridizing of the race would set in, and nothing could prevent the downward movement of the great Caucasian Race."

"The triumph of the Southern whites in throwing off the yoke of Northern oppression and Negro domination ought to forever settle two questions:

- (1). Local self-government is with the Indo-Germanic peoples a primitive instinct, an imperishable principle, an unconquerable ideal;
- (2). The superiority of the Aryan will assert itself, no matter how overwhelming may seem to be the odds against him.

"A final word and I am done: the natural repugnance of our race to equality of social relations with the Negro is the instinct of racial self-preservation. It is God-given, and its purpose is the high and holy one of keeping pure the blood of our SUPERIOR RACE. TO DO THIS IS BEST FOR US, BEST FOR THE NEGRO, BEST FOR OUR COUNTRY, BEST FOR MANKIND."

"THE AFRICAN"

TENNESSEE PATRIOTS REBEL AGAINST SUPREME COURT TYRANTS.

James H. Madole

The glorious saga of American history which witnessed the heroic and successful stand of a handful of bedraggled, poorly equipped American Minutemen against the mighty British Army at Concord, Lexington, Bunker Hill and Valley Forge was further enriched by the rebellion of thousands of sturdy, freedom-loving American mountaineers in Tennessee and Kentucky against the Communist-inspired edict of the U.S. Supreme Court which outlaws racial segregation in public schools throughout the South. Unarmed patriots and distraught parents, who did not wish to see Southern communities turned into Negro infested slums like New York City and Chicago, rose up in righteous anger, marched to the local public schools and commenced to picket the premises. Patriotic leaders like John Kasper and Asa Carter of the White Citizens Councils arrived in Clinton, Tennessee and started to rally and organize the local townspeople in pro-segregationist mass meetings attended by over 1000 people.

Governor Clement of Tennessee and Governor Chandler of Kentucky, both seeking Jewish and Negro votes for the Red-dominated Democratic Party in the 1956 presidential

election; promptly ordered the National Guard to establish a military dictatorship in the towns of Clinton, Tennessee and Sturgis, Kentucky. After setting up a Communist-patterned military occupation in the town of Clinton, Major General Joe W. Henry of the Tennessee National Guard proclaimed that NEGRO STUDENTS WOULD ATTEND CLASSES UNDER THE PROTECTION OF THE GUNS OF THE NATIONAL GUARD. He further stated that "all congregating of citizens was banned, as was all speech-making and use of public address systems." As a result, John Kasper was sentenced to one year in prison for allegedly "interfering with a Federal Court order to integrate the Clinton High School." At last reports Kasper was released on \$10,000 bail. Immediately the Jewish columnist, Barry Gray, writing in the "NEW YORK POST" of Sept. 4, 1956 stated as follows:

"The nation stands by while hoodlums take over the national and international integrity. John Kasper, the 26 year old Camden, New Jersey, bigot was a marked man as he entered the Mason-Dixon line. Prominent Southerners had already been informed that Kasper was a disciple of the James Madole school of hate. Kasper had helped carry hate literature for Truhill and Madole. Kasper learned his hate in the North and saw the opportunity to peddle it in Tennessee."

According to this interpretation anyone who rebels against bureaucratic tyranny automatically becomes a "hoodlum". Thus George Washington, Patrick Henry, Nathan Hale and Alexander Hamilton must all have been "hate agitators and hoodlums" for rebelling against the monstrous taxes and unjust laws of the King of England. The tyranny of the English government was petty in comparison to the vicious practices of the little, would-be Stalins in Washington. These corrupt politicians and Jewish bureaucrats would gladly sacrifice the White race and the future of Western civilization in order to perpetuate themselves in office by catering to the TWENTY MILLION NEGROES AND SIX MILLION JEWS who represent the RACIAL MINORITY VOTING BLOC IN THE UNITED STATES. These six million Jews control, directly or indirectly, nearly 80% of America's wealth as well as all media of communication with the people, namely; television, radio, the press through paid advertising of Jewish-owned department stores and wholesale houses, and THE COMPLETELY JEWISH-OWNED HOLLYWOOD CINEMA. Just as Jewish intellectuals and financiers created the Red Revolution in Russia in October, 1917, so they now seek to destroy America's power to resist Soviet conquest by mongrelizing our best white racial stock with Negro blood. This "noble experiment" was attempted in our nation's capital by the Red-bureaucrats of the Democratic and Republican parties. The results are described as follows by "New York Daily News" columnist John O'Donnell:

"This physically beautiful capital of our republic--capital of the free world and city of "magnificent vistas"--has fallen on evil days. The White House and lovely government buildings still delight the patriotic eye of the American tourist, as they should. But now, with the political battles raging on Capitol Hill over enforcement of the Supreme Court's school segregation decree-- with the idea of making this capital a "model for all the nation to copy"--there has come to light unpleasant shocking and politically disastrous facts"

Here the racial problem has become tense. The desegregation of the District of Columbia schools in the last two years HAS WORKED ONLY TO THE EXTENT THAT MEMBERS OF CONGRESS, GOVERNMENT WORKERS AND ARMY OFFICERS HAVE WITHDRAWN THEIR CHILDREN FROM THE PUBLIC SCHOOLS AND SENT THEM TO PRIVATE SCHOOLS. When this reporter came to Washington at the beginning of the F.D.R. regime in 1933, the number of Negroes in the District's public schools was 33% but today, the Negro percentage in the same schools approaches 70%. In a carefully documented survey of the situation which at this moment confronts the capital, the "U.S. News & World Report points out:

"The white, middle-income population of Washington is shrinking rapidly...to escape the problems and tensions of Washington residence well-off families have fled by tens of thousands to Maryland and Virginia. (One cannot flee from bureaucratic tyranny. This week the Supreme Court desegregation decision brought about civil strife in Maryland and West Virginia as schools were forcibly integrated. Soon, if he continues to flee rather than turning on his oppressors, the White man will be confined on reservations like the American Indians.) Middle-class children in the district are diminishing in number as if summoned by a Pied-Piper. Latest statistics show that 45% of the district population is now Negro. Within ten years, census experts say, white residents will be in the minority."

We continue to quote columnist, John O'Donnell on the situation in Washington, D.C.: "So far as the public schools are concerned in the district, the situation brings up a politically embarrassing problem for many members of the House who make their home here during the school year and have minor children. Particularly New Deal Democrats from the North and Republicans who want to follow the party line of wooing back the Negro vote are all for desegregation of the public schools. Yet some of them have removed their children from the district schools and placed them in private schools or have taken up residence in Virginia or Maryland. There has been a Gentleman's agreement among the lawmakers not to go into personalities on this touchy point--"you speak on the floor one way, but when it comes to your own children you act differently."

Thus we find the same rotten brood of Washington politicians who refuse to send their children to Negro-infested schools FORCING SOUTHERN FAMILIES TO INTEGRATE THEIR SCHOOLS AT GUNPOINT. The sexual promiscuity of Negro males and their unholy lust for White women is proven conclusively by the fact that there are 70,000 illegitimate, mulatto children in Great Britain as a result of billeting American Negro troops in that country during World War II. Army records show that there were 60,000 mulatto offspring of American Negroes stationed in Bavaria during the period 1946-47. The placing of large concentrations of Negro troops in occupied Germany was part of the Jewish-inspired Morgenthau Plan to destroy the racial pride and purity of the GERMAN NATION. This same plan is now being put into practice in the American South. A mongrelized nation without pride in its race, nationality or culture is easily dominated and exploited by the Jew. For this purpose he conquered Czarist Russia and created a Jewish controlled Communist dictatorship in 1917. The Red traitors hauled before Congressional investigating committees during the McCarthy heyday were 90% Jewish but most of them have been put back in their old jobs in government and atomic research since the Jewish campaign of vilification caused McCarthy's political star to wane.

To prove conclusively that organized American Jewry is the intellectual and financial backbone of the movement to destroy racial segregation in the South we quote the "National Jewish Post" of June 29, 1956, pg.1, entitled, "SOUTHERN B'NAI B'RITH DISTRICT BACKS ADL ON DESEGREGATION":

"B'nai B'rith District 5, meeting at its annual convention here, (in Richmond, Virginia) adopted a resolution in support of the Anti-Defamation League program of intelligent planning and programming by responsible groups and individuals in each community and state designed to meet the needs of local communities and areas in implementing the decision of the U.S. Supreme Court on desegregation in public schools."

We also quote from the same issue of the "National Jewish Post" an article entitled, "NATIONAL JEWISH LEADERS Must Back Desegregation, NCRAC HEARS, CAN'T BE SOUTHERNER AND A JEWISH LEADER":

"Southern Jews who are also national Jewish leaders and who fail to support desegregation in the South by counseling a policy of "moderation" have to make the hard choice and, in general, will have to give up national leadership, declared Dr. Arnold

Rose, University of Minnesota professor of sociology and an authority on minority and civil rights problems, speaking at the plenary session of the National Community Relations Board. Dr. Rose added: "Southern Jewish leaders can be expected to keep quiet about the Negro problem so as not to draw fire on themselves. But national Jewish leaders have the opportunity that other American leaders have of helping to rid the United States of its major Achilles heel, which has particularly threatened the Jews."

Every major Jewish organization and periodical throughout the United States and Western Europe has unleashed an unprecedented "Hate Campaign" against the American South. American democracy allegedly stands for a government by the majority of the people directed towards furthering the interests of the majority. We find in Tennessee and Kentucky that our Jewish bureaucracy in Washington has totally distorted the meaning of democracy and supported with bayonets and bullets the RIGHT OF THE MINORITY TO ENSLAVE AND DICTATE THEIR WILL TO THE MAJORITY OF GOD-FEARING, LAW-ABIDING WHITE CITIZENS. THOSE ANCESTORS FOUNDED THE AMERICAN REPUBLIC. Doubtlessly some braying jackasses educated in our public schools, or brainwashed by our clerical preachers of brotherly love, will try to prove that America was pioneered by Australian bush-men and African cannibals carried on the shoulders of bearded Jewish rabbis. Native Southerners had best awaken quickly to one paramount fact, namely; THAT MANY JEWS ARE JOINING THE WHITE CITIZENS COUNCILS AND OTHER PRO-SEGREGATIONIST GROUPS TO CORRUPT AND UNDERMINE THEM FROM WITHIN. The "New York Daily News" carried a week-long series of articles attacking the White Citizens Councils; Judge Tom Brady, J. J. Simmons, John U. Barr and other patriotic Southern leaders and groups. In this series it was openly stated THAT SOUTHERN JEWS WERE JOINING THE WHITE CITIZENS COUNCILS TO FORCE THEM TO MODERATE THEIR POLICIES.

The historic battles in Kentucky and Tennessee lack only political organization to make them a stepping-stone to the reconquest of our American Republic by the white Race. Only when American patriots admit that the Democratic and Republican parties are no longer American institutions representing the welfare of the American people but have become Red-dominated bureaucracies serving the interests of International Jewry and a horde of vote-seeking, traitorous politicians can we organize a THIRD PARTY BASED ON THE FUNDAMENTAL PRINCIPLES OF RACIAL NATIONALISM AND SOCIAL JUSTICE. We quote from "The Cult Of Equality" by Stuart O. Landry, a native Southerner:

"Among the freedoms the modern world demands, there should be included RACIAL FREEDOM--the right to be racially pure. Any racial group should have the right to segregate, and to retain its group characteristics, its traditions and its ideologies. And conversely, no group should be forced to assimilate another group, or to accept alien beliefs and customs. In our sympathy for the underdog, and in our desire to help others less fortunate WE MUST NOT FORGET OURSELVES. Charity should always begin at home, else it is hypocritical, foolish or even dangerous. We should think first of our family, next of our country, then of our race, and maintain the proper pride in each. The Caucasian race is indeed the greatest of all peoples, and if it dies the glory of the world will perish with it."

To prove the peaceful relationship which existed between Negroes and whites in the South prior to the Roosevelt administration and the resulting invasion of Southern communities by hordes of Communist-Jewish agitators we quote from "LET US UNDERSTAND THE NEGRO" by Paul Clark, a Mississippi patriot: "The Southern whites view integration of the two races with the same alarm that the inhabitants of the Delta regard the surging Mississippi flood. Just let a trickle of water break over the levee and soon it will become an uncontrollable torrent, bursting through the levee in an ever-widening Niagara until all the land lies inundated under many feet of muddy brown water and poverty, misery and ruin rule the land."

"Recognizing the differences between the races, both Whites and Negroes in the South have been contented and at peace with one another in segregated societies, where friction has been reduced to a minimum. The Negro's crimes of child-like passion upon his fellows are dealt with understandingly. His sexual promiscuity and casual attitude toward marriage and children are accepted as part of his life. No one chides him for the sloppy state of his household. His boss fully expects him to lie and commit petty larceny. His boss understands his limitations and does not insist upon the impossible. Education is available if he desires it, but often he desires none for himself or his children. His desire for absolute paternal authority is satisfied."

"On the other hand, the Whites live in their world, relatively unhandicapped by the Negroes which surround them. They look after their Negro dependents as they do children, solving the Negroes' little personal problems, guiding and advising them, chiding them when necessary, lending and donating to them. And along came the Communists and destroyed this peaceful dual society, pitted one race against the other urged mongrelization, turned friendship to hate, contentment to dissatisfaction, harmony to friction. LET OTHERS UNDERSTAND THE NEGRO, LET THEM UNDERSTAND THAT WE IN THE SOUTH ARE RIGHT. LET US UNDERSTAND THAT WE ARE RIGHT."

I. GENERAL ACTIVITIES OF THE NATIONAL
RENAISSANCE PARTY

T-1 indicated on September 28, 1956, that the National Renaissance Party (NRP) continues to maintain headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its National Leader. He indicated that there has been no important change in the party's activities or membership in recent months and the party does not appear to be gaining any new strength. He stated that no public meetings of the party have been held during the past three months and the only outward activities of the party have been the distribution of the National Renaissance Bulletin on a monthly basis.

T-2, who was in a position to furnish reliable information, indicated on September 28, 1956, that JAMES MADOLE and his mother, GRACE MADOLE, maintain headquarters for the NRP in Apartment 8 at 10 West 90th Street. He stated that a great many individuals visit the MADOLEs at this apartment, usually in the evening and it appears that at least once a week a party meeting, consisting of a dozen or less individuals, is held at the MADOLEs' apartment.

T-2 further indicated that considerable typing is done in the MADOLEs apartment and he believes that some of the party literature may be prepared in this apartment. He stated that all of the party literature which he has seen has been violently anti-Semitic in nature. He added that he does not believe the NRP has any great strength and has never seen MADOLE or Mrs. MADOLE attempting to solicit members or funds anywhere in the neighborhood of this apartment.

T-3, who was in a position to furnish reliable information, indicated on August 27, 1956, that [REDACTED]

T-3 added that [REDACTED]

T-4, who was in a position to furnish reliable information, indicated on June 29, 1956, that

b7D

Information furnished by T-3 and T-4 should not be made public except after the issuance of a subpoena duces tecum.

It is noted that "Common Sense," published by the Christian Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

II. INDIVIDUALS CONNECTED WITH THE NRP

JAMES H. MADOLE

 Bureau of Special Services, New York City Police Department, indicated on August 6, 1956, that their records contain the following background information on JAMES MADOLE, leader of the NRP:

b6
b7C

He said that MADOLE's father was JAMES MADOLE, deceased, and his mother is GRACE MADOLE, who resides with her son at Apartment 8, 10 West 90th Street, New York City, 11

NY 105-6112

He said they have resided at this address since May 3, 1954, when they moved there from 224 Main Street, Beacon, New York. He said that GRACE MADOLE is regularly employed and apparently furnishes support for JAMES, who has difficulty holding a job.

He said that MADOLE graduated from Beacon High School in June, 1945, and had no other education. He described MADOLE as 28 years old, 5' 10", 130 pounds, fair complexion, partially bald with blonde hair, and stated that MADOLE was unmarried.

[redacted] also indicated that the Bureau of Criminal Identification, New York City, had no record identifiable with JAMES MADOLE, 10 West 90th Street,

b6
b7C

A telephonic inquiry on August 22, 1956, to L. F. Dommerich and Company, 271 Madison Avenue, New York City, revealed that JAMES H. MADOLE is presently employed at this firm in [redacted] Division.

b6
b7C

T-1 indicated on August 17, 1956, that JAMES MADOLE continues his position of National Leader of the NRP. He stated that MADOLE has complete control over the party's activities and is the principal speaker at party meetings. He added that MADOLE also has control over all publications and party literature and distribution of this literature, which is anti-Semitic, Neo-Fascist, and anti-Negro in content.

T-1 indicated on August 7, 1956, that MADOLE had attended meetings of the Nationalist Party, a New York City group headed by WEST HOOKER, which advocates Fascism and anti-Semitism, on July 24, 1956, and July 27, 1956, but that it did not appear that MADOLE's attendance at these Nationalist Party meetings had any particular significance or that MADOLE intends to cooperate with the Nationalist Party.

GRACE MADOLE

T-1 indicated on August 15, 1956, that GRACE MADOLE

NY 105-6112

continues to reside at 10 West 90th Street, New York City, with her son, JAMES MADOLE. He stated that she has been active in NRP affairs since the party's beginning and continues to offer encouragement and council to her son regarding the operation of the party. ~~COUNSEL~~

He said that she was found guilty of disorderly conduct and fined \$10.00.

b6
b7C

[redacted] indicated that she has resided at 10 West 90th Street, New York City, since May, 1954, having moved there with her son from 224 Main Street, Beacon, New York. He stated that she has worked at Metropolitan Life Insurance Company, New York City, for many years.

b7C

T-1 indicated on August 10, 1956, that ETHEL CROOKES has been a member of the NRP for several years and has frequently attended meetings held at JAMES MADOLE's apartment, as well as street meetings. He stated that she may have originally become a member of the party through friendship with Mrs. GRACE MADOLE, mother of JAMES MADOLE.

T-1 further indicated that Mrs. CROOKES usually is in charge of collections at party meetings and frequently sells literature at these party meetings. He stated he believes she turns all the money collected at these meetings over to JAMES MADOLE and he believes that she has no control over any of the party affairs. He stated that she performs small services for the party, and,

NY 105-6112

therefore, has been given the title of Treasurer.

He added that she operates an antique store in the mid 50's in New York City, but he had no further information regarding her background.

[redacted] 252 East 61st Street, New York City, indicated on August 9, 1956, that Mrs. HAROLD CROOKES, also known as ETHEL CROOKES, presently resides in this building at Apartment 6E south. He added that Mrs. CROOKES resides alone in this apartment and alleges that her husband disappeared many years ago.

b6
b7C

[redacted] added that she operates an antique store on Second Avenue under the name of Mrs. HAROLD CROOKES. He described Mrs. CROOKES as a woman in her late 50's, of short stature, with grey hair, who walks with a slight limp and usually carries a cane or an umbrella.

b6
b7C

The New York Telephone Directory lists Mrs. HAROLD CROOKES, 252 East 61st Street, New York City, telephone TE 8-6068.

It is to be noted that ETHEL CROOKES, 252 East 61st Street, New York City, is not identical to ETHEL CROOKS, 294 Riverside Drive, New York City.

KURT MERTIG *was seen at the NRP building*

T-1 indicated on August 15, 1956, that KURT MERTIG has not been at any recent meetings of the NRP and appears to be taking no active part in any political organization at this time. He stated that JAMES MADOLE has listed MERTIG as an officer of the NRP for several years but that this is a title in name only and MERTIG never has had any actual control over activities of the NRP.

T-1 added that MERTIG originally had given to MADOLE, an old mailing list of names which MERTIG had accumulated through the years, and that MADOLE had used this list for soliciting contributions for the NRP.

NY 105-6112

T-1 stated that MERTIG has suffered from various illnesses for the past several years and presently is in very poor health. He added that MERTIG is quite aged and is approaching senility.

[redacted] on August 6, 1956, stated that their records indicated KURT MERTIG had been arrested on October 6, 1945, for disorderly conduct in connection with a Fascist meeting. He said this charge later was changed to unlawful assembly and MERTIG was found guilty and served six months in jail. STEVENSON stated that MERTIG presently resides at 508 Second Avenue, New York City, and has been of ill health for several years.

b6
b7c

He said that MERTIG formerly had been associated with the activities of the NRP, but because of illness and advanced age, he no longer is active in this organization.

BENJAMIN FREEDMAN *NY*

T-1 indicated on August 17, 1956, that JAMES MADOLE had been preparing a new party bulletin with the aid of BENJAMIN FREEDMAN. He stated that MADOLE had recently received \$100.00 from FREEDMAN to use in the party's work as well as a quantity of new Egyptian literature to be distributed by the NRP.

T-1 further indicated on September 28, 1956, that FREEDMAN has been aiding MADOLE in the preparation of recent National Renaissance Bulletins. He stated that MADOLE frequently visits FREEDMAN's apartment at 960 Park Avenue where they work on the articles for these bulletins. T-1 also indicated that FREEDMAN has been lending some financial aid to MADOLE from time to time.

FREDERICK WEISS *NY*

T-1 indicated on July 25, 1956, that FREDERICK WEISS has not visited JAMES MADOLE for a long time. He stated MADOLE has been willing to send WEISS copies of the party literature, but he has constantly refused to let WEISS read the incoming party mail. T-1 stated that it

NY 105-6112

appears that WEISS no longer has any control over the activities of MADOLE or the NRP.

[redacted]
Detective LEONARD STEVENSON indicated on August 6, 1956, that [redacted] had attended a meeting of the NRP on June 22, 1956. He indicated that [redacted] address is c/o Dartmouth Club, 37 West 39th Street, New York City, *NY New Hampshire*

T-1, on August 21, 1956, indicated that so far as he knew, [redacted] had no further association with the NRP after his appearance at a party meeting on June 22, 1956. He said that [redacted] had never been active in NRP affairs prior to this meeting and he did not believe that [redacted] was presently an active member of the party.

JOSEPH RUDDEN

[redacted] indicated on August 6, 1956, that JOSEPH RUDDEN, 318 East 79th Street, was a member of the NRP. He added that their office had the

NY 105-6112

following arrest record for JOSEPH RUDDEN, B#227634:

On October 6, 1944, attempted robbery was changed to disorderly conduct and RUDDEN sentenced to ten days in jail.

On July 6, 1951, an attempted robbery and assault charge was changed to attempted grand larceny and RUDDEN was placed on indefinite probation beginning October 18, 1951, and running to a maximum of April 17, 1954. STEVENSON added that this record indicated RUDDEN is a known homosexual.

T-1 indicated on August 7, 1956, that JOSEPH RUDDEN had appeared at a meeting of the Nationalist Party on July 27, 1956, and was denied entrance to the meeting and threatened with physical violence by members of the Nationalist Party. T-1 stated that JAMES MADOLE, who also attended this meeting, indicated that WEST HOOKER, leader of the Nationalist Party, stated that RUDDEN is attempting to obtain information for one of MADOLE's friends. T-1 was unable to add anything concerning this, but stated that RUDDEN, who is an alcoholic and an alleged homosexual, would probably obtain information for anyone who would offer him a few dollars.

[redacted] Bahlinger Realty Company, 1101 Lexington Avenue, New York City, indicated on July 19, 1956, that JOSEPHINE RUDDEN, mother of JOSEPH RUDDEN, pays \$21.85 per month in cash to this firm for rent at an apartment at 318 East 79th Street, New York City. III. STATED AIMS AND PURPOSES OF THE NRP

The August, 1956, National Renaissance Bulletin contained the following on its masthead:

"Official organ of the National Renaissance Party devoted to a restoration of the American republic, a preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

[redacted] indicated on August 6, 1956, that during meetings of the NRP on June 22 and June 28, 1956, the principal speaker was JAMES MADOLE. He added that MADOLE's central theme was anti-Jewish in nature and specifically condemned the state of Israel, the United Nations, and the Communist Party. [redacted] added that MADOLE had nothing in his speeches which indicated that the NRP advocated violence to carry out their program.

b6
b7c

T-1 indicated on July 10, 1956, that JAMES MADOLE had written a letter to the Police Precinct Captain at 67th Street, in which he stated that the NRP would not hold any further meetings at the corner of 84th Street and York Avenue. MADOLE demanded that he be allowed to hold meetings on East 86th Street and added that a Catholic group had been holding meetings there for a long time and he is entitled to utilize the same place.

T-1 indicated on August 21, 1956, that MADOLE had stated the NRP would hold an indoor meeting on September 15, 1956, at Steinway Hall, New York City.

NY 105-6112

[redacted] Steinway Hall, 113 West 57th Street, New York City, indicated on August 28, 1956, that the NRP had made no reservations to hold any meetings in the future at Steinway Hall. She added that there had been no meetings of the NRP there since the Spring of 1956.

b6

T-1 indicated on September 28, 1956, that no public meetings of the NRP have been held during the past three months and that MADOLE had not indicated that he intended to hold any public meetings of the party in the near future.

B. Publications

T-1, on July 9, 1956, furnished the New York Office a copy of the May, 1956, issue of the National Renaissance Bulletin. He indicated that CONDE MC GINLEY, Editor of "Common Sense," had furnished the printing of this bulletin and that BENJAMIN FREEDMAN had helped JAMES MADOLE in writing it. *NY*

He indicated this bulletin contained a long article about HITLER being the GEORGE WASHINGTON of Europe which was a reprint of an article which MADOLE had previously written on this subject. This bulletin concluded with the following statement: "What Hitler accomplished in Europe, the National Renaissance Party shall yet accomplish in America."

(((T-1 added that the last page of this bulletin again advertised a list of literature which MADOLE had obtained from the Egyptian Information Office at 900 Park Avenue. He said that MADOLE has become a factor in the distribution of Arab propaganda in this area.)))

(((T-1 indicated on July 17, 1956, that MADOLE had indicated that he had recently obtained a large amount of new literature from the Egyptians which was given to him by [redacted].)))

T-1, on July 2, 1956, furnished a copy of a leaflet entitled "Shall American Soldiers Serve as Cannon Fodder for Jewish Aggression in the Holy Land?" He said this leaflet was signed by the National Renaissance Party and had been distributed at the NRP meeting on June 22, 1956. He added that it was violently anti-Semitic in content.

T-1, on August 28, 1956, furnished the June-July, 1956, issue of the National Renaissance Bulletin. This bulletin contained an article entitled "Israeli Scientists Admit that the Jewish People are a Racial Group," by JAMES H. MADOLE. T-1 indicated that this was an anti-Semitic article concerning Genocide and that this || bulletin again contained advertisements for the sale of || Arab and Egyptian literature.

T-1, on September 27, 1956, furnished a copy of the August, 1956, National Renaissance Bulletin. He indicated this bulletin contained one article entitled "Tennessee Patriots Rebel Against Supreme Court Tyrants," by JAMES H. MADOLE. T-1 indicated this article was anti-Negro and anti-Semitic in nature.

T-1, on August 1, 1956, furnished a copy of a leaflet entitled "The Democratic Party, Arch-Foe of White Civilization in America," which was signed by the National Renaissance Party. He indicated this was an anti-Negro article which had been written by JAMES MADOLE and that 2,000 copies of this article were mimeographed by CONDE MC GIMLEY. He added that 1,500 of these copies were sent to MAX NELSON, leader of the Realpolitical Institute in Chicago, to be distributed at the Democratic National Convention in Chicago.

T-1 indicated on August 17, 1956, that on August 10 and 11, 1956, MADOLE and six members of the Nationalist Party had passed out NRP leaflets at 86th Street between Lexington and Third Avenues in New York City. He indicated that about 1,000 copies were distributed of the leaflet entitled "Shall American Soldiers Serve as Cannon Fodder for Jewish Aggression?"

NY 105-6112

T-5 and T-6, both of whom have furnished reliable information in the past, indicated on August 13, 1956, that they had received in the mail an envelope containing the May, 1956, National Renaissance Bulletin which, in their opinion, was bitterly anti-Semitic and stated that while it bore certain apparent truths, it was so rabid that it appeared to defeat its purpose when read by any fair-minded individual.

They indicated that enclosed in the same envelope was a one page document captioned "The Chicago Committee for the Reception of Nationalist Observers at the Democratic National Convention, August, 1956," bearing the return address, 469 Deming Place, Chicago 14, Illinois, which stated that the committee was inviting the recipients to attend and set up convention headquarters at the Hotel Atlantic in Downtown Chicago during the Democratic 1956 Convention.

The announcement stated the leadership of more than 500 organizations had been invited to participate in this headquarters and that the purpose was to permit nationalists to contact the Democratic Convention delegates from their respective home states and to let them know that there were forces other than the Communists and their allies to reckon with.

C. Other NRP Groups in the United States and Association of the NRP with Other Nationalist Groups

T-7, who has furnished reliable information in the past, indicated on July 31, 1956, that invitations had been sent out by the Chicago Committee for the Reception of Nationalist Observers at the Democratic National Convention requesting individuals with nationalistic tendencies to visit its service center in the East Room, Hotel Atlantic, 316 South Clark Street, Chicago, Illinois, from August 12 through 15, 1956, from 8:00 A. M. until 12:00 P. M. He indicated this card was signed by the National Renaissance Party.

T-1 indicated on September 28, 1956, that there is no indication that the NRP has other groups in the United States outside of New York City. He said there

NY 105-6112

is also no evidence that the NRP was cooperating to any extent with any other nationalist groups.

He added that the NRP's name had been used in connection with the Committee for Reception of Nationalist Observers at the Democratic Convention in Chicago, but that to his knowledge, no NRP member actively participated in this undertaking and that outside of providing some leaflets for distribution in Chicago, the NRP had no active part.

He added that although members of the NRP have attended meetings of the Nationalist Party in New York City, and members of the Nationalist Party have aided JAMES MADOLE in the distribution of literature, there is no possibility of close cooperation between these two similar groups.

NRP SPONSORS MAJOR POLITICAL RALLY TO OPPOSE AMERICAN PARTICIPATION IN A MIDDLE EASTERN BLOODBATH

Once more the sinister combination of English Imperialism and International Jewry seek to utilize the American soldier as cannon fodder to satisfy their grandiose schemes for exploitation of the Suez Canal and expansion of the aggressor state of Israel at the expense of her Arab neighbors. We are sacrificing the friendship of 200,000,000 Moslems and driving this vast segment of the Earth's population into the open arms of Soviet Russia in order that our cheap Democratic and Republican politicians can cater to the Jewish vote. **SHALL OUR SONS BE BUTCHERED IN ANOTHER HOLY WAR FOR THE JEWS AND THE ENGLISH?**

Strike a blow for America First principles. **HEAR OUR DYNAMIC SPEAKERS TELL THE TRUTH ABOUT OUR DISASTROUS POLICY IN THE MIDDLE EAST.** If you love your son and wish to preserve sacred American honor and freedom as your child's birth-right **ATTEND THIS MEETING IF YOU HAVE TO COME ON CRUTCHES OR A WHEELCHAIR.** Don't wait for George to do it.

The meeting will be held on **FRIDAY EVENING, NOVEMBER 2, 1956 at 8 P:M** in the **NOLA STUDIOS, STUDIO 601, 113 WEST 57th STREET, NYC** (between Sixth & Seventh Avenues). **COME AND BRING ALL YOUR FRIENDS.**

NATIONAL RENAISSANCE BULLETIN

Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

Published in New York, N.Y.
\$2.00 per 12 issues

September-October, 1956
Volume 7, Nos. 9 - 10

"Terror was a political weapon of the Nazis. But the Nazis never used terror in a more cold-blooded and wanton manner than the Israelis in the massacre at Qibya. The official report of the Palestine Truce Supervisor removed any possible doubt that the Israelis, themselves in large part refugees from Hitler's terror, were perpetrators of this horrible slaughter of innocent men, women and children. It also reveals that it was an official act of the state, carried out by an official organ, the (Israeli) army."

"Qibya is an Arab village twenty miles northeast of Jerusalem and a mile and a half from the border of Israel. The evening of October 14 was like any other for the 1500 inhabitants of the peaceful village until at 9:30 all hell let loose. Mortar shells began exploding from artillery that had been carefully aimed from Israel before dark. After the town had been partly demolished and many of the inhabitants buried in the rubble of falling homes or blown to bits by the exploding shells, half a battalion of the regular Israeli army moved in and surrounded the village to cut off escape. Then followed an orgy of murder that would be incredible if it had not been verified by reliable neutral testimony. Women and children as well as men were murdered deliberately, systematically and in cold blood."

"The only response the Israelis have made to outraged protest of the civilized world has been one of defiance and self-justification. Prime Minister David Ben-Gurion excused the murderers. Israeli newspapers openly gloated over the deed, and even American Zionists showed little concern other than a fear that American dollars might not continue to flow as freely as before into the coffers of the new state."

"Most of our readers know by now our attitude on Zionism. We are not anti-Semitic, although anybody who criticizes Israel is tarred with this brush in some quarters. We have always advocated help for persecuted Jews and an open door policy for the Jewish immigration into the United States. But Palestine has been an Arab country since the Seventh century and it is a terrible injustice to rob the Arabs of their land and drive them into exile in order to make a home for Jewish refugees. If we want some measure of justice for all concerned, if we want any respect for the United Nations and its decisions, if we want peace in the Middle East and the vast Moslem world on our side, then we must take action now. We simply cannot permit the Israelis to go on thumbing their noses at the United Nations and flouting the most fundamental decencies of the civilized world..."

"We must confess a fear that little or nothing will be done in spite of the tremendous issues involved. The Zionist pressure group in this country is so powerful that even the highest government officials either talk as if they were citizens of Israel or keep silent."

Father Ralph Gorman, C.P.

(The national Catholic magazine of the U.S. of December, 1953)

THE HIDDEN FACTS BEHIND THE ZIONIST INVASION OF EGYPT.

James H. Madole.

The planned act of wanton aggression which resulted in the combined armies of Great Britain, France and Zionist Israel pouring across the boundaries of the small Egyptian nation has forever shattered the rosy-tinted spectacles of Christian humanitarianism which have caused untold millions of Americans and Western Europeans to visualize World Jewry as a persecuted, destitute and homeless racial minority fighting against terrible adversaries for the right to exist. The world grows weary of Jewish sponsored "Hate Campaigns" directed against every nation or ruler who happens to stand in the way of their rapacious greed and international ambitions. By appealing to world opinion and picturing themselves invariably in the role of a poor, suffering, downtrodden underdog the Jews have masterfully played on the heartstrings of Western Christendom and been responsible for crying up "HOLY WARS" in which Christian was pitted against fellow-Christian, brother against brother and Western culture against Western culture throughout untold centuries. During the last four years the people of America, France and England have been deluged with Zionist "hate propaganda" levelled at the regime of Egyptian President Nasser and the friendly Arab nations of the Middle East. The "NEW YORK DAILY MIRROR" ran a series by the Jew Erwin Savelson, entitled "Nasser - The Mid-East Hitler" which hoped to use the old Jewish psychological trick of identifying President Nasser with "a hate object" in the American mind; namely, Adolf Hitler, the late Chancellor of Germany.

Because the Zionists needed the manpower of America, Britain and France to realize their expansionist dreams in the Middle East and to force Egypt to permit Israeli shipping through the Suez Canal it was necessary to renew the Jewish sponsored brainwashing of the minds of the Gentile public in the Western democracies. To demonstrate the effectiveness of rounding up Gentile cannon-fodder in these nations by this process for service in "ROOSEVELT'S HOLY CRUSADE TO SAVE AMERICAN DEMOCRACY AND THE POOR, SUFFERING JEWS OF EUROPE" we quote the diplomatic report of Count Jerzy Potocki, the Polish Ambassador to Washington, to his government in Warsaw on January 12, 1939: "Public opinion in America nowadays expresses itself in an increasing hatred of everything Fascist, hatred of Chancellor Hitler and in fact of everything connected with National Socialism. Above all, propaganda here is entirely in Jewish hands. Jews own practically 100% of the broadcasting stations, cinema, organs and periodicals. Although American propaganda is somewhat roughshod, and paints Germany as black as possible---they certainly know how to exploit religious persecutions and concentration camps---yet, when bearing public ignorance in America in mind, their propaganda is so effective that people here have no real knowledge of the true state of affairs in Europe. Nowadays the majority of Americans regard Chancellor Hitler and National Socialism as the greatest evil and the greatest danger that have befallen the world."

"The whole situation in this country constitutes an excellent forum for all classes of public speakers and for refugees (Jews) from Germany and Czechoslovakia who are not backward in inflaming American public opinion with a torrent of anti-German abuse and vilification. All these speakers extol American liberty and compare it with conditions in the totalitarian countries. It is interesting to observe that in this carefully thought-out campaign---which is primarily conducted against National Socialism---no reference at all is made to Soviet Russia. Thanks to astute propaganda, public sympathy in the U.S.A. is entirely on the side of Red Spain."

"side by side with this propaganda an artificial war-panic is also created. Americans are induced to believe that peace in Europe is hanging by a thread and that war is inevitable. No effort is spared to impress upon the American mind that THAT IN EVENT OF A WORLD WAR THE U.S.A. must take an active part in a struggle for freedom and democracy..."

"In this campaign of hatred, individual Jewish intellectuals such as Bernard Baruch, Herbert Lehman, governor of New York State, Felix Frankfurter, the newly appointed Supreme Court Judge, Morgenthau, the financial secretary, and other well known personal friends of Roosevelt have taken a prominent part in this campaign of hatred. All of them want the President to become the protagonist of human liberty, religious freedom and the right of free speech. They want the President TO PUNISH ALL ANTI-SEMITIC AGITATION. This particular group of people, who are all in highly placed American official positions and who are desirous of being representatives of "true Americanism", and as "Champions of Democracy", are, in point of fact, linked with international Jewry by ties incapable of being torn asunder. For international Jewry, so intimately concerned with the interests of its own race, President Roosevelt's "ideal" role as champion of human rights was indeed a goisend. In this way Jewry was able not only to establish a dangerous centre in the New World for the dissemination of hatred and enmity, but it also succeeded in dividing the world into two hostile camps. IT IS EASY FOR AMERICAN DOMESTIC POLICY TO DIVERT PUBLIC OPINION IN THIS COUNTRY FROM AN INCREASING ANTI-SEMITIC FEELING. THIS IS DONE BY TALKING OF THE NECESSITY FOR DEFENDING FAITH AND INDIVIDUAL LIBERTY AGAINST THE MENACE OF FASCISM."

The situation described above by a Polish diplomat prior to the outbreak of World War II is almost a carbon copy of events in America today. Americans are now told that President Nasser and the anti-Zionist Arab League nations have replaced Adolf Hitler and National Socialism as the world's most loathsome evil. Dwight D. Eisenhower and Adlai Stevenson, our two presidential candidates, compete with each other in promises of AID TO THE AGGRESSOR STATE OF ISRAEL. We quote from the "AMERICAN EXAMINER", page 3, of October 25, 1956 entitled "U.S. ARMS TO ISRAEL URGED BY STEVENSON":

"The State of Israel should not be deprived of means of self-defense. Necessary weapons and training should be supplied to it to restore a balance with her hostile neighbors." A wise policy, he said, must be based on recognition of the fact that Israel is here to stay; that aggression is intolerable and must be prevented and that Israel must receive arms to equalize those ranged against her."

Both Vice President Nixon and Estes Kefauver, the Democratic contender for that position lauded the state of Israel at a meeting of the Zionist Organization of America held in Washington, D. C. at the Mayflower Hotel.

The Zionist elements of World Jewry's hidden strength lies in the fact that the Jewish Race constitutes a state within a state, a separate, alien organism existing within the boundaries of all national states. Thus American, British or Hungarian Jews owe their primary loyalty to the World Jewish Community and secondly, if at all, to the nation of their birth. Theodore Herzl, the father of the Zionist movement, merely transferred this dual loyalty to the Jewish State of Israel thus making every Zionist Jew a potential Fifth columnist in the nation of his birth. To prove this we quote from "THE JEWISH PROBLEM--HOW TO SOLVE IT" by the late Supreme Court Justice Louis D. Brandeis, an advisor to former President Woodrow Wilson: "Let us all recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station or shade of belief, is necessarily a member."

Realizing that America was passing through the throes of a presidential election in which both Republican and Democratic leaders were competing for the Jewish vote with monumental promises of aid to Israel, the Zionists made an agreement with the English and French governments whereby Israeli troops would invade the Sinai Peninsula and divert Egyptian strength while British and French invasion forces swooped down on the vital Suez Canal. We are given a hint at the extent of this underhanded deal by columnist Marquis Childs in the "NEW YORK POST" of Nov. 6, 1956:

"As an old-fashioned big-power deal, and what is happening in the Middle East has more and more that look, the British and the French may succeed temporarily in imposing a new order that will at least in the initial phase appear more stable. PART OF DEAL IS SAID TO INCLUDE THE LIQUIDATION OF JORDAN, one of the most unreal and unstable of the Arab fiefdoms. ISRAEL WOULD PINCH OFF A PART. Iraq would occupy the balance of the country."

One recalls the days, a few short years ago, when the Jews, British, French and Americans used to take turns weeping, sobbing and wringing their cry-ing towels over alleged power-deals by the Axis powers which resulted in the dismemberment of Poland Czechoslovakia, Indo-China and many other lands. Israel, England and France are now proven to be equally aggressive and rapacious. Christian Pineau, the Foreign Minister of France, is a Zionist Jew hence it was a simple matter to obtain French manpower for Israel's expansionist schemes in the Middle East. England wanted to save face by seizing the Suez Canal and demonstrating to her remaining colonies that the sun had not yet set over British military power. With England and France as her assistants in the military rape of Egypt the Zionists faced the remaining task of neutralizing America and Soviet Russia.

Zionist groups in America, possibly with the financial assistance of Allen Dulles' Central Intelligence Agency or the U.S. State Department, directed and financed a Zionist sponsored putsch in Red Poland which overthrew Nikita Khrushchev's satraps and replaced them with Zionist Jews. Since American Zionist groups are in close contact with their co-racials in all parts of the world and there are huge Jewish communities in Poland, Hungary and Roumania which can be put to use for espionage or undercover agitation by any power which aligns itself with political Zionism and the Israeli government it is not difficult to hazard a guess on who was behind the sudden turmoil in Poland and Hungary. Mislead Hungarian patriots were told that the time was ripe for revolt against their Russian masters only to find themselves facing a superbly equipped 200,000 man Russian Army. Without help from their "Western Allies" 15,000 Hungarian patriots mislead by local Zionists were sliced to pieces in a single week. RESISTANCE WAS CRUSHED AS THE ZIONISTS AND THEIR YANKEE ALLIES KNEW IT WOULD BE but Russian strength had been tied up while Israel and her allies dismembered Egypt.

To prove that Zionist elements have taken over Red Poland we quote from the NATIONAL JEWISH POST of October 12, 1956 concerning conditions in Poland prior to the Zionist-sponsored rebellion: "Purge of Jewish leaders in the Polish Communist party and of those holding important industrial posts is going on in Poland, it was reported in "The (London) Jewish Chronicle" in a dispatch from Warsaw. The purge had the approval of the Polish Communist party now under the sway of a group known as the Natolin group, and is said to have the support of Khrushchev. The entire Jewish community of Poland is in a state of tension. The purge was the result of an impassioned demand by Deputy Premier Nowak at a recent meeting of the Central Committee, during which he read the names of Jewish ministers, vice-ministers, heads of departments, directors of factories and then gave a percentage breakdown of Jews in high position. He said the number was abnormal and the cause of resentment among the masses."

Zionist elements had previously been purged by the Soviet regimes in Czechoslovakia when the Jew, Slansky and eleven Zionist cohorts were hung for stealing funds from the Czech Treasury and sending this cash to Israel. Ana Pauker, the Red Jewess of Bucharest, was liquidated by the Roumanian Axis for aiding a foreign state, namely Israel. There has been a constant struggle for power between Zionist Jewish elements (those Jews owing their primary loyalty to the state of Israel) and Communist Jewish elements (those Jews who owe their primary loyalty to Kremlin policy) behind the Iron Curtain. Zionist elements are frequently used by American Intelligence Services due to the fact that Israel's primary source of financial aid lies in the golden coffers of American Jewry. Great numbers of Jews from Soviet territory have migrated to

Israel carrying with them all they could steal from the lands of their birth. The American Press would cause us to believe that the rebellion in Red Poland was directed by Polish Nationalists seeking freedom for their homeland whereas in actuality this rebellion was fomented by International Jewish organizations for the purpose of holding down Soviet forces in Eastern Europe while Israel and her French and her French and English allies pillaged Egypt. Those Communist leaders who had stripped Polish Jews of their posts and ill-gotten gains were now being crucified by the new "Gomulka Regime". We quote from the "NATIONAL JEWISH POST" of Nov. 2, 1956, page 2, entitled, "ANTI-SEMITIC POLES LOSE OFFICIAL POSTS":

An authoritative source here who is thoroughly familiar with Poland and known for his friendliness to Jews this week stated that as a result of the reshuffle of the governing body of the of the Polish Communist party which brought on the Polish-Soviet crisis official Soviet anti-Semitism has been set back and perhaps dealt a mortal blow."

"Two of the old Politburo members of the Polish Communist party who were ousted are well known for their anti-Semitism, it was pointed out. These men are Marshall Konstantin Rokossovsky, defense minister and commander-in-chief of the Polish Army, and Zenon Nowak, a deputy premier. A third high official, for whose dismissal demands are being made now, is Lt. Gen. Kazimierz Witaszewski, the army's political chief, who has been revealed as one of the backers of Nowak's anti-Semitic policy..(The Warsaw Radio heard in London this week carried a broadcast reporting that at a meeting of the Union of Young Communists in the Polish City of Wroclaw, a demand was voiced to curb propaganda inciting the people in Poland to "all kinds of anti-Semitic manifestations").

Thus we find Jewish leaders behind the Iron Curtain rebelling against the pan-Slavic doctrine of the Stalins and Khrushchevs and seeking to gain Communist favor for the State of Israel. Failing in this, they seek to aid the Western democracies which serve today as the golden fountainhead from which all blessings flow to Israel. America is rapidly earning the undying hatred of the vast Asian-African bloc of nations by supporting this parasitical growth in the Middle East. All news-reels of the Arab-Israeli struggle show the Jews using brand new American war equipment against the hapless Egyptians. Now Prime Minister Ben-Gurion assures the world that Israel has no intentions of relinquishing the territories stolen from Egypt by American tanks and guns. WILL THE HUNDREDS OF MILLIONS IN THE ASIAN-AFRICAN LAND MASS ALIGN THEMSELVES WITH BULGANIN OF RUSSIA WHO DEMANDED JUSTICE FOR THEIR EGYPTIAN BROTHERS OR WITH EISENHOWER WHO LEAPED TO THE DEFENSE OF BRITAIN AND FRANCE WHEN BULGANIN ORDERED THE ZIONIST AGGRESSORS TO WITHDRAW FROM EGYPT OR FACE ATTACK? WILL THE HUNGARIAN PEOPLE, LIKE THE HEROES OF EAST BERLIN, HAVE ANY FURTHER FAITH IN THE WEST AFTER AMERICA SAT IDLY BY WATCHING THE SLAUGHTER IN BUDAPEST? WILL THE POLES BE HAPPY UNDER THEIR NEW JEWISH GANGSTER REGIME, SPONSORED BY WASHINGTON, WHICH MAKES IT A CRIME TO EVEN OPENLY CRITICIZE A JEW?

What price must America and the Western world pay for their support of Israel? Our prestige in Africa and Asia is at its lowest ebb in history. In a broadcast of June 1, 1953, Secretary of State John Foster Dulles spoke as follows:

"The Atmosphere is heavy with hate...the United States should seek to allay the deep resentment against it that resulted from the creation of Israel.. Today the Arab peoples are afraid that the United States will back the new state of Israel in aggressive expansion. They are more fearful of Zionism than of Communism, and they fear lest the United States become the backer of expansionist Zionism."

What type of people are the inhabitants of Israel? We quote from London's "NEW STATESMAN & NATION", August 18, 1951 by Sam Rolbant, a Jewish correspondent of Tel Aviv:

"The recent wave of immigration has brought into the cities of Israel little of the idealism which went to mould Jewish Palestine into a progressive labour commonwealth. and many of the things which the Jewish National Home was meant to abolish.

"It brought to the country thousands of blackmarketeers from post-war Germany, smugglers from Damascus, horse-flesh dealers and horse thieves from Turkey, professional Roumanians, toughs from Morocco, billiard boys from Casablanca, currency dealers from Shanghai, British subjects who could not solve their differences with His Majesty's Inspector of Taxes, embezzlers from all countries to which they could not be extradited...and thousands of others who simply embody the age-long Jewish tradition of living by avoiding productive labour."

The all important question facing America and the Western world is whether or not we can divorce our foreign policy from support of the illegitimate state of Israel to open support of the Asian-African bloc of nations. As we go to press Eisenhower has demanded that Ben-Gurion withdraw his troops from Egypt or face U. N. intervention. This may be a start in the right direction.

NRP SPONSORS A SECOND MAJOR POLITICAL RALLY TO OPPOSE AMERICAN
PARTICIPATION IN A THIRD WORLD BLOODBATH.

Recent devastating events in Hungary and the Middle East are paving the way for American involvement in the final holocaust of World War III as ally of the UNSAVORY BIG THREE, English Imperialism, decadent French colonialism and Zionist Jewry. Why should American Boys be torn from the arms of their loved ones for a third time in a single generation to save International Jewry and rapacious English imperialists from the consequences of their own foul deeds? The very same Jews who cried up a "Holy War" against Nazi Germany, resulting in ONE MILLION American casualties and Red conquest of Eastern Europe and the Balkans, have now driven 900,000 Palestinian Arabs into the surrounding desert after confiscating their homes, personal possessions, cattle herds and bank accounts. These same Jews who high-pressured the Roosevelt regime into a "Holy Crusade To Save The Persecuted Jews of Europe" have now committed atrocities and acts of naked aggression which would make Hitler pale into insignificance. These fiendish atrocities committed at Deir Yassin Quibya, Khan Yunis etc. were enacted against their own fellow-Semites, the Arabs.

The Zionist clique in America is exerting every effort to force Eisenhower to support Israel against the Arab League and Soviet Russia. They have already formed an alliance with Eden's regime in England with the result that Eden has fled to the tropical climes of the West Indies to escape the wrath of his fellow-Englishmen. Eden's disastrous, Zionist-sponsored decisions to use military force against the Egyptian people has backfired with the result that all of Europe is suffering a desperate fuel shortage at the very beginning of winter. The English and French lackeys of Israel demanded the right for Israeli ships to pass through the Suez Canal as their chief demand in this conflict. Egypt will no more permit Israeli vessels through the Suez Canal than America will permit Red Chinese ships to pass through the Panama Canal. Egypt has not recognized Israel nor has America recognized Red China.

Americans must not permit their government to force them into a war which we are not yet prepared to win. We have only 30 NATO divisions in Europe, broken up under command of 16 different nations, whereas Russia has 200 full-strength divisions under a single command. Our Radio Free Europe encourages the Soviet satellites to revolt against the Kremlin masters but in East Berlin in 1953 and in Hungary in 1956 we ALLOWED NATIONALIST PATRIOTS TO BE MASS-SLAUGHTERED WHILE AMERICANS did nothing to assist. WILL THEY TRUST US AGAIN? WOULD YOU?

We urge all Americans, whether or not they are members of the NRP, even if they do not agree with us on all issues, to attend this vital political meeting. A Question and Answer Period will be held after our speakers have completed their orations. All party members are requested to make every attempt to be present. VITAL NEW BOOKLETS, MAGAZINES AND PAMPHLETS CONCERNING THE MIDDLE EASTERN AND HUNGARIAN CRISIS WILL BE AVAILABLE AT OUR LITERATURE TABLE. America must not be drawn into another world bloodbath as a result of Jewish and English propaganda in the United States. World Jewry is already referring to Egyptian President Nasser as "another Hitler" and hinting at "fiendish atrocities against Egyptian Jews". LETS ORGANIZE BEHIND AN AMERICA FIRST FOREIGN POLICY.

Attend this vital meeting on Thursday Evening DECEMBER 13th, 1956 at 8 P:M in the NOLA STUDIOS, STEINWAY HALL BLDG., STUDIO 505 (Fifth Floor), 113 West 57th St., NYC. (between Sixth & Seventh Aves.) Come and bring your friends to this last major NRP meeting in 1956. WE PROMISE YOU AN INTERESTING AND INFORMATIVE EVENING. Any contributions toward the party's work should be sent to:
